

### VETERAN MAIL PILOT DIES OF CRASH INJURIES

Francis Rust, Flier Since 1914, Hurt Fatally in Michigan Wreck.

CLEVELAND, Feb. 4.—Francis H. Rust, 34, reserve air mail pilot who was found in the wreckage of his plane Tuesday, sixteen hours after he crashed on the Kalamazoo-Chicago run, died in a Kalamazoo hospital early today, Trans-American air line officials announced here. Death resulted from exposure and loss of blood.

Rust, who did his first flying as a stripping of 17 in 1914, had accumulated more than five thousand hours in the air.

He completed the army school of military aeronautics course at the University of Texas in 1918. The same year he entered the army air service, and was stationed at Ellington field, Texas. He left the army in 1919 and embarked upon a barnstorming career.

He headed the Rocky mountain flying circus, at Grand Junction, Colo., and in 1925 became associated with Charles A. Lindbergh in the Mile High flying circus at Denver.

In 1926 he took the air mail contract between Cheyenne, Wyo., and Pueblo, Colo. The next year he flew for the Michigan Air Transportation Company. He joined the Universal Aviation Corporation the following year, remaining two years. He transferred to the Thompson Aeronautic Company, now the Trans-American Air Lines in 1930.

### 'And Right There Is Where—'

Locating China as something else besides tableware is the sport as well as the study during library periods at Indiana Central college.

In fact, the college's co-eds, in common with many other citizens, have located Shanghai and Manchuria, and in the above photo, two co-eds are shown putting the

"finger" on the warring sections of the Orient. The co-eds are left to right, Miss Lucille Hardin, Mauckport, Ind., and Miss Martha Greulich, 1045 Tecumseh street.

CHIP OFF THE OLD BLOCK  
Cash in on Poppa's famous name! Not Douglas Fairbanks, Jr.! For months he labored as a five-dollar-a-day "extra." Then he crashed into a part like a brick through a plate-glass window. Doug boxes like a pro, and we don't mean a palooka... he has muscles like a wrestler. When undressing, he hangs his clothes on the chandelier. The box offices like his latest FIRST NATIONAL PICTURE, "UNION DEPOT." Doug has stuck to LUCKIES four years, but didn't stick the makers of LUCKIES anything for his kind words. "You're a brick, Doug."
