

COIN HARVEY, PRIEST FAIL TO UNITE PARTIES

Both Are Nominated for President; Bitter Words Mark Split.

By United Press
ST. LOUIS, Aug. 18.—The great consolidation of the Liberty and Jobless parties into a united organization to fight the existing political machines ended today in fiasco with nomination of two presidential candidates.

Father James R. Cox, ruddy Roman Catholic priest of Pittsburgh, Pa., and aged W. H. (Coin) Harvey led their small bands of ragged followers toward home today, as bitter toward each other as they were against the Republicans and Democrats they planned to unite against. They had planned the convention on the mosquito-inhabited shores of Lake Creve Coeur to launch a mighty political party.

Planned Depression End
They planned to end depression through far-reaching governmental reforms. The new party, they said, would be America's savior from the evils of capitalism and the evils of Communism.

But of the 1,000,000 men they hoped would attend the gathering only a scattered 1,000 appeared. Cox and Harvey met. There were angry words. The religious issue was raised.

Neither was willing to allow the other's nomination as the joint party's presidential candidate.

So Cox took his followers to upper Creve Coeur lake and was nominated for president. Harvey stayed at the main campsite and received a similar nomination from his followers.

"Beer, Bonus and Bread"

Today Cox was driving his "little red truck," recently painted blue, back over the roads to Pittsburgh. Harvey was returning to Montene, Ark., with his group.

"Beer, bonus and bread," is Cox's platform.

Harvey, who has campaigned for free silver for thirty years, promised that he would take over the nation's banking system if elected and end bank failures.

He also promised a soldiers' bonus, the end of unemployment through a public works program, public ownership of public utilities and an end of the gold standard.

NAB FOUR MOTORISTS ON LIQUOR CHARGES

Traffic mishaps Wednesday night and early today resulted in arrest of four drivers and two passengers on liquor law violation charges.

When the auto he was driving struck a horse at Thirtieth street and Broadway, early today, injuring the animal badly, Marion Butler, 21, of R. R. 17, Box 197, was charged with drunken driving.

Similar charges were placed against John Johnson, 33, Lafayette, and Donald Rowland, 21, Lafayette, who was charged with being drunk, after Johnson is alleged to have failed to obey an automatic traffic signal.

An unidentified woman, slated as "Mary Doe" and refusing to give her name or address to police, was arrested on counts of drunken driving late Wednesday.

J. V. Brinson, 34, of 2211 West Morris street, was arrested on similar charges when halted by a motorcycle policeman at Thirtieth street and College avenue, late Wednesday night.

EARLY PAYMENT OF FALL TAXES URGED

Statement Will Be Ready Sept. 1, Says Treasurer Sexton.

Statements for the fall tax installment will be ready for distribution at the treasurer's office Sept. 1, County Treasurer Timothy P. Sexton announced today.

Sexton warned that continued action for tax reduction has resulted in increased number of delinquencies and urged all taxpayers to avoid "putting off" payment because delinquent fees will be assessed.

GANG REVENGE KILLING BARED

Pittsburgh Man Lured to New York; Slain.

By United Press
NEW YORK, Aug. 18.—John Bazzano, reputed ally of the three Volpe brothers, assassinated in Pittsburgh, was lured to his death here by a story that he could do some profitable business, police said today in revealing the arrest of fourteen men in connection with Bazzano's murder.

He came to New York on Aug. 3, police said. On Aug. 8 he was lured into a place in Brooklyn, stabbed twenty-two times and strangled. His body was found in a sack.

Police indicated they would charge the men, arrested in a series of raids during the night, with having conspired to kill Bazzano in revenge for the Volpe slayings.

Similar charges were placed against John Johnson, 33, Lafayette, and Donald Rowland, 21, Lafayette, who was charged with being drunk, after Johnson is alleged to have failed to obey an automatic traffic signal.

By United Press
ALBANY, N. Y., Aug. 18.—Franklin D. Roosevelt's transcontinental campaign tour will touch twenty-one states in the middle and far west, covering an estimated mileage of 8,000, the tentative itinerary revealed today.

