

NINE RECORDS SHATTERED IN EARLY OLYMPIC BATTLES

Four Marks Fall in Monday's Five Events

Eddie Tolan Cops 100-Meter Crown in Thrilling and Disputed Finish With Metcalfe; More New Standards Expected in Today's Tilt.

BY STUART CAMERON

LOS ANGELES, Aug. 2.—Track and field athletes of the Olympic games, with nine new records to their credit, swung today into their third program, and further wrecking of existing marks was in prospect. Establishment of records had become something of a habit since the boys and girls posted five new marks in the seven events of Sunday, and made four in Monday's five competitions. Here are the four newest achievements: Dusky Eddie Tolan's 10.3 mark in the 100-meter final. This tied the world's record, and broke the Olympic mark of 10.4 he set in Sunday's trials. Stella Walsh's mark of 11.9 in the women's 100-meter. This also was a new world record. Glen Hardin's 52-second achievement in taking second honors in the 400-meter hurdles. Hardin, Louisiana State freshman, finished a pace behind Ralph Tisdell of Ireland in the final, but the Free State, timed at 51.8, knocked down a hurdle. Tisdell was given the Olympic championship and Hardin the record. The 9:14.6 mark of V. Iso-Hollo of Finland in the second heat of the 3,000-meter steeplechase trials. The former steeplechase mark, incidentally, was twice broken, for T. Evenson of Great Britain, turned in a 9:18.8 mark in the first heat, only a few minutes previously. Joe McCluskey, United States of America, was second to Iso-Hollo.

Yankees Get Wilcy Moore

By Times Special

DETROIT, Aug. 2.—Joe McCarthy's plea for a smart veteran relief hurler to support his shaky pitching staff was answered today when the New York Yankees obtained Wilcy Moore from the Boston Red Sox. Gordon Rhodes, youthful right-hander, was sent to the Sox in the deal, and it is believed the Red Sox treasury also was boosted. Moore was a relief pitcher here with the Yankees championship teams a few years ago. McCarthy's pitching has been so poor in recent games that Babe Ruth, who hasn't pitched since he tried one game in 1930 and beat the Red Sox, has been warming up in the bull pen.

Jurado Misses P. G. A. Tourney

By United Press

DETROIT, Aug. 2.—Jose Jurado, flashy Argentinian pro, failed to qualify Monday for the American Professional Golfers Association tournament when he was eliminated in a playoff for the sixth Michigan position by Leo Frazier, Saginaw (Mich.) youngster. Jurado scored 39 in the nine-hole playoff, after he and Frazier had tied at 150 in the 36-hole qualifying round. Frazier shot 36. The others to qualify from this district with their scores were: O. M. Beaupre, 143; Al Watrous, 145; Tommy Armour, 146; Walter Hagen, 147, and Tommy Flaherty, 149.

Heavies to Top Arena Mitt Bill

Two youthful heavyweight kavyo artists tangle in the eight-round feature scrap at the South Meridian arena Wednesday night, with Pecky Gardner, local northsider, attempting to continue his knockout streak against Eddie Gilly of Cincinnati. Frank Gierke, local lightweight, and Bruce Britt, Terre Haute, tangle in the other eight-round scrap. Peckie Harris and Johnny Hammer, local lightweights, are listed for six rounds, and four rounds will be Bud Law opposing Joe Moore, local welter, and Red Booth, Alexandria, facing Tommy Walker, local feather.

