

3 NEW LINES CALLED FOR IN STUTZ PLANS

Small Car Also Will Be Built by Company During 1932.

Plans for introduction of three lines of automobiles in 1932, including a small car priced at \$1,620 f. o. b. factory, were announced today by Colonel E. S. Gorrell, president of Stutz Motor Car Company of America.

Announcement of the company's program follows reorganization of the Stutz company with re-entrance into the firm of Charles M. Schwab and a group of New York financiers.

Gorrell also announced that the company's program already has involved a preparatory expense of \$1,761,000 for special tools and appliances and other efficiency features. These have been paid for in full and written off the books of the company, and will not be amortized through price of its cars, he said.

To Have Long Wheelbase

The new small car, which will have a wheelbase of 127 inches, will embody all the excellence of performance and workmanship which for years have characterized the Stutz line, he added.

As a companion car to the new DV 32 double overhead camshaft dual valve Stutz, recently announced, selling at \$10,000, less than any car with the same mechanical principle, Gorrell said, will be the single valve Safety Stutz, the general principles of which the company has been building and perfecting for six years.

The single valve car will be sold at prices ranging as much as \$900 below previously charged.

Gorrell reported that with a dollar volume of business for the nine months ending July 31 only slightly in excess of the same period last year, the factory operations showed a net profit of about \$100,000.

Profits About \$200,000

Deducting subsidiary losses, net profits of the company were about \$200,000, compared with a loss of about \$75,000 for a similar period in 1930.

"Aggressive program of the Stutz company was adopted with a faith in the future of our own organization and of this country," said Gorrell.

"We decided to take advantage of the tremendous buying power of the public and the active buying that is certain to develop as soon as the general public realizes what already has happened in the upturn of business."

HIJACKERS RIDDLE AUTO

City Man, Mistaken for Legger, Flees in Bullet Hail.

Fleeing a trap believed set by hijackers on U. S. road No. 31, between Greenwood and Franklin, on Tuesday night, Willis Clark, 1446 West Market street, proved his point to police by exhibiting fifteen bullet holes in his car.

Clark reported a heavy sedan carrying four men drew alongside his car and forced him to stop at the side of the road. When the occupants got out, Clark said, he sped away, followed by a fusillade of bullets, none of which struck him.

Police believed the hijackers mistook Clark for a rum runner.

RIDICULE WINS DIVORCE

Eleanor Hunt Says Husband Was Iried by Her 'Heavy' Reading.

By United Press

LOS ANGELES, Oct. 14.—When Eleanor Hunt, motion picture actress, settled down for a quiet evening with a book on philosophy or some related subject, her husband, Rex Lease, cowboy film actor, ridiculed her, Miss Hunt claimed in gaining a divorce on grounds of cruelty.

She added that Lease frequently became intoxicated and abused her in the presence of friends.

YOUNG SUSPECTS FREED

Graham, Thomas Have No Connection With Gang, Detectives Say.

Detectives today released Edward Graham, 18, of 1135 North Tacoma avenue, and Frank Thomas, 19, of 234 East Eleventh street, reported Tuesday as being alleged members of the Forest Strothers gang.

Detectives said the youths had no connection with the gang.

Graham and Thomas were arrested Friday near the home of Patrick O'Brien, who is held in connection with the Strothers investigation.

Ohio Woman, Doomed to Die, Gets Retrial

Mrs. Maude Lowther

By United Press

YOUNGSTOWN, O., Oct. 14.—Mrs. Maude Lowther, quarter-blood Indian housemaid, who was sentenced to death with her lover for the murder of his wife, today awaited a new trial granted by the Seventh district court of appeals.

The court ordered the case remanded on grounds that five of the jurors had expressed opinions.

Mrs. Lowther, the first woman in Ohio to be sentenced to the electric chair, was charged with firing upon Mrs. Clara Smith from ambush as the victim's husband, Tibby, drove his wife to a pre-arranged isolated spot in Ashtabula county.

The state charged the two conspired to rid themselves of the wife so their love affair could continue without restraint. Smith is awaiting execution at Columbus, where his inamorata also is held.

SPANISH ASSEMBLY IN RIOT ON JESUIT VOTE

Blows Exchanged at Balloting on New Constitution.

By United Press

MADRID, Oct. 14.—An all-night discussion of religion which followed approval of the separation of church and state, ended in serious disorders in the constitutional assembly early today.

When the assembly prepared to vote on Art. 24 of the new constitution compelling Jesuits to leave Spain and providing for nationalization of their property, deputies from religious families of the Basque and Navarre countries jumped to their feet and shouted: "Long live Christ, the king!"

Socialists opposed the Basque deputies. Blows were exchanged and there were several moves to draw revolvers.

Why Fat Folks Stay Fat

"The trouble with me, and I guess this applies to 99% of the men and women who are putting on weight, I didn't have the energy or 'pep' to keep it off. Lost all interest in any healthy activity and just lazed around accumulating the old pounds. Start taking Kruschen Salts—that's the common-sense way to reduce. This is what they do—they clean out the impurities in your blood by keeping the bowels, kidneys and liver in splendid working order—a vigor and tireless energy you'd most forgotten had existed returns."

As a result instead of planting yourself in an easy chair every free moment and letting fatty fat accumulate you feel an urge for activity that keeps you moving around doing the things you've always wanted to do and needed to do to keep you in good condition—you've got that "Kruschen feeling."

Be careful of the foods you eat—then watch the pounds slide off! Take one half teaspoonful of Kruschen Salts in a glass of hot or cold water tomorrow morning and every morning—and if they don't change your whole idea about reducing, go back and get the small price you paid for them. Get an 85 cent bottle of Kruschen Salts—lasts 4 weeks—at Hook's Dependable Drug Stores or any progressive drugist anywhere in the world.—Advertisement.

