

RAIL RATE HIKE PETITION LIKELY TO BE REFUSED

Commerce Commission Is
Expected to Announce
Denial in October.

By United Press
WASHINGTON, Sept. 3.—The interstate commerce commission was understood today to be planning to announce early in October its decision on the petition of the railroads for a 15 per cent freight rate increase.

While proceedings have not been completed, it was understood that on the basis of the showing already made by the railroads and the opposition entered by agricultural interests, shippers and others, the commission was inclined to reject the carriers' plea.

It was reported that the commission was convinced that agricultural products could not bear any higher rates than are now being paid. While the railroads asked for a blanket increase, asserting they would adjust rates later to a fair basis for all concerned, the commission was represented as being inclined to believe that differentials should be made for the various commodities.

Not to 15 Per Cent

In some cases, it was understood, the commission was ready to authorize higher rates, but not to the full 15 per cent asked by the carriers. The figure of 5 per cent was suggested as a more likely one.

The proceedings, which began in June, have moved swiftly and now are in their final phases. The carriers presented their arguments in July. The opposition has pleaded its case at various hearings throughout the country. Hearings now under way in Chicago will conclude that portion of the case, leaving only the filing of briefs, final arguments and the decision.

The commission announced Wednesday that oral arguments will be heard in Washington beginning Sept. 21. These are expected to be concluded within a week. The commission has indicated that the speed which has characterized the whole case will be continued and has asked those expecting to appear to have their briefs filed by Sept. 18.

Debate Dismissed

When arguments are held, the motion of six western states to dismiss the carriers' petition will be debated. This motion is based on the assertion that the commission is without authority to grant rate increases on a mere showing of financial distress among the carriers.

CHICAGO, Sept. 3.—Representatives of farm bureaus appearing before the interstate commerce commission planned to argue today for repeal of section 15-A of the transportation act which gives railroads a theoretical right to rates that will produce an income of 5% per cent on their investment.

Armed with figures tending to show that the farm industry is in a depressed condition, the farmer-spokesmen said they would ask that no more industries be guaranteed earnings unless agriculture also has some assurance of a justifiable return.

Testimony at Wednesday's session developed a question of whether the proposed rate increases actually would produce additional revenue. Although carrier representatives argued that it would, shippers contend that so much business would be diverted, through competitive traffic and decentralization of industry, that the roads would lose business.

PROTEST LEVY SMASH

Civic League Declares East Side
Work will be Retarded.

The Sherman-Emerson Civic League Inc., in a meeting Wednesday night at 4401 East Tenth street, protested the elimination from the municipal tax for 1932 of the levy for the thoroughfare and street resurfacing.

The association decried the report that streets on the east side would be retarded by elimination of the levy.

Injured Man Dies

By United Press
BRAZIL, Ind., Sept. 3.—Theodore Bass, 37, who was injured last week when a section motor car on which he was riding was derailed, died Wednesday.

Aids Jobless

She'll have a part in aiding the nation's unemployed. Miss Katherine F. Lenroot, above, assistant chief of the children's bureau of the department of labor, has been asked to co-operate with the committee on unemployment relief headed by Walter S. Gifford. She is a daughter of former Senator Irvine L. Lenroot of Wisconsin.

OFFICER ROUTS SAFE-CRACKERS

Yeggs Flee, Leaving All
Their Tools Behind.

Police today owned a complete safe-cracking outfit, left by yeggs, who were interrupted at work in the Lyman Brothers art store, 215 East Ohio street, Wednesday night.

They fled through a rear door, when L. C. Rawlings, 1322 Pleasant street, merchant policeman, entered at the front of the store.

Police found combinations had been knocked from two safes. On the floor were two ounces of nitroglycerin, six percussion caps, one stick of dynamite, a crowbar, steel drill, pair of pliers, punches and electrical equipment for discharging the nitroglycerin.

A light cap and a hat were found on the floor near the safes. Burial in the home of Leo M. Rappaport, 1514 Park avenue, was discovered Wednesday night by his nephew, L. S. Hensley, 602 East Fifty-sixth street. Combination had been battered from a small safe, which stood open. Hensley said he believed there was nothing of great value in the safe.

U. S. TO INTERVENE IN EXPULSION OF CHINESE

Arbitration with Mexico to Be
Sought by Foreign Office.

By United Press
NANKING, China, Sept. 3.—Agreement by the United States to arbitrate differences between China and Mexico was announced today by the foreign office.

A foreign office statement said that Sino-Mexican relations were "strained to the breaking point," due to threatened expulsion of Chinese merchants in the states of Sonora and Sinaloa.

Negotiations to end the anti-Chinese campaigns have been abortive, the statement said. The situation was reviewed at length and hope expressed that a satisfactory settlement might be reached.

5 Years Ago Today

The pride of the country's air fleet, the dirigible, Shenandoah, crashed to the ground after being ripped apart by a storm near Caldwell, Ohio, on September 3, 1926. Fourteen officers and men including Lieutenant-Commander Zachary Lansdowne were killed.

PAIR HURT IN AUTO CRASHES

One Man Is Arrested for
Reckless Driving.

Two persons were injured and another man arrested on a reckless driving charge Wednesday night as a result of automobile crashes.

Henderson Moore, 23, of 308 South Hamilton avenue, sustained severe

leg and foot injuries when the truck he was driving crashed into a warning signal standard at Southeastern avenue and Oriental street.

Knocked down by an auto that was being backed out of a driveway, Mrs. Valeria Masterson, 65, of 2829 East New York street, suffered hip injuries. Driver of the car was Dr. W. E. Mendenhall. Mrs. Masterson was taken to the Indiana Christian hospital.

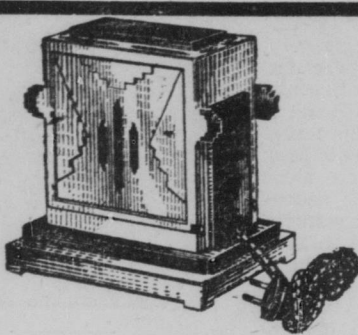

After his car crashed into another at Maple road and Meridian street, Grant Hamilton, 21, Negro, 722 1/2 North West street, was charged with reckless driving. His auto struck that of Omar Miller, 53, R. 17, Box 89-C.

ONE DIES IN SPAIN RIOT

Shooting Result of Sympathy Strike
for Convicts.

By United Press
BARCELONA, Spain, Sept. 3.—Fatal rioting broke out today during a general strike called in sympathy with rioting prisoners in the Barcelona jail.

One man was killed, two men and a woman seriously injured and several slightly injured in a shooting affray in a street. Police warned strikers against sabotaging the telephone lines and the strikers fired.
