

# SAFETY COUNCIL MOVES TO HALT WILD DRIVING

25 More Motorcycle Cops  
Goal in Drive to Re-  
duce Crashes.

Campaign for twenty-five more motorcycle policemen as a means of reducing the number of traffic accidents, today was renewed following meeting of the Indianapolis safety council executive committee Thursday night at the Indianapolis Athletic Club.

The committee set Aug. 29 and 30 as dates for a city-wide safety rally to be held at Garfield park. A parade will be held Saturday night, Aug. 29, followed by the rally the next afternoon.

The group decided to continue its efforts for more motorcycle policemen, despite report of a special committee, headed by Municipal Judge Clinton B. Cameron, that the committee was informed by Mayor Reginald H. Sullivan that the city financially is unable to increase the force at this time.

It was voted, to carry out suggestion of Mayor Sullivan for an educational campaign among motorists to acquaint them with traffic rules and to discourage reckless driving.

Sullivan, Police Chief Jerry Kinney and safety board and city council members will be invited to meet

with the group to discuss traffic law enforcement June 18.

Among those pointing out need for more motorcycle officers was Adolph Fritz, Indiana Federation of Labor secretary - treasurer, who pointed out Indianapolis at present has only fifteen motorcycle policemen.

In citing larger numbers of such officers in other cities, he said Louisville has forty-six, St. Louis seventy-three and Cincinnati has nearly sixty.

# COUNTY GOING AFTER \$100,000 COURT COSTS

Collector Named to Get  
Delinquent Fees; to  
Start June 1.

Final arrangements to start collection of more than \$100,000 delinquent court costs, due the county, were made today following appointment of a special clerk to aid County Clerk Glenn B. Ralston in the task.

Ralston appointed Charles E. Steinwender, 1823 Broadway, an abstractor for thirty years, to conduct the collection. He will start sending notices of delinquent costs June 1.

The county council appropriated \$500 for purpose of collecting costs during the next three months and is expected to extend this appropriation at the September council meeting, if results are satisfactory. Ralston had asked for a six months' appropriation, totaling \$1,200.

Charles Eitinger, deputy clerk, will have direct charge of collecting the costs, many of which have been owing since 1910. Most of the amount is due on municipal court cases, Eitinger declared.

Fifteen days time will be given persons to pay after receipt of the first notices. Failure to respond in this period will cause the clerk's office to submit fee bills to Sheriff Charles L. Sumner for collection.

# NEW DELAY FACED ON STEVE'S APPEAL

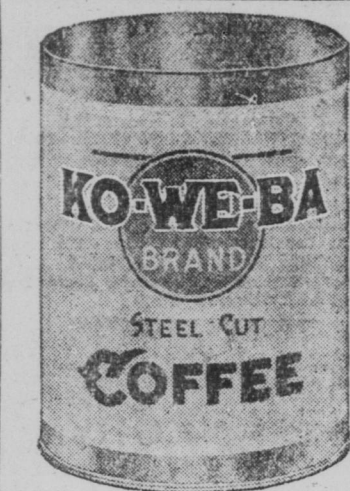

Further delay in the supreme court decision of the D. C. Stephenson appeal in the Madge Oberholzer murder loomed today, due to the filing late Thursday of another petition for writ of error coram nobis.

This petition is filed as an original action in the supreme court by Gary attorneys for the one-time klan dragon, now serving life sentence at the Indiana state prison, Michigan City.

It is similar to petitions filed in the past, but names one Frank L. Dobbs as a gunman hired by Hiram Vesley Evans for \$2,000 to shoot Stephenson should he take the witness stand in his own defense at the trial in Hamilton circuit court.

Petitions for writ of error coram nobis have been based largely on the grounds that Stephenson failed to take the stand through fear for his life, and if permitted to do so now could prove himself innocent.

Points in a former petition were thrown out by the high court and the petition itself was withdrawn by
