

## Marriage of City Couple Solemnized

Marriage of Miss Elizabeth Vollmer, daughter of Mr. and Mrs. Harry J. Vollmer, 834 North Tacoma avenue, to John Robert O'Harrow, son of Mr. and Mrs. Chase O'Harrow, 1620 North Alabama street, was solemnized at noon today at the home of the bride's parents.

The Rev. Raymond Noll read the ceremony before a banking of palms, flanked by lighted candles in seven-branched candelabra.

Miss Victoria Montani, harpist, played preceding and during the ceremony. Her selection during the reading of the service was "To A Wild Rose." Miss Margaret Gordon, soprano, sang "Oh, Promise Me," "I Love You Truly," and "Ah, Sweet Mystery of Life."

### Wears White Lace Gown

The bride was given in marriage by her father. She wore a gown of white lace with flared skirt, and short jacket, both trimmed with rows of net ruffles. Her veil was cap shaped, and was trimmed at one side with a cluster of orange blossoms. She carried a handkerchief of Battenburg lace, which her mother carried at her wedding. Her flowers were a shower of bride roses and lilies of the valley.

Mrs. Randall White, matron of honor, wore a gown of patterned blue net, with puffed sleeves, and flared skirt, trimmed with ruffles. She wore slippers to match, and carried a bouquet of pink roses and blue delphinium.

### Reception Is Held

H. Dennis O'Harrow, cousin of the bridegroom, was the best man. Ushers were Robert F. Vollmer and Thomas H. Vollmer, brothers of the bride.

Mrs. Vollmer wore powder blue chiffon, and Mrs. O'Harrow a gown of printed chiffon in beige and brown. Each had a shoulder corsage of roses and sweet peas.

Following the ceremony, reception was held. The bride's table was centered with a wedding cake, on a plateau of spring flowers in the bride's colors, pink and blue.

The bridesmaids, Mrs. James Durham and Miss Ruth Kille, wore dresses fashioned alike of net, with V necklines and long sleeves, and with the circular skirts trimmed with deep flounces at the bottom, and chiffon flowers. Miss Kille wore blue, and Mrs. Durham pink.

Miss Betty Carson, junior bridesmaid, and cousin of the bride, wore a long net dress of shell pink, fashioned like those of the bridesmaids, and carried roses and delphinium. The flower girl, Ruth Margaret Park, wore a ruffled dress of pink net, and carried a basket of spring flowers.

Mr. and Mrs. O'Harrow left immediately for a wedding trip. The bride traveled in a frock of beige Roshanara crepe, with a coraline coat trimmed with beige fox. Her shoes and accessories matched the dress. They will be at home in Indianapolis after June 1.

Out-of-town guests were Mr. and Mrs. Harvey E. Smith Jr. of Crawfordsville, Mr. and Mrs. William Vollmer, Detroit, Mr. and Mrs. Fred Vollmer, Moline, Ill., Mr. and Mrs. Omar O'Harrow, Martinsville; Miss Dolly Hughes, Monticello, and Charles Dowling, Newark, O.

## Hostess for Last of Party Series Named

Hostesses have been announced for the monthly luncheon-party to be given Wednesday, May 11, at the Indianapolis Athletic Club.

This will be the last of the series for the season, and will be held in the green room at the club. The hostesses are Mesdames F. R. Buck, John Twitty, Lawrence Cummings, N. K. Hurst, H. H. Gante of Anderson, and Miss Helen Coffey.

As a special feature gypsy women from a camp located outside the city will come to the club and tell fortunes for the members and their guests.

## CHURCH GROUP TO SPONSOR MUSICALS

The Woman's Association of the Irvington Methodist Episcopal church will sponsor a May day musical Thursday afternoon in the church parlors. Harry Bason, radio entertainer and pianist, will be the guest artist.

The program will include the reading of Robert W. Service's poem, "Comfort," by Mrs. Samuel G. Howard, with Mrs. Charles Teeters, pianist, accompanying. The Shortridge high school trio, composed of Betty Davenport, Helen Dauner and Byron Hollett, will sing a group of spring songs, and Mrs. Paul E. Dorsey will sing, accompanied by her husband.

### A Day's Menu

#### Breakfast—

Grape juice, cereal cooked with dates, cream, crisp bacon, toast, milk, coffee.

#### Luncheon—

Creamed eggs and peas, whole wheat bread, marmalade, hermits, cocoa, tea.

#### Dinner—

Veal loaf, creamed potatoes, buttered carrots, tomato and onion salad, pineapple up-side-down cake, milk, coffee.

