

JEFFRIES QUIT TRACTION POST

Ends 28 Years' Service
With T. H. I. & E.

After twenty-eight years' service, Guy K. Jeffries, 19 North Audubon road, today had resigned as general superintendent of the T. H. I. & E. Traction Company.

Jeffries said that due to the dubiousness of the traction business and his long term of service, he desired to take a rest and will enter another business.

Jeffries followed the rapid growth of traction transportation and, in the last few years, saw it slump as automobiles and trucks brought about its decline.

Jeffries was employed as chief dispatcher of the Big Four and Erie railroads, first entering the traction business with the old Indianapolis & Northwestern Traction Company in 1903 when it operated a line from this city to Lafayette.

In 1911, a dead person is embalmed externally and kept in a large sealed jar in the house for several months, after which the body is cremated.
