

'I'LL BE FIGHTING CHAMP,' SAYS SHARKEY, AFTER VICTORY

Boston Gob Left Jabs Way to Disputed Win Over Schmeling

Still Champ
By United Press
BELLINGHAM, June 22.—Max Schmeling's mother still regards her son as heavy-weight champion of the world, although he lost the title to Jack Sharkey Tuesday night. "I listened to the fight over the radio," Mrs. Schmeling said today. "From the description of the announcer, I can't understand how Max's opponent could have been given the decision. "To me, Max still is champion. The very least he deserved was a draw. And it seemed to me that he had won by a good margin."

Slaughter, Hook Win

Henry Hook is Indiana's new bantam-fight champion and Sammy Slaughter has avenged one of his few losses as the result of Tuesday's mitt program at Perry stadium. Hook and Jimmy Fox, defending title holder, stole the show from Slaughter and Ray Trumble, Rockford (Ill.) puncher, before 2,500 fans. Starting fast in the early rounds, Fox pilled up an early lead, but appeared to tire in the middle stanzas, and Hook came to the front to grab a close decision. Hook was the aggressor most of the way, especially in the closing rounds. Slaughter had an easy time winning from Trumble, and with the exception of a few rallies the bout was listless. The Terre Haute Negro, who is Indiana's middleweight champion, rocked Trumble in the first round and continued the bombardment until the fourth, when Trumble went down and was saved by the bell. Trumble came back in the fifth stanza and surprised by taking an edge. In the preliminaries Speedy Risco, Chicago bantam, defeated Eddie Roberts in six rounds. Jimmy Shannon, Indianapolis featherweight, won from Paul Wagner, Indianapolis, in five rounds. The Rubin, Indianapolis, junior welterweight, defeated Jimmy Goodman.

Dunn, Ellis, Adams and Stevenson Are Victors

BY DICK MILLER
Three Meridian Hills Country Club stars and Miss Elizabeth Dunn of Riverside, defending the title for the sixth time, fought their way into the semi-finals of the city women's golf championship at Broadmoor today. Miss Dorothy Ellis, playing in her first championship flight, sprang the first upset of the 1932 tourney when she eliminated Mrs. C. A. Jaqua of Highland, 2 and 1. She will face Miss Dunn on Thursday morning. In the other bracket, Mrs. Ben Stevenson, former champion, clashes with Miss Lou Adams, medalist. Miss Ellis had a hard time of it on the first two holes of her match with Mrs. Jaqua, but untied up approaching lost her advantage, and she was one down at the turn. She birdied the tenth to tie the match and then won out on the sixteenth and seventeenth greens.

OKLAHOMA CITY, June 22.—Southwestern entrants dominated play today as thirty-two golfers started to match strokes to determine the 1932 trans-Mississippi tournament champion. Match play will end Saturday.

Fred Dold, Wichita, Kan., was favored to win the championship. Dold shot a record-breaking 68 Tuesday which, added to his first round score of 72, gave him medalist honors with a brilliant 140.

BLACKBURN PILOTS LEAFS

128 Prizes—110 Golfers

Wallace O. Lee, chairman of the Columbia Club golf committee, faces a perplexing problem today. Lee has 128 prizes to be awarded in Thursday's club tournament at Avalon, and today only 110 club wielders had entered. Many more are expected to sign up at the tee, however.

The tourney will be an all-day event. Leonard Sullivan, defending champion, and Dr. Paul Hurt, 1931 runner-up, had entered. A beefsteak dinner will climax the day, at which prizes will be distributed.

RAY FITZGERALD has collected five hits in three games since returning to the Indians from Toronto. Three of the smacks were for extra bases, two doubles and a triple. He batted in four runs in the three tilts and scored four times. Toronto regretted to see Ray called by the Hoosiers. He was one of the best hitters on the Leafs' roster.

With their winning streak extended to five consecutive triumphs as a result of beating the Brewers twice in Tuesday's double header, 7 to 4 and 6 to 4, Emmet McCann's Indians now believe they have unhorsed the jinx and the Tribe.

The Hoosiers have moved within one-half game of second place and are only one game away from a tie with the league-leading Millers. Another double header was scheduled at Perry stadium today with action starting at 1:30 and the sixth and last tilt of the Milwaukee series will be played under the lights Thursday night at 8:15. Today was "boys' day" at the stadium and lads under 16 were to be admitted free to the bleachers.

Two home runs by Ernie Wingard over the right field wall, and fine relief pitching by Joe Heving featured the initial struggle Tuesday, and in the second battle, with both clubs hitting freely, Johnny Cooney, Tribe outfielder, hit a home run.

