

'SAFETY NIGHT' TO BE HELD IN PARK THEATER

40 Children to Take Part in
Garfield Open Air

A full program is planned for safety night at Garfield park open air theater Friday at 8, being given by children of city parks through Mrs. Norma Koster, supervisor of pageants in the city recreation department and Lieutenant Frank Owen, director of safety and discipline and Timothy McMahon, assistant.

More than forty children, representing ten playgrounds, will give specialty numbers, in addition to a safety playlet. Lieutenant Owen will act as chairman and will introduce Judge Frank P. Baker and Judge Clifton R. Cameron of municipal court, who will speak.

Mrs. Koster has announced the following program:

HUNDREDS HEAR TALES

Recreation Story Tellers Appear in
City's Playgrounds.

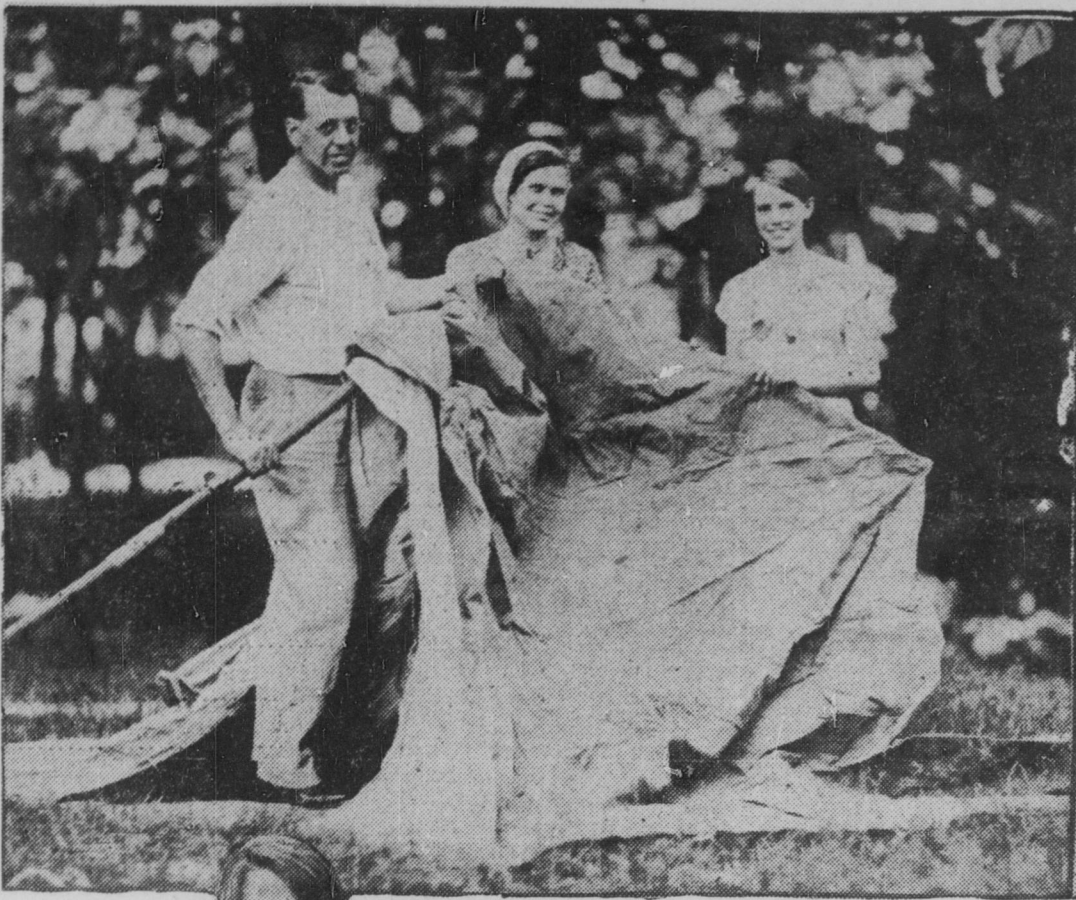

Six hundred and ninety-seven children sat around the side of sand boxes, on park benches and on the grass and listened to the popular story tellers of the recreation department last week. Miss Frances Edwards and Miss Alice Carter, who work in conjunction with the public library and the city, told seventy-four stories at thirty playgrounds despite rain which ruined some of the story hours.