The Democratic nominee will depart Sept. 12 and return to his home state Oct. 3, to attend the state convention at Buffalo. The itinerary, subject to some changes in dates:

Topeka, Kan., Sept. 14; Denver, Colo., Sept. 15; Cheyenne, Wyo., Sept. 16; Salt Lake City, Utah, Sept. 17; Butte, Mont., Sept. 19; Seattle, Wash., Sept. 20; Portland, Ore., Sept. 21; San Francisco, Sept. 22-23; Los Angeles, Sept. 24-25; San Diego, Cal., Sept. 25; ranch near Williams, Ariz., Sept. 26; Albuquerque, N. M., Sept. 27; Sioux City, Ia., Sept. 29; Milwaukee, Sept. 30; Chicago, Sept. 30-Oct. 1; Detroit, Oct. 2, and Buffalo, Oct. 3.

It is expected the nominee will make four or five major addresses on the tour, although he probably will speak at all stops, even though briefly.

The Roosevelt special will not be the elaborate train on which Alfred E. Smith made a lesser swing in 1928. It will have fewer cars and Roosevelt's party will be smaller.

By United Press
MADISON, Ill., Aug. 18.—Two persons were held today in the killing of Miss Ida Unland, 42, believed by police to have been beaten to death with a broomstick in the bedroom of her home here Wednesday night.

Discovery of the body, lacerated on the face and head, was announced by Dr. C. N. Kaiser of Madison, who was called to the home by friends of the dead woman.

Andrew Kanka, 44, and Miss Stella Olsen, 30, who live at Miss Unland's home, were placed under arrest. Both were at the house when Dr. Kaiser arrived, he told police.

MORE AFRICA HAS SHOWING IN CITY

Late Crowds at Apollo Theater Given Chance to See Martin Johnson Picture.

AN army of the best sound technicians aided Mr. and Mrs. Martin Johnson in making the alleged first and only talking picture made entirely in the African jungles, "Congorilla," which will have its logical premiere showing tonight at 10 o'clock upon the screen of the Apollo.

All attending the final showing of "Jewel Robbery" at 9 o'clock, are invited to remain as the theater's guests for the new film.

It is thought that no more daring safari has been undertaken by man than that pictured in "Congorilla."

The sound equipment further increased the trials and tribulations of the Johnsons.

Johnson is said to be an experienced cameraman and he personally supervised the battery of cameras and sound recording equipment.

More than 131,000 feet of sound film were recorded and photographed, according to reports, and more than two years were spent in making the pictures.

It is also reported that three months were taken to edit the finished product after it arrived in New York. The editorial work was supervised by Truman H. Talley, foremost sound editor of the industry.

Aiding Johnson in photographing the picture in the jungle was Richard Naedler. Lewis Tappan and Walter Hicks accompanied Mr. and Mrs. Johnson on the safari as sound engineers. The entire picture was directed by Dewitt Sage.

Short subjects will supplement the featured attraction on the program.

Theaters today offer: "Jewel Robbery" at the Apollo. "Downstairs at the Palace," "Doctor X" at the Indiana, and "Hollywood Speaks" at the Circle.

RELIEF FOR RAIL LINES NEARER

Congress Likely to Act Soon, Says Rayburn.

By Scripps-Howard Newspaper Alliance

WASHINGTON, Aug. 18.—Legislative relief for railroads by early next year apparently was in sight today as the result of assurances given by Representative Sam Rayburn (Dem., Tex.), chairman of the house interstate and foreign commerce committee.

Rayburn, here with Speaker John N. Garner, en route back to Texas, said he would make every effort to get bills passed in the house which would repeal the recapture clause of the interstate commerce act, regulate railroad holding companies and provide regulation for trucks and busses.

PREDICT HUGE DEMOCRAT LEAD

Roosevelt, Garner See Win by 6,000,000 Votes.

By Scripps-Howard Newspaper Alliance

WASHINGTON, Aug. 18.—The two men most interested in Democratic presidential victory, Governor Franklin D. Roosevelt of New York and Speaker John N. Garner of Texas—believe they will win next November by a majority ranging from 6,000,000 to 10,000,000.

They have been informed that a national magazine's preliminary presidential poll showed the Roosevelt-Garner ticket leading in forty-

four states by a great margin. The four states where President Hoover is shown to be holding his own are Maine, Vermont, Pennsylvania and Michigan.

Even such Republican strongholds as Kansas and Iowa, where the farmers now are on strike, were said to be leaning heavily toward the Democrats.

Exchanges of information between Roosevelt and Garner during their recent conferences convinced them that the "election is in the bag."

Reports reaching them as well as James A. Farley, national chairman, are that the present stock market and business revival is not helping Hoover enough to provide a political recovery. The Democrats say they have no fear on that score.
