

TECH YOUTH IS WINNER OF TRIP TO WASHINGTON

Wilbur Metz Captures Top
Prize in Times Model
House Contest.

A trip to Washington, D. C., during summer school vacation, today awaited Wilbur Metz, 16, 359 South Ritter avenue, Technical high school sophomore, winner of The Times miniature model house contest.

The colonial type miniature house entered in the contest by Metz was chosen by contest judges at the manufacturers' building, state fair-ground, late Monday. The model houses are on display at the realtors home complete exposition.

Metz' entry was described by judges as having unity, symmetry and good proportions, and expressing more than any styles of American domestic architecture.

Judges were Merritt Harrison, architect; Mrs. Mary A. Hurt, club woman; and Louis J. Bornstein, Chamber of Commerce president.

A youth from Central high school of Muncie, Eugene Jones, won second prize, \$25 cash, with John King, 1120 Pleasant street, Manual Training high school, placing third, \$20.

STOMACH UPSET

Get at the real cause. That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards Olive Tablets help arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, people rarely suffer from indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Try Olive Tablets, the substitute for calomel.

Dr. Edwards Olive Tablets are a purely vegetable compound. Know them by their olive color. They do the work without griping, cramps or pain. All druggists, 15c. box and 60c. bottle. Take one or two at bedtime for quick relief. Eat what you like.—Advertisement.

BOOK 138 CONVENTIONS

Chamber of Commerce Off to Good Start for 1932.

Convention bureau of the Indianapolis Chamber of Commerce announces that so far in 1932 it has booked 138 conventions to be held in the city this year, attendance at which is estimated at 71,345 persons.

During the first three months of this year, eighty conventions attended by 17,459 persons were held here, according to the report.

KEY PRIMARIES HOLD INTEREST OF POLITICIANS

Convention Delegates Being
Chosen Today in New
York, Michigan.

By United Press

WASHINGTON, April 5.—Two unique primaries today ushered in the active stage of the great American game of selecting a President. In the largest state, New York, and in the most independent state, Wisconsin, both parties are selecting convention delegates.

These are the first of the big April primaries which pretty well will decide how the presidential nominations are to go—Illinois, Pennsylvania and Massachusetts coming later in the month.

New York—the great prize in both parties will select its district delegates today, ninety in each case. Later at state conventions, the Republicans will select seven additional delegates at large and the Democrats four.

New York does not provide for pledging its delegates, but the Republicans will be all for renomination of President Herbert Hoover. The Democrats are doubtful.

Managers of Governor Franklin D. Roosevelt claim more than half of the delegates personally will be friendly.

John F. Curry, chief of Tammany Hall, declared here last week that he and his allies would control the delegation, and would prevent it from pledging itself until the convention meets in Chicago. In any case, it is expected to vote as a unit.

Governor Roosevelt and his New York rival, former Governor Smith, are expected to be named delegates-at-large later.

In Wisconsin, both parties are having contests. The Democratic

test again is between Roosevelt and Smith. The state chairman is backing a Roosevelt slate. The national committeeman is backing an unpledged slate which is understood to be pro-Smith. Wisconsin has twenty-six votes in the Democratic convention.

The Republican fight is between the La Follette and the administration factions. An unpledged but pro-Hoover slate is in the field against the La Follette lineup which is pledged to Senator George W. Norris of Nebraska. Senator John J. Blaine (Rep., Wis.) is with this group.

Wisconsin has twenty-seven votes in the Republican convention and almost has invariably cast them for some insurgent leader as a protest gesture.

A referendum on repeal of Wisconsin's "blue law" against Sunday work and play adds interest to the election today.

Golf, or even checkers, on Sunday is contrary to provisions of the seldom-enforced statute now hanging in the balance. It provides a \$10 fine for violation.

INDORSE T. B. PROJECT

County W. C. T. U. Asks City Support for Flower Mission Proposal.

The Marion County W. C. T. U. today had joined in support of the Indianapolis Flower Mission's proposal for the city to maintain and operate a tuberculosis building at city hospital. The mission has funds to assist erection of such a building, but the city has contended it is unable at present to maintain the project.

The plan was advanced Monday by officials of the mission after several women's organizations in the city previously approved the proposal.

"The Man Without a Family," a three-act comedy, will be presented by the Thelma players Tuesday night at the Olive Branch M. E. church, with Wesley Wilson in the leading role. Roberta Bland, 8, harpist, will play between acts.

CRASHES IN 'HOT CAR'

Thief Escapes in Mishap, but Believed Hurt.

A few minutes after robbing a motorist of his auto in the downtown district, a thief drove the car over a twelve-foot embankment at Eighteenth street and West Fall Creek boulevard early today and escaped although injured seriously, police believe.

Shortly after 3 a. m., E. L. Walsh, 2735 North Meridian street, reported to police that a bandit forced him from his car on North Harding street after leaping into the car at New York and Meridian streets, ordering Walsh to "drive on."
