To Whom It May Concern:

We have bestowed upon the General Baking Company the exclusive right to make available to the American public through Bond Bread and other bread, that vital food element known as the "sunshine" vitamin, or vitamin "D".

We assume the responsibility continuously to analyze the product to insure and guarantee that all such loaves made shall supply said vital food element to the degree that our research has proved to be adequate and efficacious.

Since ours is a non-profit institution, our paramount interest is public service.

AN everyday food to supply the extra sunshine vitamin-D everyone must have! What a boon! For the children—who need every health-building, strengthening help they can get. For older people—to help them fight off illness, to lengthen the span of life!

Officially accepted by the

American Medical Association

For years scientists have wished there could be such a food. For years they have tried to find a way to give sunshine vitamin-D to the world through an inexpensive, tasty food of everyday use.

And now a way has been found. Through Bond Bread—wholesome, home-like Bond Bread—for nearly 15 years the favorite bread of American housewives.

### EVERY LOAF GUARANTEED TO GIVE YOU THE EXTRA SUNSHINE VITAMIN-D YOU NEED

And what do the scientists say? What do their tests prove? They find (and they say to you) that now Bond Bread does give all the extra sunshine vitamin-D you need. That one to two slices each meal will do it.

And they have set their seals of approval on Bond Bread to assure you, to guide you.

Your grocer has this more healthful Bond Bread. It is the same delicious home-like loaf whose rising is stopped at the Flavor-Peak. It is the only bread that gives you the extra sunshine vitamin-D you need. And the price (even with this priceless improvement) is just what you have been paying.