### Mon-Wed-Fri. Evening FREE—FREE

MARCEL WITH THIS COUPON FREE FINGER WAVE when you get a Manicure, Shampoo or Arch. Given under expert supervision. Same FREE offer every day except Saturday. A small charge is made for treatments. CENTRAL BEAUTY COLLEGE 2nd Floor 609-611 N. Main. Lincoln 6432

## WHAT'S IN FASHION?

### Cool Shoes Aid Foot Comfort

Directed by AMOS PARRISH

NEW YORK, May 3.—Blistered, swollen feet won't be any excuse for not joining in all of this summer's activities. If any one gives that alibi, some one will be sure to say, "Why don't you get in fashion?"

There are so many new shoes with ideas for keeping feet cool. One of the new ways of giving more comfort is to leave out the linings. Those unlined shoes everybody is talking about have only one thickness of leather between your feet and the outside world... and often this leather is perforated to let the air in.

#### Shoes Are Unboxed

The shoes are so, for the toes are "unboxed," as the shoe men call it. In other words, they're not stiffened with leather, can wiggle about as much as they like.

Comfortable, all right, if heat is inclined to make your feet tender. Another fashionable way to keep feet cool is to wear sandals. They're in fashion again, from beach wear to boudoir. Even for the street.

Not only are they cut down at the sides. They're cut out at the toes and the back in generous openings.

#### Toes May Peep Out

And don't be surprised if you see pinky pedicured toes peeping out from absolutely toe-less sandals. There's even a new stocking to wear with these, with all five toes separated, just like fingers in a glove.

Even pumps and oxfords have succumbed to the influence of sanitation and are cut out in comfortable, cool open spaces, as you can see in the illustrations.

Lots of shoes have mesh inserts in the front or sides or back. Or sometimes in all three places at once. This gives your feet more air, too.

#### Fabric Shoes Good

Along comes real summer and you'll find even more effective ways to keep cool-footed. Fabric shoes are perfect with summer cottons.

There are linen and coarse weave cotton shoes, many of which can be dyed to match or contrast with your dress. The all-white shoe may actually not be cooler than the white-and-brown or white-and-black one, it looks cooler. And is more fashionable than ever this summer.

## MOTHERS' CLUB TO MEET WEDNESDAY

Phi Delta Theta mothers' club of Butler university will meet at 1 Wednesday at the chapter house, 704 West Hamilton drive.

Hostesses will be the executive committee, composed of Mesdames Mabel Gardner, George Stewart, R. A. Blackburn, Charles Myers, L. R. Hanna, and the house chaperon, Mrs. Bea Conn.

Mr. and Mrs. O'Harrow left immediately for a wedding trip. The bride traveled in a frock of beige Roshanara crepe, with a coraline coat trimmed with beige fox. Her shoes and accessories matched the dress. They will be at home in Indianapolis after June 1.

Out-of-town guests were Mr. and Mrs. Harvey E. Smith Jr. of Crawfordsville, Mr. and Mrs. William Vollmer, Detroit, Mr. and Mrs. Fred Vollmer, Moline, Ill., Mr. and Mrs. Omar O'Harrow, Martinsville; Miss Dolly Hughes, Monticello, and Charles Dowling, Newark, O.

## MANNERS AND MORALS By JANE JORDAN

READERS who disagree with Jane Jordan's advice are cordially invited to contradict her. The best letters will be published.

Dear Jane Jordan—I usually agree with all you say, but when you seem to sanction a double standard for men, I want to say that I don't think there is anything that causes more tragedy, heartache, and sorrow than a man's double standard. I don't think you do by such expressions as "Dear E. M. K. Dear lady, never sanction double standard in my life. All I ever said was that there were worse evils in marriage than occasional infidelity, and that it is vastly overdone as a cause for divorce. This I believe to be true."

Women who are married to quarrelsome, stingy, or brutal men suffer more horrors than the wives of kind-hearted, generous men who step out on them merely because their taste for variety overcomes their better judgment. The woman who rises up in her wrath and divorces a good provider and a genial companion because she caught him cheating once or twice cuts off her nose to spite her face. It saves a lot of trouble for a wife to pretend to be a little blind to such silly excursions on the part of her lord. Nine times out of ten, if he is devoted genuinely to his wife, he will regret the episode and be pathetically grateful to escape a row.

I grant you that philandering causes a great deal of tragedy, heartache and agony, but that is because women have made it the unpardonable sin of marriage. Many of us have come to question the wisdom of making an enormous issue out of what the average man thinks is so small a matter. Why not struggle to see the thing from his viewpoint? Very few men have the slightest conception of why physical fidelity is of such vital importance to a woman. The emphasis which she puts on this point is simply unbelievable to them until they encounter an emotional storm caused by some casual "snooze." To see such marvels have been accomplished in developing the luscious shades of color that the public demands.

