

REBUKE COUNTY COMMISSIONERS IN MANN FIGHT

Council Deletes Paragraph in Ordinance Flaying Highway Head.

Efforts of county commissioners to discredit Charles Mann, Republican highway superintendent, in their fight to oust him, today received a rebuke from the county council.

Councilmen amended an appropriation ordinance by striking out a paragraph charging that Mann had been guilty of neglect of duty.

"This body does not believe that any ordinance should contain criticism of any public official," Walter

C. Boetcher, council president, stated.

The council passed an ordinance, which commissioners requested, appropriating \$188,509 in highway funds, but struck out another paragraph stating the council had approved the commissioners' 1-cent road levy.

"This body did not approve that levy. We wanted it cut to a half cent, but they told us we had no jurisdiction in the matter," Boetcher explained.

A bitter fight ensued between councilmen and commissioners at budget-making time last fall. Mann, highway superintendent, suggested a half-cent levy as sufficient for 1932, which was raised by commissioners.

Attempt to oust Mann, launched by Democratic Commissioners Dow Vories and Thomas Ellis, has ended in circuit court to which Mann appealed his case.

The fight caused commissioners to hold up wages of more than 200 road workers. These men, whose families have been dependent upon charity, will be paid from funds appropriated today.

ASKS RAILROAD RIGHTS TO USE OF WATERWAYS

R. H. Aishton Opposes U. S. Aid for River and Harbor Work.

WASHINGTON, May 26.—The suggestion that the railroads be given the right to engage in inland waterways transportation, was made to the house ways and means committee today by R. H. Aishton of the Association of Railway executives.

He appeared in opposition to the Mansfield bill for a \$500,000,000 bond issue for rivers and harbors projects.

He charged "that an appreciable

amount" of taxes paid by railroads made possible many waterway improvements, and that rail carriers would remain opposed to waterways competition "which is relieved from important operating costs."

The government should retire from barge line operation in two years, Ashton said.

C. S. Duncan, economist of the association, submitted statistical data to the committee, and charged that tonnage figures of barge lines were distorted.

"The great bulk of inland waterways tonnage is short haul," said Duncan. "This looms as large tonnage, but is low as to mileage, which really measures service."

Don't Suffer from Constipation • It's So Easily Corrected, Doctors Find • With Fresh Yeast!

(Left) DR. BLUMANN describes effect of eating fresh yeast, by means of X-ray photograph. Note how food passes through intestines cleanly. That's because yeast stimulates normal action.

DR. ERNST BLUMANN, head of the celebrated Buelow Hospital, in Berlin, Germany, says: "I always prescribe fresh yeast for constipation." Read his description below of a typical case.

TRY YEAST YOURSELF! 3 cakes a day will "tone up" the intestines, bring blessed relief.

"Her CONSTIPATION was completely Relieved"

Famous Berlin physician cites results of fresh yeast treatment in a typical case. Read how this remarkable food can help YOU

health than she had been for years. Her constipation was completely relieved."

CHRONIC CONSTIPATION—Doctors say that women are especially subject to this trouble. And it can have extremely grave results.

When intestines become sluggish, food wastes collect, putrefy. Poisons filter into the blood. Headaches result, and as time goes on, decreased vitality, poor circulation, bad breath, coated tongue, dizziness, backaches, colds vanish when elimination becomes regular!

You can get Fleischmann's Yeast at grocers, restaurants and soda fountains. Just eat 3 cakes a day—before meals, or between meals and at bedtime—plain or in water (a third of a glass).

Each cake, you know, is rich in vitamins B, G and D. Won't you try it now?

*IMPORTANT—Fleischmann's Yeast for health comes only in the foil-wrapped cake with the yellow label. It's yeast in its fresh, effective form—the kind doctors recommend.

Not a "Cure-all"...Fleischmann's Yeast is a health food thousands eat —3 cakes a day
