DENY AID FOR FLIER

French Not to Search for Anti-Fascist Pilot.

By United Press
PARIS, Oct. 7.—The French government, answering the appeals of Italian political refugees, said today that neither the air force nor secret police could be allowed to seek the missing Italian anti-Fascist aviator, Lauro De Bosis, whose mother, the widow of an Italian poet, is the former Lillian Vernon of St. Louis, Mo., and Syracuse, N. Y.

De Bosis disappeared Saturday while dropping 200,000 anti-Fascist pamphlets from an airplane over Rome. When last seen, De Bosis was said to have been flying away from a squadron of pursuing Italian military airplanes, headed toward Corsica.

French officials said they believed De Bosis ran out of fuel and fell into the Mediterranean.

Meanwhile, the Italian government has announced its intention of asking the French government to investigate how the airplane was permitted to leave an official French flying field carrying anti-Fascist propaganda.

REDS FINANCING LUESSE, SAYS JUDGE BAKER

Communism Has Gone Too Far in Indianapolis, He Declares.

"So I gave Theodore Luesse all there was in the book to give," Judge Frank P. Baker of the criminal court, speaking on "Crime," told members of the Indianapolis Medical Society, meeting at the Athenaeum Tuesday night.

"If some good-hearted passer-by had been stirred by some big-hearted motive to save a family from eviction, all I would have done to him would have been to admonish him about his mistaken policy."

"However, Luesse, no doubt, has been financed by a foreign power to defy the laws of our country," Judge Baker said in explaining why Luesse was given the maximum sentence at the Indiana penal farm for his alleged interference with officers in an Indianapolis location.

The "greatest threat against our government"—Communism, was declared by Judge Baker as having gone so far in Indianapolis as to have information "where they can obtain guns and ammunition for riots, uprisings and any disturbances they may create."

Indianapolis is listed on police records as being the only large city to have a decreasing crime rate, members of the medical society were told. During the nine months ended Sept. 1, \$338,000 less property and 295 fewer automobiles were stolen than during the same period in 1930.

Go Tooting

By United Press
KANSAS CITY, Mo., Oct. 7.—Go on an occasional "toot" if you want to keep healthy, Dr. Frank H. Lahey of Boston told the Southwest Clinical Conference. Presiding-day it is too tense and nerves need a lot of rest or an occasional spurt to relieve them, the doctor said.

ROUTS BURGLAR ENTERING STORE

Thief Flees as Druggist Opens Fire.

A thief who ransacked the residence of Mrs. W. L. Everson, 6221 College avenue, obtained \$23 but overlooked jewelry valued at much more, according to her report to police.

Howe Abbott, proprietor of a pharmacy at North street and Senate avenue, was awarded partly for his patience early today.

Thomas Abbott, sleeping in the store, heard a window smashed. The Negro thief fled. Abbott obtained a revolver and waited. In a few minutes the thief returned and, with a stick, attempted to unlock the door. The thief fled when Abbott fired once.

A Negro bandit obtained less than \$3 when he robbed the Perry pharmacy, 748 North West street, Tuesday night. He leveled his revolver on Harry Perry, proprietor.

As a result of the robbery, Sergeant Harry Kruse is in city hospital today suffering from minor leg injuries. As the police car stopped in front of the Perry drug store, a Negro's taxi crashed into the car, injuring Kruse.

2 KILLED IN GANG WAR

Third Wounded as Mobster's Car Is Sprayed by Rival Gunmen.

By United Press
TOLEDO, Oct. 7.—Two Toledo gangsters were killed and a third was wounded early today in what police term as an effort of rival gunmen to "muscle in" on liquor and gambling rackets.

Abe Lubitsky, 23, and Norman Blatt, were shot to death by the occupants of two automobiles which swept past their car. Harry Abrams, who was accompanying Lubitsky and Blatt, was wounded. Physicians said he would recover. Police believe the slayers were "out-of-town" gangsters.
