## The Marchioness and Josedale Are Winners

Hambletonian Victor Sets Record in Rich Trot and Local Star Shines in 2:15 Setto; \$13,000 Pace for Juveniles on Wednesday.

Two divisions of the Horseman Futurity, for 3-year-old pacers and 2-year-old trotters, featured today's Grand Circuit harness racing card at the state fair ground oval.

The richest event of the season for 2-year-old pacers, the \$13,000 Frank Fox stake, headlines Wednesday's program.

The Marchioness, winner of the \$50,000 Hambletonian at Goshen a few weeks back, and Josedale, locally-owned trotter, carried off honors in Monday's initial Grand Circuit program.

The speedy filly Marchioness turned in two fast heats to capture the \$8,000 Horseman Futurity for 3-year-old pacers. Will Caton, the former Russian reinsman, who piloted Protector to victory in this event in 1931, was up on the Marchioness in Monday's triumph. Her 2:02 performance in the first heat broke the 2:02 1/2 record for the event, established by Protector in 1931. Her time in the second mile was 2:03 1/2. Calumet Chuck, driven by Berry, finished second in both heats.

With Doc Parrish in the sulky, Josedale stepped the first mile in 2:04 and the second in 2:02 to win the 2:15 early closing trot. The local chestnut star lost the final heat to the Hollywood Roman in 2:03 1/2. It was Josedale's eighth Grand Circuit triumph of the season.

Dick Reynolds, 4-year-old son of Single G, took the first and third heats in the 2:16 pace. White driving. He was shuffled out early in the second mile and broke in the stretch when coming fast. Martina Armstrong winning this heat. In the winning heats Dick Reynolds was timed in 2:03 1/2 and 2:03.

Doyle Parrish turned in his second victory of the day when he drove his 4-year-old, J. E. Vonlan, to victory in the 2:09 pace. He won the opening mile in 2:05 and the second in 2:04 1/2, losing the final heat to Billy Strathmore, driven by Hodson.

## Tribe Wins Two Before Departure for Toledo

Indians Jump Back in Running for Second Place by Downing Colonels Twice; Thomas and Daglia Go Route in Split Twin Bill.

Emmet McCann's Indians snatched out of it on Labor day, the so-called holiday, defeated Louisville twice and bounced back into the race for second place before they departed for Toledo late Monday night to begin a short series with the Hens today in the Maumee city. The club also will visit Columbus and then will return home on next Monday to tackle the Buckeye Birds at Perry stadium. The Columbus pastimers were only two and one-half games ahead of the Hoosiers today and there is a chance now for the Tribesmen to finish the campaign in the runner-up berth for a little consolation glory.

Happy days returned to the local stadium Monday afternoon and night and the fans were surprised by seeing two Tribe pitchers go the route. Bill Thomas beat the Colonels in the daylight struggle, 4 to 1, and under the lights at night Pete Daglia, heavyweight Italian from California, repeated with a 4-to-2 win after getting away to a bad start.

The Colonels scored in only two innings of the eighteen. In the afternoon they chalked up a lone marker in the sixth round on a triple by Simons and a single by Weiss, and at night their only scoring was in the first stanza, Daglia lightening up after emerging from the initial inning hole.

Rally in Seventh

The home nine had a tough time with Ken Penner in the daylight tilt and went to the fifth inning before scoring. After two down Sigafos singled, stole second and scored on a hit by Riddle. In the seventh the Hoosiers rallied for four hits and three markers. Rosenberg singled, Chapman sacrificed, Cooney singled, Sigafos doubled for his third hit of the game, and Riddle singled. Bill Thomas held Louisville to eight hits and the Tribe collected eleven.

In the night battle the fans received a load of thrills in the opening session. The visitors got to Daglia for two runs, but the Indians came through with four consecutive hits after one out and rushed three runners over the plate to take the lead, 3 to 2.

Rookie Relieves Jonnard

Claude Jonnard opened on the Louisville mound, and when Riddle and Daglia launched the second frame with his he was removed and Pilot Betzel of the Colonels substituted young McLean, a right-handed rookie. The lead was shaky on control, but pitched good ball, nevertheless, and was scored against only in the fifth inning when Huff doubled after one down, Rosenberg and Chapman drew passes to fill the sacks and Huff registered at the plate on a fly by Cooney.

Daglia kept nine Colonels hits scattered and struck out nine visitors. Ray White, rookie shortstop recalled from Williamsport, Pa. played great ball in the field, but went hitless in both Monday games. Fred Bedore performed at third base in place of Jack Kroner, who failed to deliver up to A. A. stand in the field.

Lowell Called In

Johnny Cooney, southpaw hurler, was at first base for the Tribe in the absence of Manager McCann and Ernie Wingard, both out for the season. Williamsport, Pa. is directing the team from the dug-out and coaching lines, and there's hardly a chance for him to return to the lineup this year. Wingard is incapacitated with a broken thumb received at St. Paul. Ed Lowell, rookie first sacker optioned to Scranton, Pa. will join the Indians at Toledo.

Results of Monday's games left the league-leading Millers eight games out in front and practically "in" with the pennant. Indianapolis moved from fourth to third and Milwaukee fattened its percentage in fifth position by defeating Kansas City twice. Four clubs—Birds, Indians, Blues and Brewers—are striving to console their followers by trying to end the campaign in the runner-up berth. Toledo is sixth and Louisville and St. Paul are in a tie for seventh. The guess is that Louisville will finish last.

100-TARGET EVENT

A 100-target shoot was the feature of today's program at Crooked Creek Gun Club.

Kaye Don to Try Again Next Year; Seeks Engine Trouble

DETROIT, Sept. 6.—Kaye Don, England's determined speedboat challenger, laughed at the jinx which foiled his Harmsworth trophy attempts for two successive years and began planning for a third shot at the coveted plaque next September.

The first move, the blond Britisher said, was to find out exactly what happened to the engines of his record-shattering Miss England III causing them to stop in Monday's crucial heat of the Harmsworth classic on Lake St. Clair, permitting Kaye Don to win his Miss America X to eliminate him without a fight.

After Don had taken a momentary lead at the start of Monday's second heat, his starboard engine stopped. While the craft limped along on one engine, the mechanic, Dick Garner, tried frantically to get it started. Nearly two laps had been covered when the port engine stopped and Miss England came to a standstill. Meanwhile Wood's boat continued zooming around the seven laps of the 35-mile course.

Don's white-hulled craft which set a world's record of 119.81 miles an hour in Scotland, has been hoisted out of the water at this boatwall and several mechanics are taking down the motors carefully, in hope of finding out why they failed.

## Philadelphia Auto Pilot Is Killed in Seven-Car Crash

BOSTON, Sept. 6.—Al Fraser, Philadelphia auto pilot, was dead today as the result of a sensational seven-car pile-up in a stock car race here Monday. Two other pilots, a police sergeant and two spectators were burned slightly attempting to remove Fraser from the flames which followed the crash. More than 10,000 persons witnessed the accident.

The crash occurred on the seventh mile of a scheduled fifty-mile race. Two cars locked wheels and skidded to a stop. Fraser, leading the race, was unable to miss the cars, and four others piled in. Gasoline tanks exploded, turning the wreckage into a flaming mass. The other pilots leaped clear of their cars before the flames broke out. Fraser's horribly burned body later was found under his machine. The race was called off after the accident. It was Fraser's third accident within a month. He escaped injury in the others.

Maurie Rose of Dayton won the fifty-mile free-for-all feature event with Malcolm Fox of Westfield, N. J., second, and Stubby Stubblefield of Los Angeles, third.
