

PICK GROUP TO DRAFT PLAN OF TAX REVISION

Personnel Awaits Approval of Lieutenant-Governor, Speaker of House.

Two sealed envelopes containing the names recommended for membership on a committee to plan a tax equalization program for a special session of the general assembly were on the desk in the office of Speaker Walter Myers today awaiting the arrival of Lieutenant Governor Edgar D. Bush.

Bush was expected from his farm at Salem this afternoon.

The tentative committee was selected by William H. Settle, president of the Indiana Farm Bureau and John R. Kingham, Indianapolis meat packer, who were named as conferees by the legislative leaders. Upon confirmation of the committee personnel, the members will be notified, and a date will be set for the first tax program conference.

Appointment of a tax program committee was in answer to Governor Harry G. Leslie's insistence that he will not call a special session of the legislature unless a definite tax revision program is formulated and agreed upon in advance by Republicans and Democrats.

DANIELS IS INJURED

Former Secretary of Navy Suffers Minor Hurts in Auto Crash.

ATLANTA, Ga., Jan. 14.—Joseph Daniels, former secretary of the navy, was recovering today from slight injuries received in an automobile accident near here on Wednesday night.

Daniels spent the night at St. Joseph's infirmary, suffering from minor cuts and bruises and shock. Dr. Leroy Childs said he should be able to proceed today to his home in Raleigh, N. C., where he is publisher of the News and Observer.

PAY NO LIGHT BILLS

Colorado Municipal Utility Shows Profit; Users Get Month Free.

By United Press

FT. MORGAN, Colo., Jan. 14.—Power and light users of Ft. Morgan were \$100 richer today.

The municipally owned power plant showed a profit for 1931, and the mayor and aldermen of the city voted to dispense with collection of January bills.

A suggestion that salaries of city employees be reduced promptly was tabled by the city officials, who said they saw no need for such action.

Gone, but Not Forgotten

Automobiles reported to police as stolen

George Monfort, 1426 North Hamilton avenue, Chevrolet coupe, 745-711 (1931), from Tremont and Kinnane avenue.

Carl Robertson, 1026 South Peoria avenue, De Soto coupe, 75-668 (1931), 1026 Peoria and Kinnane.

Ell Lutz, 1003 East Thirteenth street, Chevrolet coach, 759-871, from 1003 East Thirteenth street.

Harry Estelle, 2160 North Capitol avenue, Harry Estelle, 145-463 (1931), from North and West streets.

Chester Pierson, 4815 East Raymond street, Ford sedan, 743-869 (1931), from Woodlawn and Virginia avenues.

BACK HOME AGAIN

Stolen automobiles recovered by police belong to:

Charles Wiggins, 2246 Indianapolis avenue, Indianapolis coupe, found at 700 North E. 10th street, Indianapolis.

John E. Messick, 3525 Washington boulevard, Indianapolis, 75-668 (1931), 1026 Peoria and Kinnane.

Edward De Biase, 40 West Georgia street, Ford coach, found at Twenty-fifth and Riley avenue.

Rearrested on Liquor Charge

Released recently after serving a six months' term for violation of liquor laws, Joseph (Dusty) Sawyer, 248 East Walnut street, faces trial again today on a charge of blind tiger after police raided his home Wednesday night and confiscated a small quantity of liquor.

Prowling Is Investigated

Police today held Leon Beldon, 26, of 1687 South Emerson avenue, on a vagrancy charge pending investigation of reports that the car he was driving Wednesday night had been used by a prowler on the east side. His bond was set at \$1,000.

To Relieve Catarrrh And Head Noises

Persons suffering from catarrhal deafness or head noises due to catarrh will be glad to know that this distressing affliction can usually be successfully treated at home by an internal medicine that in many instances has effected complete relief after other treatments have failed.

Persons who could scarcely hear have had their hearing restored to such an extent that the tick of a watch was easily audible from eight inches away from either ear. Therefore if you know of someone who is troubled with catarrhal deafness or head noises due to catarrh, cut out this paragraph and hand it to them, and you may have been the means of saving some poor sufferer, perhaps from total deafness. The medicine can be prepared at home and is made as follows:

Take one oz. of your drugstore's Parment (Double Strength). Take this home, and add to it ½ pint of hot water and a little sugar, stir until dissolved. Take one tablespoonful four times a day.

Parment is used in this way not only to reduce by toxic action the inflammation of the mucous tubes, the Eustachian Tubes, and thus to equalize the air pressure on the drum, but to correct any excess of secretion in the middle ear, and the results, given nearly always quick and effective.

Every person who has catarrh should give this prescription a trial.—Advertiser.

BELIEVE IT OR NOT

On request, sent with stamped, addressed envelope, Mr. Ripley will furnish proof of anything depicted by him.

BY
REGISTERED U. S.
PATENT OFFICE
RIPLEY

THE OCTOPUS TREE ON THE REDWOOD HIGHWAY, CALIFORNIA

Following is the explanation of Ripley's "Believe It or Not" which appeared in Wednesday's Times:

Veteran of Six American Wars—Thomas Ludlow Livingston, said to be a member of a prominent

New York family, enlisted in the United States navy under the name of Matt Green in 1845, when he was 21 years old. He was honorably discharged in 1903 after fifty-eight years of service.

