

YOUNG PEOPLE TO RUN CHURCH FOR ONE WEEK

William McKamey Will Be 'Pastor' at Sutherland Presbyterian.

William McKamey, son of Mr. and Mrs. George McKamey, 2937 Cornell avenue, a Shortridge high school senior, will be commissioned to serve as "pastor" during Young People's week at the Sutherland Presbyterian church, according to an announcement of the Rev. Florizel A. Pfeifer.

Those who will assist in carrying on the business and services of the church are: Elders, Margaret Kendall, James Bond, Charles Sanders and John Farley; deacons, Jack Kent, Maurice Bicknell, Marilyn Brokaw, Richard George, Wilma Kopp, Margaret Peters, Helen Widopp; trustees, Richard Clay, Richard Riddle, Evelyn Kent, Jeanette Clegg, Max Hubbard, Mary Jane Adams, Katherine Zeigler; council of religious education, Charles Haas, Sue Tezmann, Dotty Lackey, Mildred Moore, Sidney Smith, Edward Fraker, Carl Karwiek and Margaret Hartfield.

The Rev. Pfeifer will discuss "The Church of Tomorrow," after which these young people will take over the church for the week of Jan. 31 to Feb. 7.

They will meet as boards and two major problems will be dealt with by the young people's boards—the every member financial canvas of the church and the Easter evangelistic program.

At the popular Sunday evening services the Young People will present a pageant entitled "The Stainless Ring." On Feb. 7 William McKamey will preach the sermon and turn back the keys of the church.

This is the third year that this custom has been observed at the Sutherland church. Edward Green served as "pastor" in 1930 and Riley Pfeifer in 1931. Both are now members of regular official boards of the church.

CHRISTIAN SCIENCE THEME ANNOUNCED

"Love" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, Sunday.

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him. For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world" (1 John 2:15-16).

The Lesson-Sermon also includes the following passages from the Christian Science textbook, "Science and Health With Key to the Scriptures," by Mary Baker Eddy: "Love enriches the nature, enlarging, purifying and elevating it. The white blossoms of earth may uproot the flowers of affection, and scatter them to the winds; but this severance of fleshly ties serves to unite thought more closely to God, for Love supports the struggling heart until it ceases to sigh over the world and begins to unfold its wings for heaven."