These "improvements" in the flowers that the florist brings to you have not been merely a matter of chance. The flowers have not "just grown" to be more attractive. Constant scientific research is conducted by the flower grower and the florist for possibilities of new varieties of your favorite flower. Thousands of experiments are made, many of them unsuccessful, to bring you a single new shade in a rose, or carnation for instance. After a new variety has been developed, months, even years, are required to grow the flowers in the greenhouse in quantity, so that every one may enjoy them in his home.

So, too, the production of flowers that have already been established by public demand requires the utmost patience and care. Flowers for Mothers' day, for instance, must be grown so that they will bloom exactly at the right time.

Likewise every single plant, whether it is to produce a single blossom or a profusion of buds, must be watched day and night for any unfavorable condition that will impair its health and endanger the lasting qualities of the blossoms when they reach your home.

Thirty-seven individual florists in Indianapolis comprise the membership of the Allied Florists of Indianapolis, Inc. The organization has as its central motive the cultural thought, that blooming flowers in all seasons of the year stimulate the better influences of humanity and therefore are a necessity for human happiness.

Dear Jane Jordan—I am wondering if it is the best thing to wear any kind of glove with a formal, if so, should the gloves be in mesh or kid? Does the material depend on the material of the dress? Should they be elbow length?

WONDERINGLY. Dear Wonderingly—If the party is very formal, you wear sixteen-button kid gloves. In summer, many people wear kid at formal gatherings without gloves. If you wear one of the smart new cotton evening gowns, lace mesh gloves are correct. Short gloves are out of the fashion picture.

NAME COMMITTEES FOR CLUB CONCERT Committees for the Indianapolis Choral Club spring concert, to be held May 17, have been announced by Kenneth Hughes, president. They are:

Tickets: Misses Kathryn Cooper, Lois Lee, Jane Scott, Grace Neabitt, Dorothy Schreiber and Messrs. Ray McLean, Robert Williams and Messrs. Paul Holloway and Charles Eckman Jr.; soprano: Mildred Beard, and alto: Miss Bessie. Mrs. O. B. Russell will be the accompanist and official hostess.

Plan Club Party Women's Athletic Club will give a bridge and swimming party Monday afternoon at the Hoosier Athletic Club. Hostesses will be Mrs. Leo Gutzwiler and Mrs. Carl Gutzwiler.

Force Them to Become 'Cheaters' Law aids and abets them. The philandering husband has no chance in court, no matter what his other virtues may be. Wives do not realize that they make other women seem twice as desirable by putting a veto on them.

Prohibition has made drinkers out of people who never touched a drop before its advent. Jealous wives have made philanderers out of husbands who otherwise would have behaved reasonably well. I do not believe that looking the truth in the face will increase the evil, although failure to use our feminine wits has done so. As for children, they should be protected rigidly from all knowledge of their parents' conflicts.

No, I'm not a man. Only a woman who tries to understand men, and who has given up trying to mold them closer to the heart's desire. Whatever wisdom I have was acquired with much difficulty while serving several years as the wife's third of a triangle. You are welcome to write again and present your reasoning.

## Mothers to Be Honored by Students

Mothers will be honored by several sororities and fraternities at Butler university during the next two weeks.

Delta Delta Delta sorority will entertain their mothers with a buffet dinner at 12:30 Saturday at the chapter house, 809 West Hampton drive. Misses Evelyn Cross-street and Maxine Jones are making arrangements, assisted by Miss Charlotte Cashon.

Plan Musical Program A musical program has been planned with Miss Ann McDevitt, accompanied by Miss Ann McDevitt playing the violin. The Tri-Delta, composed of Miss Eleanor Marshall, Miss Crossstreet and Miss McDevitt, will sing.

Mother's day has been chosen by the Pi Beta Phi sorority as the date of a breakfast honoring their mothers. The event will be held at the chapter house at 320 West Fort-street.

Miss Betty Lou Foley is chairman of the spread planned by Kappa Kappa Gamma sorority for their mothers. It will be held at 6:30, May 12. Miss Agnes Kalleen is chairman of entertainment. Miss Helen Shimer, house chaperon, will be honored at the same time.

Dinner Is Arranged A dinner has been arranged by the Alpha Omicron Pi sorority. It will be held May 18 at the chapter house, 714 Berkeley road, with Miss Leonora Winter and Miss Mary Alice Burch in charge.

A banquet by Lambda Chi Alpha fraternity will be arranged by E. W. Manogue, social chairman. Sigma Chi fraternity is also planning to entertain their mothers.

## New Officers of Nu Zeta to Be Installed

New officers of the Nu Zeta alumnae chapter of Sigma Alpha Iota, national musical sorority, will be installed at a meeting tonight at the home of the new president, Mrs. Charles C. Martin, 545 South Central court.

