

## 2 LOSE LIVES, 7 INJURED IN AUTO MISHAPS

**Aged Persons Are Killed;  
Stricken Down as They  
Cross Streets.**

Automobile accidents on street-covered streets Tuesday night claimed the lives of two aged persons and resulted in injuries to seven others.

The dead are Henry Segal, 80, of 705 South Meridian street, and Mrs. Mary Gellert, 71, of 835 Fletcher avenue.

Their deaths, after they were struck by automobiles as they crossed thoroughfares, raised Marion county's traffic fatality toll to 163 for the year, a record number of automobile deaths in the county's history.

Segal succumbed to skull fracture at city hospital several hours after he was hurled to the pavement at McCarty and Meridian streets by an automobile driven by Maurice Stein, 45, of 906 South Illinois street. Segal never gained consciousness after the accident.

In a statement to Coroner Fred W. Veiling, Stein said he did not see Segal crossing the street because of the rain and sleet which obscured his view.

Mrs. Gellert is said to have walked into the path of an auto driven by Armas Stokes, 20, of 950 West Ver-

mont street, at Stevens street and Virginia avenue.

Mrs. Gellert was killed instantly. Her identity was not known until several hours after her son, Paul Gellert, 1427 Corner avenue, reported to police his mother was missing.

After he is alleged to have crashed into a parked police car, Glenn Sawyer, 32, of 2819 Kenwood avenue, was arrested Tuesday night on a charge of failure to stop after accident. Patrolman Irvin Bailey said he pursued Sawyer from the scene of the accident, 1233 Oliver avenue, to 1000 West McCarty street.

Deputy sheriffs and police today were investigating the story of an accident on the National road west of Indianapolis told by Glenn Coffey, 19, of Newcastle, who was brought to city hospital Monday night, suffering from critical face and body lacerations.

He said a companion had been hurt seriously in the accident when

their car collided with another. Coffey said he was carrying his companion to a farmhouse when an automobile struck him.

Other persons injured in accidents: James Yarberry, 23, of 159 Blake street, leg fracture and head injuries; Mrs. Bertha Weiss, 38, of 2935 Rucklee street, face cuts and bruises; Mrs. Dora Paffley, 55, of 2416 Piersen street, back injuries; Ernest Poland, 48, of Brownsburg, leg bruises; Ores Mabbitt, 60, R. R. 2, Box 503, face cuts; Charles Brickert, 41, of 811 Denison street, left leg cuts, and Mrs. Myrtle Fallen, 27, of 1005 Belle View place, bruises and cuts.

## COUNTY TO CUT ALL EXPENSES

**Council Issues Order for  
Rigid Economy.**

Purse strings of the county were tightened Tuesday for 1932 when councilmen ordered heads of administrative offices, courts and institutions not to exceed budget appropriations in the next twelve months.

Orders of rigid economy will be sent out by County Auditor Harry Dunn. They will direct officials to "watch the budget allowances and don't exceed them in 1932."

of \$22,000 to pay the debts of administering relief to county poor. Majority of this fund will pay bills of the needy which have piled up in the office of the Center township trustee. The remainder will be divided in other townships.

The council also approved a \$600 fund for John W. Corydon, circuit court bailiff, to raise his pay to \$2,400 annually, set several years ago by Judge Harry O. Chamberlain. The additional money was granted after a council cut had been ruled against by the court and a court order issued for the payment.

## Mothers, Mix This At Home for a Bad Cough

You'll be pleasantly surprised when you make up this simple home mixture and try it for a distressing cough due to a cold. It takes but a moment to mix, costs little, and saves money, but it can be depended upon to give quick and lasting relief.

Get 2½ ounces of Pinex from any drugstore. Pour this into a bottle, then fill it with plain granulated sugar syrup or strained honey. The full pint thus made costs no more than a small bottle of ready-made medicine, yet it is much more effective. It is pure, keeps perfectly and children love its pleasant taste.

This simple remedy has a remarkable three-fold action. It goes right to the seat of trouble, loosens the germs-laden phlegm, and soothes away the inflammation. Part of the medicine is absorbed into the blood, where it acts directly upon the bronchial tubes and thus helps inwardly to throw off the whole trouble with surprising ease.

Pinex is a highly concentrated compound of Norway Pine, containing the active agent of creosote, in a refined, palatable form, and known as one of the greatest medicinal agents for severe coughs and bronchial irritations.

Do not accept a substitute for Pinex. It is guaranteed to give prompt relief or money refunded.
