Two Companions Also Injured in Crash; One Driver Is Arrested.

Pinned beneath an overturned automobile, Louis Bader, 49, of 2178 North Talbot street, was injured critically this morning in a crash at Eleventh street and Broadway. Bader was riding in an automobile which George D. Yeazel Jr., 2930 North Talbot street, was driving. Yeazel suffered head injuries, and Herman Hawkins, 33, of 413 Smith street, another passenger, suffered head cuts and probable internal injuries.

John Huggler, 50, of 633 East Tenth street, Apartment 4, driver of the other car, was not hurt. Yeazel was held on a reckless driving count.

Street Car Jumps Track
Bader was thrown from the car and it overturned on him. He sustained a fractured skull.

When the rear trucks of an East Michigan street car jumped the tracks Wednesday afternoon Mrs. Margaret Funcke, Apt. 2, 527 Sutherland avenue, sustained hip injuries and Mrs. Nellie Huber, 12 Iris avenue, collapsed after a heart attack. Both were taken to their homes.

The car skidded 150 feet along the street crashing into a fire plug at Grant avenue and Michigan street.

TOW-IN LAW TO BE ENFORCED AT NIGHT

Chief Morrissey Warns Motorist of Impounding After Dark.

Motorists who believe darkness hides their traffic law violations are due for a shock in the announcement of Chief Mike Morrissey that cars will be towed-in at night.

Date for starting the new tow-in system after 6 p. m. has not been decided, but Morrissey said it will be soon.

The after-dark tow-in will apply to cars parked in safety zones, alley parkers, double parkers, fire plugs, or any other places where the law prohibits parking.

The ruling also will apply to the curb areas entering the circle. These curbs will be painted yellow in warning to autoists.

Grocery Looted by Thieves

WOMAN DRAWS GUN AND ROUTS ARMED BANDIT

Negro Flees When Pistol Is Pulled on Him; Robs Grocery Later.

Mrs. Nellie Arnold, employee of a laundry, at 359 Indiana avenue, has a system all her own to prevent robberies.

When a Negro bandit leveled a gun at her and thrust a bag into her hands with the command: "Put the money in that bag and be quick about it!" Mrs. Arnold reached for a gun instead of the bankroll.

The Negro fled. Police searched for him after the holdup attempt Wednesday night, but were unable to locate him.

Some time later the same bandit held up Walter Fitch, manager of a Standard grocery at 830 West Michigan street, and took \$20.

Mrs. Gladys Cottrell, 2037 North Alabama street, told police that while she was shopping in a downtown department store Wednesday, her coin purse with almost \$15 was stolen.

A burglar removed a screen in the home of Arthur Iles, 22 East Thirty-second street, Wednesday

night, and from the bedroom took a purse worth \$25 in it.
Another burglar, with a little of the honor reputed to thieves, stripped used cars in a lot in the rear of 358 North Capitol avenue, of accessories worth \$100, stole one of the machines to haul away his loot, and then returned the stolen auto.

By Times Special
WARSAW, Ind., Oct. 8.—Trouble came in bunches for two brothers, Benjamin Fancil, 46, and Emil Fancil, 40, as a result of their automobile striking a pole. TAX DELAY IS DENIED

Leslie Rules Against Plan for Moratorium.

"No Moratorium moratorium on tax delinquencies," was the edict of Governor Harry G. Leslie today. The Governor today received a letter from State Senator Robert L. Moorhead of Indianapolis which suggested that Leslie declare a

moratorium on collection of delinquent taxes until Dec. 15.
"The idea it not new with Moorhead," said Leslie, pointing out that he previously had considered the idea and even had talked it over with the attorney-general, coming to the conclusion that the plan was not feasible.
Leslie pointed out that the local units must have funds to carry on, that the legislature already has lifted the penalties on delinquencies, and that there will be plenty of delinquencies in Indiana this year without encouraging a further delay.