Others to take office will be Mrs. T. M. Rybolt, vice-president; Miss Jeanette Gardiner, secretary; Miss Jeanette Tobey, treasurer; and Miss Irma Ross, editor. Mrs. Fred Stierling, president of the patronesses, chapter and Mrs. Leonora Roberts, active chapter president, will attend.

Following the buffet supper a short memorial service will be held for Mrs. Martha Winkenhof Stickle.

Call Sorority Meeting Theta Beta Chi sorority will meet Wednesday night at the home of Miss Louise Neiger, Cumberland. New officers to be in charge are Miss Charlotte Beachler, president; Miss Edna Kritsch, treasurer; Miss Ruth Fechtman, secretary; and Miss Mae McCann, publicity.

Force Them to Become 'Cheaters' Law aids and abets them. The philandering husband has no chance in court, no matter what his other virtues may be. Wives do not realize that they make other women seem twice as desirable by putting a veto on them.

## Your Child Cod Liver Oil Boom for Child; Best Weapon Against Rickets

Food for children—and food for thought—are suggested in the following article, the second of a series of six on child health topics.

BY OLIVE ROBERTS BARTON

I SHALL take it for granted that you have a formula for your baby that is agreeing with him, or at least, he is under the supervision of a doctor or some one who knows.

If your baby is ill, if his food does not agree with him, you should not experiment and guess at this and that. Take him to a doctor, or if you have simply no money for a doctor, to the board of health and inquire for a free baby clinic.

This is very important. It may mean his life. But assuming that all is well, that his bottle agrees with him, that he is fat and rosy and getting along fine, have you started his cod liver oil yet, or as good substitute, canned tomato juice?

Please do not think that these things are just notions, some of the new high faluting ideas "these specialists" are always talking about. It is not a notion that nearly all children born before 1915 had or still have rickets. Nobody knew about cod liver oil at those days and consequence is that almost everyone had wrong bone formation of some sort when he was small, and soft teeth.

RICKETS can not be seen, and it can not very often be guessed at. But the story of rickets is long. Not only poor bones, but other diseases, follow in its trail.

Teeth of tomorrow will be good teeth, not filled with the crumbling dentine we have fought all our lives to save. And all because our mothers did not know about cod liver oil, or the doctors, either, in this days. Not as a steady diet, that is.

All children before 1915 did not have rickets, in spite of the sweeping statement to the effect. These days, rickets was mostly country children and children who lived in southern climates. The reason is obvious. Sunlight is either a sub-

stitute for the oil or the oil for the sunlight. Choose the comparison yourself. It seems strange that much of the same chemistry should be found in both. But it is true.

BUT some rays of the sun are powerful and some are not. Winter sun usually warming its way through fog, or smoke, if it shines at all, is not as efficacious, although any sun is better than none. And to go out with merely hands and face exposed is not enough either. However, country babies are in greater luck than city children because of greater sun advantage. This does not mean that country bred children never should have cod liver oil. I believe the best exception recommended is the hot summer months, when the oil dosage is either reduced or taken away altogether.

The amount given varies and the age varies. Your doctor may recommend starting with six drops twice a day at 6 weeks, or he may prescribe more. The dose will be increased gradually.

FROM 2 to 5 the problem becomes variable. Some children will not need cod liver oil during this period; others will take it until they are 3 or 4. Still others will need it at certain periods—say after an illness, during malnutrition, or a shut-in season of bad weather. Always it should be given under professional advice.

Be sure you receive and understand directions. If all does not go well, that should be reported to the doctor at once. He may use entirely new tactics then.

All bottle babies should be fed under the doctor's orders, and even nursing babies should, too, will need supplementary foods at an early age.

James E. Fischer of the Marion County Board of Tax Reduction, spoke at the luncheon meeting of the Woman's Rotary Club on Monday at the Columbia Club. He told of the needs for reduction and the possible means of obtaining it.

Candidates for office in the club were announced by Miss Margaret M. Shipp, chairman of the nominating committee. Dr. Elsie G. Stewart, president, is unopposed for reelection as the only candidate. The remainder of the ticket includes Mrs. Helen A. Watson and Miss Ethel M. Schwartz, recording secretary; Miss Helen R. Corbome and Miss Frances Beck, corresponding secretary; Miss Helen Humphries and Miss Grace Kerr, treasurer, and for two directors, Miss Stella Doeppers, Mrs. Julia Fennell Hupler, Dr. James M. Kecklen and Miss Imogene Shaw.

The election will take place at the business meeting next Monday.

C. L. S. C. Ends Year Year's activity of the Vincent C. L. S. C. Club was closed Monday with a luncheon at the country place of Mrs. H. V. Garman on Eighteenth street and the Lebanon road. Hostesses were Mesdames G. M. Cheney, president; Charles Rallsback, Fred G. Johns and C. M. Finney.
