

## PUNISH FLIERS FOR 'DISTURBING HARDING RITES'

Licenses Are Suspended by  
Lamont; All Deny Mar-  
rying Speeches.

**By United Press**  
COLUMBUS, O., June 19.—Notice of the temporary suspension of the licenses of four Columbus aviators, allegedly because they flew over the Harding memorial at Marion Tuesday while the former President Calvin Coolidge and President Hoover were speaking, was received here today from the department of commerce.

Those named in the order were Harold Distelhorst, John Corrodi, Joseph Mackey and Grant Melvin, all of Columbus. Distelhorst said he did not ascend until after the dedication was over and Corrodi, an aerial photographer, said he was in the air and descended before the dedicatory services began.

Distelhorst and Corrodi said they would appeal, charging the memorial disturbance if any was caused by an auto-giro from Detroit.

Investigation of the flying of planes during the dedication services was demanded by President Hoover. The suspensions were made on order of H. F. Rough, Detroit, inspector for the department of commerce.

**Lamont to Act Today**

**By United Press**  
WASHINGTON, June 19.—Secretary of Commerce Lamont is expected to act today in the cases of the aviators who are charged with disturbing the Harding Memorial exercises at Marion, O., in which President Hoover and former President Coolidge participated.

As soon as he returned to the city today, Lamont said a report on the incident forwarded here by Howard F. Rough, supervising inspector at Detroit, based on investigation by agents of his office. It was said at the department that Lamont probably would issue a statement on the affair.

Commerce department officials said today that Hough's report involves five persons, but they declined to make the report public.

## SUSPECT IS HELD IN MOTORIST ROBBERY

Victims Identify One of Trio in  
Holdup, Police Say.

Alleged to have kidnapped Chester and Wilbur Bryant, 902 Virginia avenue, in their own car and robbed them near Lafayette, Sunday, Charles Haug, 1163 West Thirty-third street, today was charged with vehicle taking, auto banditry, kidnapping and robbery.

Police said the Bryants have identified Haug as one of the trio that obtained \$100 from them. Haug was arrested by state police late on Thursday. Haug's bond on the charges was set at \$6,000.

The Bryants identified the car driven by Haug because their Indianapolis phone number was scratched on it.

They said one of the bandits Sunday demanded their phone number and scratched it on his car with a bullet.

The Bryants said two of the robbers rode in the bandit car while another rode with the Bryants to Indianapolis.
