

DRIVER SLEEPS AT WHEEL; CAR CRASHES POST

Two Women, Three Men Hurt in Mishaps Tuesday.

Falling asleep at the wheel of his auto, Omer L. Williams, 53, of 858 Berwin avenue, was injured seriously early today when his car smashed into a safety zone marker at Alabama and Washington streets. Williams was taken to city hospital suffering from a broken nose, chest injuries and lacerations.

Two women were hurt, Tuesday night, when their car was in a collision at Thirteenth street and Cornell avenue.

Mrs. Gladys Buck, 32, of 124 North State avenue, and Mrs. Bernice Bird, 30, of Greensburg were taken to Methodist hospital for treatment of body and face cuts.

They were riding with John Langer, 35, of the State avenue address, whose car collided with one operated by Howard Caulfield, 24, of 1475 Roosevelt avenue.

Struck by an automobile at Alabama street and Massachusetts avenue, William G. Lynn, 52, of 324 Spring street, incurred a fractured leg Tuesday night. Raymond Hollenbeck, 34, of 839 North Keystone avenue, driver of the car, was not held.

David Moriarity, 58, bailiff in municipal court four, is recovering today from injuries sustained Tuesday night when he was struck by an auto at Washington and Alabama streets. Moriarity was treated at city hospital for head lacerations. The auto was operated by W. F. Seyfried, 33, of 1330 North Bosart avenue.

Best Remedy for Cough Is Easily Mixed at Home

You'll never know how quickly a stubborn cough due to a cold can be conquered, until you try this famous recipe. It is used in millions of homes, because it gives more prompt, positive relief than anything else. It's no trouble at all to mix and costs but a trifle.

Into a pint bottle, pour 2 1/2 ounces of Pinex; then add plain granulated sugar syrup or strained honey to make a full pint. This saves two-thirds of the money usually spent for cough medicine, and gives you a purer, better remedy. It never spoils, and tastes good—children like it.

You can actually feel its penetrating, soothing action on the inflamed throat membranes. It is also absorbed into the blood, where it acts directly on the bronchial tubes. At the same time, it promptly loosens the germ-laden phlegm. This three-fold action explains why it brings such quick relief even in those severe coughs which follow cold epidemics.

Pinex is a highly concentrated compound of Norway Pine, containing the active agent of creosote, in a refined, palatable form, and known as one of the greatest medicinal agents for severe coughs and bronchial irritations.

Do not accept a substitute for Pinex. It is guaranteed to give prompt relief or money refunded.

BELIEVE IT OR NOT

On request, sent with stamped, addressed envelope, Mr. Ripley will furnish proof of anything depicted by him.

BY RIPLEY

Registered U. S. Patent Office

Following is the explanation of Ripley's "Believe It Or Not" which appeared in Tuesday's Times:

The Heat of a Lump of Coal—About 100,000,000 degrees of heat would be required to burn coals so completely that neither smoke, ashes nor cinders remained. This temperature, the magnitude of which makes our senses reel, has hitherto been connected with astronomical hypotheses only, involving the theory of collisions between two of the brightest fixed stars.