'Go to It, Jimmy,' Says Babe, Predicting Loss of Homer Record to Foxx

By Babe Ruth

DETROIT, Aug. 2.—The way Jimmy Foxx has been slamming those home runs around all American League parks this season makes it look as if one of my cherished records is about to fade. I refer to the mark for home runs in one season. When I hit sixty in 1927 many said that performance would never be excelled. That was only five years ago and here we are seeing the possibility of a new record being established. All I can say is "Go to it, Jimmy, and get yourself a record that will still be in the books when you hang up the old uniform and toss the spike shoes in some convenient corner of the farm house. You deserve all the good things that baseball may bring you and my congratulations will be among the first."

you get the day you hit that sixty-first home run." Naturally we all get a kick out of doing something which has not been done before. It would be nice to have that particular record of mine hold up for several years to come. Every man likes to have some unusual accomplishment connected with his name. But there is another way that I look at these things now. Players and fans alike were pulling for me to set new records in the years when I broke them. I gladly join in the army of well wishers now for any younger player who has a chance to establish new marks, even if they happen to improve on the ones which I set. Such accomplishments help baseball, no matter who does them. The fans got a new kick out of it. Baseball has been good to me and I am for

Tolan Noses Out Metcalfe in Century

Eddie Tolan, Michigan Negro, is shown flashing across the tape to tie the world record in the 100-meters in 10.3 seconds, winning the sprint event for the United States in the Olympic games at Los Angeles. Tolan is at the left above, while at the extreme right, scant inches behind the winner, is Ralph Metcalfe, another Negro, who finished second. Arthur Jonath of Germany, who finished third, is to the right of Tolan in the picture, and next to Jonath is George Simpson of Ohio, who finished fourth. The Olympic record was 10.6, jointly held eight athletes.

Slugging Phillies Turn in Third Win in Row Over Leading Pirates

By United Press

NEW YORK, Aug. 2.—Philadelphia's Phillies have tripped up the Pittsburgh Pirates, just when George Gibson's youngsters were speeding away to a young lead in the National League. Slapping the Corsairs with three straight defeats, the Phillies cut down their first place lead in the National League to five games over the idle Chicago Cubs. The Phillies registered their third win over Pittsburgh Monday when they crushed the Pirates, 18 to 5, pounding four Pirate pitchers for twenty-three hits, while the veteran Flint Rhem limited the Gibsonmen to eleven.

Sacred Heart Question Marks will practice Wednesday and Thursday afternoon at Garfield park. All players must attend.

there was an idea anywhere that Foxx specialized in hitting the homers at Philadelphia, where such hits have been quite plentiful this year, it is a mistake.

Jimmy had forty-one homers when I made the check-up, and nineteen of these had been hit at Shibe park, where the A's had played more games than they had played away from home. Every other city in the league was represented in the record. Jimmy had hit eight in Detroit, three apiece in Washington, Boston and Cleveland, two apiece in New York and Chicago, and one in St. Louis. I never went into the month of August with forty or more home runs, as Jimmy did this year. In 1927, when I set the record, I had only forty-three at the end of August, and finished up with seventeen

while Bob Brown and Cantwell were found for eleven. They were the only games scheduled in the National circuit.

In the American League, the runner-up Philadelphia Athletics administered their third straight beating to the ambitious Cleveland Indians, 1 to 0. It was their second shutout over the Lake Erie outfit in two days. Rube Walberg duplicated Lefty Grove's feat of yielding but four hits to the Tribe. Wes Ferrell, ace of the Cleveland hurlers, allowed five safes. The A's scored the lone tally in the ninth inning, on singles by Cochrane, Foxx and McNair.

The New York Yankees maintained their first place lead of eight games over the A's by scoring their third successive victory over the Detroit Tigers, 6 to 3. Respected Danny McFayden turned in the win, allowing eleven scattered hits, one less than the number yielded by Whitehill and Wyatt. Babe Ruth walked four times and struck out once.

Washington at Chicago was washed out. They were the only games scheduled.

YOSHIOKA of Japan held the lead for forty meters, and then fell back to finish fifth. Tolan ran with a rhythymical stride. At forty meters he took the lead, and the other five were bunched behind him, Jonath heading the pack.

Metcalfe, powerful muscles hurling his big body forward, began to come up shortly after Tolan took the lead. Finally he drew even with Tolan and they broke the tape. Tolan upright, Metcalfe leaning forward.

