## MINERS ARE OFFERED NEW SCALE OF WAGES

By United Press  
TERRE HAUTE, Ind., April 5.—The Indiana Coal Operators Association today announced a new wage scale and offered work to all miners who would accept employment under its terms.

In a newspaper advertisement outlining the proposed scale, the association offered \$4.40 a day to motormen. Under the recent contract, motormen received \$6.85. In other fields they receive \$4.05, \$3.50 and \$2.70, the association asserted.

The association offered \$3.50 to top men, who formerly received \$5.50. Pumpers, trippers, timbermen, track layers, jerry-men and cagers were offered \$4, compared with former pay of \$6.10.

The price offered for machine-mined coal was 43.9 cents a ton. Sixty cents a ton was offered for picked coal. The former rates were 79 and 80 cents, respectively.

All union shaft mines in this territory have been idle since the contracts expired.

## Rheumatism

New Medicine Guaranteed to Break  
Rheumatism's Grip.

### EASES PAIN FIRST DAY

No matter how crippled and helpless you are with rheumatism; no matter how great your suffering; you can now ease that pain in a day, and break rheumatism's terrible grip on your system in less than a week or nothing to pay.

A \$1 bottle of Ru-Ma is guaranteed to free your muscles and joints from all crippling stiffness and swelling, lameness and torturing pain or your money refunded.

No longer, discouraging wait while you wonder if that awful pain will ever stop; for it starts stopping right from the first day's use of Ru-Ma. Magically your muscles and joints limber up, swelling vanishes, aches and twinges disappear, away go limping and hobbling, crutches and canes.

So many once helpless rheumatic sufferers in this vicinity have been freed from rheumatic agony by Ru-Ma that Hook's Dependable Drug Stores and other local druggists invite you to try Ru-Ma under an ironclad guarantee of money back if it does not completely stop your rheumatic agony.—Advertisement.
