

BOARD GOES TO COURT IN 'JUNK YARD' BATTLE

Park Commissioners Seek Ruling to Block Action of Iron Dealer.

Feud between Samuel M. Goldsmith, iron and supply dealer, and citizens in the vicinity of Neal and West Washington streets, in which the board of park commissioners assumed the role of arbiter, resulted in legal action today when suit was filed to prevent Goldsmith from erecting a building at the west side location.

H. Nathan Swaim, attorney for the park commissioners, was instructed to file the suit after Goldsmith refused to abide by the board's ruling. A citizens' committee claimed that the proposed building for which excavation has started, will be used as a junk yard instead of a plumbers' supply establishment. Right of the board to restrain the construction was claimed through the fact that the site is within 500 feet of Indianapolis Park.

The park board in its meeting Thursday granted permission to the Indiana board of agriculture to lease a site on Polk Creek boulevard north of Thirty-eighth street for the erection of a decorative soft drink stand.

A \$1,400 contract for the drilling of a well at Garfield park was awarded to Charles Krauss & Son, Inc. Bids on a pump for the well were rejected by the board when it was decided that larger equipment would be needed. New bids will be received Thursday at the next meeting of the board.

CHARLES 4 WEST WASHINGTON ST.

Looks and Feels 100% Better

Mrs. William Skean, 739 Burns St., Cincinnati, O., asked her druggist's advice on how to reduce. He recommended the French Lick method. "I now look and feel 100 per cent better," writes Mrs. Skean.

Let the French Lick plan of food selection and moderate exercise help you to win back slender beauty and health. Avoid sluggishness. Fight fatty tissues caused by a sluggish system. Take a little French Lick Salts each morning before breakfast. It flushes away the stagnant body wastes.

French Lick Salts is a blend of the same restorative salines found in the renowned waters of French Lick Springs. It is more than a laxative. It's a systemic regulator that benefits young and old. Its restorative salines stimulate liver and gall bladder activities. Keep "regular"—take French Lick Salts at least once each week. As pleasant-tasting as a fountain beverage. Today, at your druggist's, a generous bottle, 50c.