The official time of 10.3 seconds tied the official world record set in 1920 by Percy Williams of Canada. It was three-tenths of a second under the previous Olympic mark.

K. C. Series to Follow Game With Athletics

Home Run Foxx and Other Famous Mackmen Perform at Perry Stadium Today; Blues Here Wednesday; Thomas Loses in Twelve Innings Monday.

BY EDDIE ASH
Times Sports Editor

The Indians' A. A. schedule was altered today to permit the Tribesmen to engage in a big league exhibition game with Connie Mack's Philadelphia Athletics at Perry stadium this afternoon at 3 o'clock. The American League champions agreed to stop over on their way to St. Louis and the Tribe officials previously had arranged to have today open for the feature by playing the Aug. 2 game with Kansas City on June 19 to make way for the visit of the famous Mackman machine. The Hoosiers will swing back into American Association action Wednesday afternoon and Eddie Zwilling's Cowboy Blues will be their opponents. Manager Mack promised to place his regular lineup on parade in the exhibition, including the new home run king, Jimmy Foxx, who is pacing the round trip hitters of the big show with forty-one circuit blows. The Athletics are fresh from two sensational 1 to 0 victories over Cleveland, and are in second place in the long route. The Mackmen helped open the new municipal stadium at Cleveland Sunday and played before more than 80,000 fans. Lefty Grove won that inaugural 1 to 0 and Lefty Walberg duplicated the feat Monday.

The Indians lost another tough one under the lights Monday night and Columbus left town tied with the Hoosiers for the A. A. runner-up berth, leaving Minneapolis seven games out in front.

Six and Five Hits
Bill Thomas, Tribe right-hander, matched his mound skill against two Columbus aces and lost, 3 to 2, in five innings. He allowed only six hits over the long route, but the Indians were held to five blows. Thomas fanned nine and issued four walks, one intentionally. Paul Dean hurled seven rounds for Columbus, allowing four hits, and Bud Parmelee pitched five stanzas, holding the home nine to one safety. Dean fanned five and Parmelee six. The Tribesmen were leading, 2 to 1, going into the ninth and a wild throw paved the way for a Birdy Barker, tying the game. Anderson, marker, trying the game. Anderson, on first up for Columbus, bunted to Thomas' right and the Tribe pitcher slipped on the soft turf and fell. He tried to make the throw anyway and the sphere went far over Winward's head at first, and Anderson dashed all the way to third.

Timely Swanson Single
Whitehead fouled out to Riddle and Culp walked. Swanson singled, scoring Anderson. Crawford forced Swanson and Sprinz fled out. In the twelfth a base on balls helped the Indians. Crawford worked Thomas for a pass. Riggs sacrificed. Sigafos tossed out Sprinz and Bilgere singled, scoring Crawford. The count was two strikes and no balls on Bilgere when he hit.

The Birds' first run, registered in the eighth, was put on by an error by Norris, rookie shortstop, after one down, Riggs reaching first. Sprinz was retired on a good play by Norris, but Lehouveau, batting third, scored Riggs with a sharp single to center.

Indians Score in Fourth
The two Tribe runs were chalked in the fourth. Kroner walked after one out, and raced to third on Winward's double. Taitt was passed intentionally, filling the bases. Sigafos grounded to Riggs at third and Winward was forced at that station. Kroner scoring, and Taitt reached third and Sigafos second when Riggs threw the ball away at first trying for a double play. Rosenberg singled, scoring Taitt, but Sigafos was unable to go beyond third on the hit, and Riddle was tossed out to retire the side.

The Indians had splendid chances in the seventh and eighth, but were helpless. Sigafos and Rosenberg landed on base with none down and in the seventh, but were left stranded, and in the eighth Fitzgerald tripled with nobody out and was left on. Sigafos and Rosenberg bounced out to Parmelee. Winward was called out. Parmelee, Winward fanned and Taitt rolled to Whitehead.
