

TRUCE ENDED; VETO WAR WITH HOOVER LOOMS

Congress Democrats Ready to Pass Program Fought by Republicans.

By United Press
WASHINGTON, March 1.—Prospects of an early veto war between President Hoover and Congress increased today as Democrats tossed harmony to the winds and set out upon a legislative program strongly objectionable to the administration.

Marked for early passage through the senate were the following bills:

The Democratic tariff, proposing to reorganize the tariff commission on lines opposed by the President.

The \$750,000,000 Wagner bill for direct federal aid through road-building and loans to the states.

The Hale bill authorized about \$988,000,000 for building the navy up to London treaty strength.

The Republican steering committee of the senate already has placed the Democratic tariff and Hale bills in positions of priority on the senate calendar.

The Republicans left out the Wagner bill, but Democrats and Independent Republicans are planning to sandwich its consideration in between the two other measures within the next week or ten days.

Mr. Hoover has not indicated publicly what he will do with the three measures.

Generally, congressmen expect him to veto them, for they are all known to be vigorously opposed by him.

These plans follow the formal notice of the end of the political truce served in the senate yesterday by Senator Thomas Connally (Dem., Tex.). There appears to be a general feeling among Democrats that they have co-opted too long with the White House.

The whole Hoover economic relief program has now been passed, with the exception of one bill. That is the measure authorizing creation of a national system of home loan mortgage banks. The bill has been tied up in committee for weeks and its passage is doubtful.

ASK CITY WOMEN'S AID IN JAPANESE BOYCOTT

Chinese Issue Appeal to Clubs, Y. W. C. A. and W. C. T. U.

Members of Indianapolis women's organizations, committed to world peace programs, were undecided today on what course will be taken in connection with an appeal issued at Shanghai Monday by Chinese women, asking a boycott of Japanese goods.

Mrs. Paul E. Tombaugh, 6181 Carrollton avenue, president of the local chapter of the American Association of University Women, said she had no plans under consideration regarding the Chinese appeal, which was addressed to the association, the Y. W. C. A. and the W. C. T. U.

Department store managers stated some Japanese goods, chiefly silks, are in their stocks. Managers of New York stores expressed the opinion Monday that an effort to prevent buying of Japanese goods would have little effect.

METHODISTS TO DROP FIFTY WESLEY HYMNS

Old Songs to Be Discarded, Announcement, By United Press

NEW YORK, March 1.—Fifty hymns by John and Charles Wesley, founders of methodism, are slated for the discard, according to an announcement by the hymnal revision committee of the Methodist Episcopal church.

Many of the hymns will be omitted because of their "bloody content," Dr. John W. Langdale, chairman of the committee, said. He referred to the following verse from "The Gospel," by Isaac Watts as an example:

"To the best fountain of Thy blood,
Mournful I fly;
Here let me wash my guilty soul
From crimes of deepest dye."

PLAN COLONIAL PARTY AT 1932 MODEL HOME

Children of Builders, Exhibitors to Be Guests Saturday.

A colonial party will be held Saturday afternoon at the 1932 model home, 5240 Cornelius avenue, for children of home builders, exhibitors and donors of materials used in the house.

Hostess will be Miss Virginia Elise Miles, daughter of J. Harry Miles, Indianapolis Home Builders' Association president. She will be assisted by Misses Ann Lucille Cantwell, Martha Jo Cantwell and Louise Mason. The program will be directed by Mrs. Marion Millholland.

The model home is the forerunner of the 1932 realtors' home complete exposition to be held at the fairgrounds April 2 to 10.

ZONING RULING DELAYED

Board Holds Up Action on Plea for North Side Gas Station.

Opposition to petition of Edgar L. Frybarger for permission to erect a filling station at the southwest corner of Thirty-eighth street and Central avenue resulted Monday in the zoning appeals board delaying its decision until the next meeting.

Objectors, owning adjoining property, testified Frybarger sold them property with the provision that the corner would not be used for business before 1935.

NATIONALISTS TO MEET

Party Parley Called to Select City for Convention.

Committee to select the convention city of the National party will be appointed at a meeting Tuesday night in the Grand hotel, Mabel LaRue, national secretary, announced today. Public meeting will be held following the session.

Oxford Bank Given Charter

Charter has been granted by the state for the Union State bank at Oxford, Ind. The new institution was created through consolidation of the State bank of Oxford and the bank of Oxford, J. B. Vandegripe is president.

Careful There, Miss!

The Borgias of olden times may have been experts in their line, but they never had the tutelage of the co-eds at Indiana Central college get in their chemistry laboratory on poisons.

Sure, the photo looks like X might mark another spot but instead it's only Miss Mary Guthrie of Rockfield holding a bottle of potassium cyanide in the college "lab."

It's a "harmless" bottle of fluid—just one drop on the tip of the tongue, and the daisies would begin to bloom.

CIVIL WAR SOLDIER WILL BE HONORED

Martin V. McGilliard Will Receive Friends on 90th Birthday Thursday.

Martin V. McGilliard, who at 20 organized a company for service in the Civil war, will celebrate his ninetieth birthday anniversary Thursday at his home, 1630 North Delaware street. His only child, Mrs. Edna M. McGilliard, will hold open house from 3 to 8 in honor of her father.

Although active in business affairs, particularly the insurance field, McGilliard for more than half a century gave much of his time to religious and social welfare work as a result of a vow made after escaping death while he was a soldier.

Stricken with typhoid fever, McGilliard lay in an army hospital. Three doctors said he would not recover. Finally a turn for the better came and the soldier pledged himself, "If the Lord spares my life I always will be faithful and active in His service."