SAFETY RECORD IS SET

Only One Accident in City in Week
of July 4.

Lieutenant Frank Owen, director of safety and discipline, on the city playgrounds announced Tuesday that a record was established for the week of July 4 when only one minor accident occurred in the parks. The one happened when a small boy slipped off a swing and knocked out a tooth which already was loose.

Visiting Pastor, Family Live in Tent

When the Rev. Edward A. Daum, former Indianapolis minister, and his family go on a vacation they forget all about houses, hotels and modern knickknacks, even when they return to a city where they have many friends.

Mr. Daum, who from 1927 to 1929 was pastor of the First United Presbyterian church here, are in the city this week visiting old acquaintances.

But their home during their stay is their tent at the municipal tourist camp on White river near Em-

SETTLEMENT IS BUSIEST GROUND

Children Always Rate High
in Games.

American Settlement playground, west of Maryland and California streets, hidden down among the buildings of Kingan's Packing Company, is one of the unusual grounds of the city.

Youngsters there always have one of the best ball teams in town, one of the best track teams. Their annual pageant in August is outstanding. Every one to whom America is an adopted country, dresses in native costume.

Other playgrounds could follow the ideas of the girls of the American Settlement, who have organized a sewing club. A dozen girls from 10 to 18 meet every Tuesday and Thursday afternoon to make aprons, scarfs and various embroidered knickknacks.

Miss Vera Popchiff is leader of the group. "They don't need much teaching. They know a lot about sewing," she says.

Miss Popchiff is a student at Butler university. She teaches the daily vacation Bible school on the settlement grounds.

Members of her group are Mary Vulk, Eleanor Vulca, Luba Popchiff, Daisy Popchiff, Macie Stoycheff, Jennie Lahu, Floebe Foshie, Helen Pappas, Victoria Marchese, Helen George and Leona Vudis. Each girl plans to start making a large quilt in the near future.

MANY ENTER IN RACE FOR CITY POOL HONORS

Swimming Contest Opened
Sunday; Rhodius Scene
of Next Meet.

With the city recreation department and Red Cross swimming competition well under way, several promising young swimmers have been found.

Rhodius pool will be the scene of the next meet Sunday, July 12. A large number of entrants and a crowd of spectators are expected to attend.

Ribbons will be given to winners of each event. Entrants will be divided into three age groups, boys and girls under 12, between 12 and 17, and over 17. Boys and girls will be divided, but will have the same events, which will be, under 12, 25-yard free style; 50-yard free style and 25-yard back stroke; over 17 years, 50-yard free style, 50-yard back stroke, and 50-yard breast stroke. There will be diving competition for all ages.

In the opening meet of the season last Sunday at Ellenberger pool, Helen Lee Smith, 12, and Mary Alice Shively, 13, both of the Indianapolis Athletic Club, placed first and second in every girl's event except one, in which Shively placed third.

Helen Lee was high point scorer of the meet with 26 points.

Courtland Christner, formerly of Melbourne, Australia, was high point man for the boys, and second in the meet with 22 points. Mary Alice Shively was third with 20.

A dual meet between Major Williams, Ellenberger's 5-year-old swimmer, and Skippy Owen, 7, of Rhodius, will feature the swimming there Sunday. They will compete in a twenty-five-yard free-style race five dives, four from the low board and one from the ten-foot board.

PLAN TRACK MEET

Event for Girls to Be at
Douglass Park.

Plans for a city-wide girls' track meet at Douglass park Aug. 28 have been announced by Miss Alma Tiefert, supervisor of girls' sports in the city recreation department.

All Negro parks in the city are expected to be represented. All entries must be in the main office with names, ages, and events in which the competitors wish to enter, by Aug. 15, Miss Tiefert said. There will be two age groups, juniors, under 12, and seniors, under 16. Events will be:

JUNIOR—50-yard dash, 75-yard dash, broad jump, high jump, relay, basketball throw for distance.
SENIOR—100-yard dash, 150-yard dash, broad jump, high jump, relay, basketball throw for distance.

The final game of the colored

The annual circus at Douglass park is planned tentatively for late in August. It will be combined with a safety program and parade.