DEMOCRATS IN FUND DRIVE FOR PRESIDENT RACE

\$1,500,000 Goal for 1932 White House Advance; Davis Optimistic.

By United Press

WASHINGTON, Oct. 14.—Democratic party leaders today began putting into effect their announced plans to raise a \$1,500,000 "victory fund" which will provide the sinews of war for the 1932 advance on the White House.

This is the first time Democrats have attempted advance preparations for financing a presidential campaign.

"The victory fund is about to be instituted at a time when the political position of the party almost is impregnable," said John W. Davis, general chairman of the fund committee and presidential candidate in 1924. "It's prospects of victory never were brighter."

"Justifying the party's optimism are the elections in and since 1930, decisive proof of the growing sentiment for administrative change, at once an endorsement and a indication of the success of our efforts for victory next year."

Announcement that the campaign would begin at an early date was made from Democratic national committee headquarters here by J. J. Shouse, chairman of the Democratic national executive committee. A committee of 538 members including practically every important leader in the party was named.

The list included practically all Democratic presidential candidates and important aspirants in recent years, except William G. McAdoo of California.

It is proposed to apportion the \$1,500,000 fund as follows: To wipe out the 1928 campaign deficit, \$400,000; to provide for national party headquarters since 1928, and up to the convention, \$600,000; a "flying star" fund for use in the 1932 campaign just after the convention, \$500,000.

John H. Raskob, chairman of the Democratic national committee, largely has financed national party headquarters since 1928 through his own funds and loans.

John H. Fahey of Boston, publisher of the Worcester (Mass.) Post and former president of the United States Chamber of Commerce, is executive chairman of the "victory fund committee."

Dry Goods Store Looted

Theft of a large amount of merchandise, value of which was not estimated, from the dry goods store of Harry Lorber, at 2756 Roosevelt avenue, was reported to police today. Burglars gained entrance by prying open the front door, police were told.

Fund Speaker

Dr. George E. Vincent

A group of approximately 100 Community Fund leaders will be addressed by Dr. George E. Vincent, former University of Minnesota, president, tonight at Foster hall on the J. K. Lilly estate.

Dr. Vincent, a member of President Hoover's emergency committee on unemployment, and a noted orator, served as president of the Rockefeller Foundation from 1917 until 1929.

The group will be guests of Lilly, chairman of the special gifts division of the Community Fund campaign to be conducted Oct. 23 to Nov. 2 with a goal of \$1,045,886.

Chicken Thieves Sentenced

MARION, Ind., Oct. 14.—Harry E. Arriek and Shirley Swope were each fined \$50 and sentenced to serve six months on the penal farm, when a superior court jury found them guilty of chicken stealing.

WISCONSIN PUTS LAWYER, 34, IN CONGRESS SEAT

Progressive Republican, Backed by La Follette, Wins Vacancy Election.

By United Press

RACINE, Wis., Oct. 14.—On the strength of almost complete returns in Wisconsin's First congressional district election to fill a vacancy, Republicans today considered themselves as holding at least temporary control in the national house of representatives.

With more than three-fourths of the votes tabulated unofficially, Thomas R. Amle, a Republican, of Elkhorn, held a commanding lead over two opponents for the congressional seat left vacant by the death of Henry Allen Cooper.

Amle, a 34-year-old attorney who had the endorsement of the La Follette Progressive Republican organization, held a lead of about six thousand votes. On this basis, it was figured his total vote would exceed 15,000, with probably not more than 8,000 going to Otis J. Bouma, Socialist, George Herzog, Democrat, was not conceded a chance.

The election here assumed unusual importance because eventually it might determine which political party will rule the next session of congress. Not counting Amle as yet elected, the count today for the nation stood: Republicans, 214; Democrats, 214; Farmer-Labor, 1, and vacancies, 6.

The election of Amle therefore gives the Republican party a theoretical majority of one, but this is not considered as meaning much, because there are five vacancies yet to be filled and there also is the possibility Amle will follow the La Follette custom in congress of voting more or less independently.

Even Co-eds Feel Depression

LAWRENCE, Kan., Oct. 14.—Sorority girls at the University of Kansas have announced they will cut their number of parties in half this winter because of the business depression.

GUARD SLAYER OF 4

Negro Rushed to Baltimore as Mob Demands Life.

By United Press

BALTIMORE, Oct. 14.—Orphan Jones, confessed slayer of a white family of four, was confined to the city jail here today, safe from the mobs who Tuesday threatened to lynch the aged Negro while he was being held temporarily at Berlin, near the scene of the crime, and later at Snow Hill, where he confessed to the slayings.

State troopers and deputy sheriffs arrived here from Snow Hill with Jones late Tuesday night. He will be held here pending grand jury action at Snow Hill.

Jones confessed to the murders after sixteen hours of questioning by Worcester county and Baltimore police. It first was believed his victims, Gren Davis, his wife and two daughters, were killed with an ax, but the confession said the man and his wife were murdered with a shotgun, and the children with a pistol. The Negro, who had been employed on Davis' farm, asserted he alone had killed the family.

False Teeth

Don't allow your false teeth to drop or slip when you eat, talk or laugh. Just sprinkle a little Kling on your plates. This new improved powder forms a comfort cushion—holds plates so snug, they feel and act like your own teeth. No more danger of rocking plates—eating will again be a joy. Leading dentists endorse Kling. Guaranteed better than anything you ever used or money back. Large package, 35c at all druggists.