He assisted in establishing four Presbyterian churches in Indianapolis, the Tabernacle, Memorial, Westminster and West Washington street churches. He was the founder of the city's first Boys' Club and considers it his outstanding achievement in the field of social welfare.

McGilliard recalls he was prompted from the club after he saw a group of newsboys, boot-blacks and messengers engaged in a street fight.

He was one of the founders of the Knights of Pythias lodge and a leader in reorganization of the Indiana Fire Insurance Company. He was among promoters of the Meridian Heights realty venture and also aided in establishing Turkey Run park, which later became a state recreation center.

McGilliard was born in Cincinnati March 3, 1842. He and Miss Elizabeth Lloyd were married in Terre Haute after his war service. "Whatever I have achieved in life I owe to my wife," he declares.

RED PROPAGANDA HIT

Influence Among Negro Jobless to Be Fought by Legion Head.

Ralph B. Gregg, commander of Memorial post No. 3, American Legion, was speaking this afternoon at 2, at the second of a series of conferences to combat Communistic influences in the ranks of jobless Negroes.

The meeting was to be held at Welfare hall, 318 Indiana avenue, under auspices of the National Order of Industrial Safety and Welfare.

BEWARE THE COUGH OR COLD THAT HANGS ON

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take.

Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth. Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold, no matter how long standing, is not relieved after taking according to directions. Ask your druggist. (adv.)

A. H. GODDARD QUITS AS HEAD OF Y. M. C. A.

Resignation Is Effective on June 1; Served in Post for 28 Years.

A. H. Goddard, general secretary of the Central Indianapolis Y. M. C. A. for twenty-eight years, has resigned, effective June 1, it was announced today.

Directors of the organization were to meet at noon today at the Athletic Club to accept Goddard's withdrawal.

Goddard left Indianapolis Saturday for a two-weeks' rest in Florida. He gave his resignation to Edgar H. Evans, president of the local Y. M. C. A., before leaving.

No successor to Goddard has been named, according to Evans.

Goddard became general secretary Sept. 1, 1904. At that time approximately 600 boys and young men belonged to the "Y."

Last year the membership totaled 22,421 in the main branch and 3,155 in the Negro branch.

Goddard's plans for the future have not been announced. Under the rules of the Y. M. C. A. he is entitled to retire on a pension. It is expected, however, that he will enter some part of the organization's work.

Kahn to Outfit Police Committee of the police department announced Monday the Kahn Tailoring Company's bid for providing uniforms for officers had been accepted. The bid was \$27.50 per uniform.

Sensible Way to Lost Fat

Start taking Kruschen Salts today—that's the common-sense, safe, harmless way to reduce.

This is what they do—they clean out the impurities in your blood by keeping the bowels, kidneys and liver in splendid working shape and fill you with a vigor and tireless energy you'd most forgotten had existed.

As a result, instead of planning yourself in an easy chair every free moment and letting fatty fat accumulate you feel an urge for activity that keeps you moving around doing the things you've always wanted to do and needed to do to keep you in good condition.

Be careful of the foods you eat—go light on fatty meats and pastry—then watch the pounds slide off. Take one half teaspoonful in a glass of hot water to-morrow morning and every morning and if they don't change your whole idea about reducing, go back and get the small price you paid for them. Get a bottle of Kruschen Salts—lasts 4 weeks—at *Foot's Dependable Drug Stores* or any progressive druggist anywhere in the world—the cost is little—the benefits great—but be sure and get Kruschen for your health's sake—it's the SAFE, harmless way to reduce.—Advertisement.

LIVER BAD ...

"G M D" Was the Tonic Beyond Expectations

ALBERT E. GOSLIN

"After reading a good many testimonials from different people who have been benefited by using Dr. Pierce's Golden Medical Discovery, I also can say that I used it with benefit," said Albert E. Goslin, of 1623 So. I St., Elwood, Ind. "My liver was in bad shape, I tried a good many tonics before being advised to take the 'Golden Medical Discovery' and I am glad to say that I am surprised at the results. It has helped me beyond my expectations." Most heartily recommend it to others as I am absolutely certain it will do for them what it has done for me." Druggists sell Dr. Pierce's Discovery.—Advertisement.

Trips 'on Tick'

By United Press

NEW YORK, March 1.—Travelers may go to Europe—or around the world—and pay the bill on the installment plan—as little as \$34 down and \$10 a month, for the European trip.

The Cunard Steamship Company today offered to take passengers on any of its regular trips or special cruises for a 25 per cent down payment, the balance to be paid monthly after the cruise is completed.

"The plan is designed primarily for the use of school teachers, educators in general, professional people and others whose usefulness and ability will be enhanced by foreign travel," H. P. Borer, Cunard line general passenger agent, said. "The plan will apply to all of our cruises."

INSULL WANTS TO BUY THREE TRACTION LINES

Martinsville, Crawfordsville and Northwestern Properties Sought.

Permission to purchase real estate and equipment of the abandoned Martinsville, Crawfordsville and Northwestern interurban lines is sought in three petitions filed with the public service commission by the Public Service Company of Indiana, Insull controlled.

Service was abandoned on the line in the fall of 1931 by the receiver, Elmer W. Stout, on a Marion superior court order. B. F. Shearon of Hammond, acting for some holders of mortgage securities, bought the property Jan. 12 and the sale was confirmed by court order Jan. 18.

The properties are to be dismantled. The Public Service Company's petitions state it desires to buy portions of the property which can be used in operation of other interurban railway service.
