

## He's Satisfied

By United Press  
TERRE HAUTE, Ind., March 3.—Larry Lotz, local bowler, is well satisfied with his scores this season.

Lotz has two perfect 300 scores to his record. In addition, he bowled three games in which he tallied 299 and one game in which his score was 298.

## Irish Cagers, Thinlies Busy

By Times Special  
NOTRE DAME, Ind., March 3—George Keegan's great Notre Dame net team will travel to Milwaukee, Friday for a return game with the Marquette five. The Marquette indoor tracksters will come here Saturday for an engagement with John Nicholson's thinlies.

Keegan's five has a season record of fourteen games won and two lost this season. The game will close the Irish traveling schedule. Notre Dame easily triumphed in the first tilt with the Hilltoppers.

## South Grove Golfers Meet

Slow motion pictures of several prominent national golfers and South Grove stars, including the club ace, Dave Mitchell, will be the feature attraction at the first meeting of the season for the club members Friday night at South Grove clubhouse.

The meeting will be in charge of the new officers, Herman Olsen, president; Ed Anderson, vice-president, and Robert O'Haver, secretary and treasurer.

## Camp Notes

By United Press  
ST. PETERSBURG, Fla.—Manager Joe McCarthy of the New York Yankees is expected to make more experiments with his expansive new field combination. McCarthy is using Crossett at short stop and Saltzgaver at second, Joey Sewell and Doc Farrell are being alternated at third, Allen, Gomez, Andrews, Pipgras, Aube and Meadows have shared the pitching.

AVALON, N.J.—Two young pitchers of the Boston Braves seem destined to develop into regulars on the Chicago Cub Wednesday when he kept the team from being beaten in the hope of strengthening the pitching department while Oscar Eckhardt, also an outfielder, has been moved in to third base.

FT. MEYERS, Fla.—Manager Bill McKeehan of the Boston Braves seems to have given up on his latest move has been to put Randy Moore, the right-handed pitcher, in the hope of strengthening the pitching department while Oscar Eckhardt, also an outfielder, has been moved in to third base.

FT. MEYERS, Fla.—Regulars of last season were put in the field Wednesday and attempted to retire a side composed of secondary men of the Pittsburgh Pirate crew. It was the nearest thing to a practice game the Pirates have held this spring.

The practice game, scheduled for today was called off because Pie Traynor, captain and third baseman, was called to Los Angeles where his wife recently underwent an operation.

LOS ANGELES—New York Giants regulars and substitutes played real ball Wednesday in a seven-inning practice affair that ended in a deadlock, 1 to 1. Mooney and Sennett, regulars for the regulars and Hubbell and Tanner for the subs.

Lindstrom was sent to center field instead of the regular post at second, and Critz played second, looking good on the job. Koenecoe, who was ill with a fever Tuesday, was at left field. Manager John McGraw announced today that Hal Schumaker would take the mound against the Chicago Cubs in one of the practice games this week-end.

CLEARWATER, Fla.—Hack Wilson, former home run king, later a Chicago Cubs catcher, and now a member of the Brooklyn Dodgers, began his 1932 training Wednesday and doesn't have a bit of fun. There were the photographers who snapped him at every step, for one thing. There were the pitchers who already have found their eyes, for another. And the fans, who don't care over-the-fence homers. Most of his long shots went into foul territory. Wilson reported at 213 hours, thirteen points over his proper playing weight.

Ernest Lombardi, large catcher, also reported, and worked out after signing his contract. O'Doul, Fredericks and Herman are now the only unsigned Dodgers.

SAN ANTONIO, Tex.—The Chicago White Sox were expected to resume workouts after the following a week's activity at Mineral Wells.

NEW ORLEANS, La.—Early Averill, Cleveland Indians' leading slugger, his several balls over the distant right-field wall Wednesday.

TAMPA, Fla., March 3.—Taylor Douthit arrived today, and except for the five players who have not signed their contracts, the Cincinnati Reds' camp personnel was complete.

Tony Cuccinello, second baseman, is the most determined of the holdouts. Cuccinello today telephoned from his home in New York to Sidney Well, president of the club, offering to split the difference between salary demand and offer. Well said there would be no compromise.

FT. MYERS, Fla.—Sam Beeler, and Ed Coleman, fielders, and Joe Boardman, outfielder, all of whom were stars in the minor leagues last year, were said today by Connie Mack to be three of the most promising recruits the Athletics have taken south with them in several seasons. The three men have been steady, but in good performances at daily workouts.

SAVANNAH, Ga.—Daily sessions for the Boston Red Sox will continue until next week when the remainder of the squad will appear for formal team practice.

BRADENTON, Fla.—Manager Gabby Street of the world-champion St. Louis Cardinals has announced that he will use recruit pitchers when the Cards open the season in the South. He will sign Saturday, Sunday and Monday. Pepper Martin, star of the world team, appears not to have lost his bat.
