

GIRL, 14, WEDS MAN, 31, TO AID NEEDY PARENTS

Court Assails Sacrifice of
Child; Father and
Mother Held.

Sacrifice of a 14-year-old girl who married Norval Per... 31, of 1050 Hosbrook street, to provide a home for her destitute family was disapproved by juvenile authorities today, leading to a petition for annulment.

Emma Grace Short, the girl, admitted she became the wife of Perse at Greenfield, Oct. 24, because "he was working" and could aid her father, mother and their four other children.

Her father, Daniel Short, 1647 Fletcher avenue, had been unemployed many months. The mother, Grace, helped her daughter obtain the license.

Complaint for annulment of the marriage on the basis Emma was "too young to know her own mind," was filed in superior court two.

Juvenile Judge John F. Geckler tried Perse on charges of contributing to his young wife's delinquency. The father and mother face child neglect charges.

Perse was convicted but sentence was postponed until Nov. 12, when the court disposes of the charges against Short and his wife.

Statement of the daughter to schoolmates that she would not get to attend school led juvenile authorities to investigate the case.

TREAT A COLD IN THE FIRST STAGE

—and You Nip It in
the Bud!

A cold ordinarily progresses through three stages: The Dry Stage, the first 24 hours; the Watery Secretion Stage, 1 to 3 days; the Mucous Secretion Stage. Relief in the first stage is far easier than in the later stages. In fact, it is taking chances to let a cold run beyond 24 hours.

As soon as you catch a cold the wise thing to do is to take Grove's Laxative Bromo Quinine. This famous tablet stops a cold quickly because it does the four things necessary. It opens the bowels. It kills the cold germs and fever in the system. It relieves the headache and grippy feeling. It tones the entire system and fortifies against further attack. That is the treatment a cold requires!

Grove's Laxative Bromo Quinine is effective, but harmless. Contains no narcotics and produces no bad after-effects. For years it has been the reliance of thousands in all cases of colds and grippe. Every drug store in America sells Grove's Laxative Bromo Quinine. Handy, pocket-size box, cellophane-wrapped. Get it today. Resent a substitute.