Sharkey's share, at 10 per cent, was approximately \$54,000.

The promoters collected about \$254,000, from which all expenses must be deducted. Profits were estimated at between \$150,000 and \$200,000.

Double Triumph Over Brewers Tuesday Extends Dash to Five in Row; Wingard Poles Two Homers and Riddle Shines; Second Twin Bill Today.

With their winning streak extended to five consecutive triumphs as a result of beating the Brewers twice in Tuesday's double header, 7 to 4 and 6 to 4, Emmet McCann's Indians now believe they have unhorsed the jinx and the Tribe pastimers hope to keep going for a spell. At any rate, the Hoosiers have moved within one-half game of second place and are only one game away from a tie with the league-leading Millers. Another double header was scheduled at Perry stadium today with action starting at 1:30 and the sixth and last tilt of the Milwaukee series will be played under the lights Thursday night at 8:15. Today was "boys' day" at the stadium and fans under 16 were to be admitted free to the bleachers.

Two home runs by Ernie Wingard over the right field wall, and fine relief pitching by Joe Heving featured the initial struggle Tuesday, and in the second battle, with both clubs hitting freely, Johnny Cooney, Tribe southpaw, proved superior to Stiles, Milwaukee right-hander, when runners were on the sacks. Ted Gullic, Brewer fly chaser, was high over all with the bludgeon in this fracas by collecting three singles and a left field homer in four tilts at bat for a perfect day. Johnny Riddle, peppery Indian backstop, bounced into the spotlight by gleaming five hits during the afternoon, two in the opener and three in the windup. He caught both games and no bases were pilfered on him. Johnny worked back of the plate in Sunday's twin bill, in the single tilt Monday and again in both contests Tuesday. In other words, Riddle has joined Wingard and Cooney in the "horses for work" class. Wingard and Cooney take regular turns on the mound and at other times the former operates at first base and the latter in the outfield.

Catcher Tom Angley, in a batting slump, was notified Tuesday to report to the Terre Haute (Three-I League) team, but he still was in town Tuesday night. Al Devoemer, veteran receiver, is on the Tribe roster to serve as second-string to Riddle. Angley batted 375 last season and drove in 99 runs. His average was down to .263 when he was optioned to Terre Haute. The Brewers piled up a lead of 4 to 1 in the opener Tuesday, but in the fourth stanza the Hoosiers solved Hillin for two markers and followed up with three in the fifth. Wingard poled the ball out of the park as first up in the fourth and hit another drive over the right-field barrier, with two mates aboard, in the fifth. His first clout went over at the 355-foot mark and the second at the 365-foot point.

MAN TO MAN

—A STATEMENT BY THE GILLETTE SAFETY RAZOR COMPANY

Its recent confession the Gillette Safety Razor Company told you that, under the stress of introducing a new razor and blade, uniformity had suffered; and told you how our efforts to correct the trouble had resulted in the development of a far superior product.

Several readers have asked us how we can make the bold, positive statement that today's Gillette blades are the sharpest, smoothest-shaving blades we have ever produced. This is a fair question, and here is our reply: A marvelous new testing machine, recently developed, scientifically proves that these blades have never before been approached in keenness.

We cannot discuss the nature or details of this machine because it is being patented. But we can tell you that it measures microscopic dimensions with unfailing accuracy—revealing with mathematic exactness, actual degrees of razor-blade sharpness. So when we state that today's Gillette blades are the sharpest we have ever made we are basing our assertion upon

fact. We know we are right and can prove it.

Further than this—everyone knows that a razor blade must be able to bend without cracking when tightened in the holder. This requires steel of a certain temper not suitable for a keen cutting edge. The problem is to permit flexing and yet have a hard edge that can be ground and stropped for proper shaving performance. Gillette has achieved the solution of this problem in the manufacture of its slotted blades.* These blades are made by a special tempering process that makes the edges exceptionally hard, while the center, of a different temper, flexes easily.

We urge you to try today's Gillette blades—the regular blade in the familiar green package or the BLUE SUPER-BLADE in its blue package, Cellophane wrapped. Do so without risking a cent. If you don't agree they are the sharpest, smoothest-shaving blades you have ever used, return the package and your dealer will refund your money.

The Gillette Blue Super-Blade

The \$2 Kroman De Luxe blade has been withdrawn from production. We offer the Blue Super-Blade as its successor. This sensational blade is far superior to the Kroman and costs considerably less. You pay only a few cents more than for the regular blade and get unmatched shaving comfort. Its extraordinary shaving performance will convince you that the Blue Blade is the sharpest ever produced. A blue color has been applied to the blade for easy identification. It is contained in a blue package, Cellophane wrapped.