DEATH DEFEATS RESCUE EFFORT

Youth, Entombed by Slide, Lifeless When Reached.

By United Press

SHAMOKIN, Pa., Jan. 14.—Rescuers digging frantically in relays failed to save the life of Edward Topolski, 22, entombed under fifteen tons of slate by a slide in an abandoned colliery Tuesday.

The youth's body was reached late Wednesday night after his death had been uncovered twice during the day, with Topolski still alive.

Additional slides buried him before he could be taken out. Death apparently was due to suffocation and injuries, as the body was pinned between two rocks.

Ben Topolski, a cousin of the vic-

Scentsless

By United Press

UTICA, N. Y., Jan. 14.—Women want hose to please the eye and not the nose, College students learned today. Students asked the housewives if they preferred samples of perfumed hose to those they wore. The housewives sniffed the hose, wrinkled their noses, and almost unanimously voted against the innovation.

At the age of 107, Livingston is the oldest man to wear a navy uniform. He is also the unique distinction of being a veteran of six American wars: 1, the war with Mexico, 1847; 2, the Canton expedition, 1856; 3, the Civil war, 1861; 4, the Spanish-American war, 1898; 5, the Philippine insurrection, 1899; 6, the Boxer rebellion, 1900.

Until recently he was conspicuous at American Legion meetings, marching lustily in patriotic parades.

Friday—The Clock That Struck 510 Times in Twelve Hours.

Eruptions on Little Boy Burned Badly. Healed by Cuticura.

"My little son had a breaking out on his arm and face. It started with little red pimples, then blisters, and when it broke wet, sores eruptions formed. They itched so much that the little fellow scratched until they would bleed. His clothing bothered the breaking out on his arm, and he used to cry at night because the eruptions burned so badly. "I sent for free samples of Cuticura Soap and Ointment. I purchased more, and after using one cake of Soap and one box of Ointment he was healed." (Signed) Mrs. Effie Moody, Rt. 1, Bainbridge, Ind.

Soap 25c. Ointment 25 and 50c. Talcum 25c. Sold everywhere. Sample each free. Address: "Cuticura Laboratories, Dept. H, Malden, Mass."

BRITON BRINGS 'GONDOLA CAR' TO AUTO SHOW

Smooth Riding at 80-Mile Clip Is Claimed for Freak Model.

NEW YORK, Jan. 14.—Sir Deniston Burney, in charge of the dirigible R-101 during its construction, has arrived from England with a new automobile model of his own design that has auto show attendees talking.

Only four of the cars have been manufactured. The first was bought by the prince of Wales, and it travels eighty miles an hour so smoothly one may write, pour out drinks (in England), or play a talking machine while riding in it.

His model will turn a corner ten miles faster than the average car, he says.

Like Airship Gondola

It has 28-horse power and can be stopped in a very short space. It resembles an airship gondola. Its shape reduces air resistance to half that of the present-day car, he says.

The engine is concealed in the rear part of the car which has a semi-circular roof with seats inside for six persons, and armchairs for two more.

He will not exhibit the model at the automobile show, but will find space for it in a Broadway showroom, he said, and will start manufacture in England shortly.

Meanwhile, attendance at the show is averaging 50 per cent more than last year, with more sales reported.

After Foreign Sales

Most manufacturers are turning toward an effort to increase foreign sales, with increases practically assured in the domestic market.

Reciprocal tariff revision is suggested by most of them to restore employment to American workmen and bring back domestic prosperity.

They argue that reciprocal tariffs would provide people abroad with means to pay for American goods and the products of American labor.

McCabe Funeral Today

By Times Special

CRAWFORDSVILLE, Ind., Jan. 14.—Mrs. Charles McCabe, 72, wife

of a Crawfordsville attorney, is dead after a short illness. Funeral services will be held Friday. She leaves her husband and four daughters.

Bank Pays Dividend

By Times Special

FRANKLIN, Ind., Jan. 14.—Stockholders of the Farmers Trust Company have voted a 10 per cent dividend, the same as paid annually for the last fifteen years.

THEY TELL ME

BY BEN STERN

ALTHOUGH Coroner Fred W. Vehling refuses to resign, even though indicted and awaiting impeachment hearing, Democratic leaders and county commissioners are going ahead with consideration of a successor.

The leaders have suggested, quite emphatically, to Commissioners Dow Vorhies and Tom Ellis, the man who ran second in the 1930 primary should be the choice.

The second runner is Dr. William E. Arbuckle, who received 4,326 votes, against 4,920 for Vehling.

In event that there can be no agreement, then the third man, Dr. E. M. Amos, who received 4,002 votes, should get the call, they say.

They insist, however, above all things that the man to replace Vehling must be a physician.

"No more undertakers" is the dictates of both County Chairman E. Nathan Swalm and City Chairman Kirk McKinney.

They insist, however, above all things that the man to replace Vehling must be a physician.
