

FREE FLOUR IS GIVEN TO NEEDY

Half a Million Pounds Are Distributed Here.

Half a million pounds of flour is being distributed to the needy of Center township this week as result of donation of wheat purchased by the federal farm board to stabilize

wheat prices, it was announced today. Each basket of groceries being distributed through the office of Mrs. Hanna Noone, trustee, contains one twenty-four-pound sack of flour, a month's supply. The baskets also contain baking powder and other ingredients for baking. The wheat, apportioned through the Red Cross, was milled without charge by the Acme-Evans plant.
