

HIRAM JOHNSON DEMANDS NEW G. O. P. DEAL

Urges Progressives to Help Assure at Least One Future Liberal Party.

By Scripps-Howard Newspaper Alliance
WASHINGTON, Nov. 30.—The first move toward realignment of parties, suggested frequently since election, was under way here today, led by Senator Hiram W. Johnson (Rep., Cal.).

Immediately upon his arrival, Johnson proposed to Republicans, who, like himself, supported the candidacy of Franklin D. Roosevelt, that they take steps to make certain existence of at least one liberal party in the future.

Conservative Republicans already are laying plans to capture and control the Republican party organization.

Challenges Progressives
Johnson challenged progressives to fight for a new deal in the party, and to read out of it those who cling to a philosophy of government repudiated by the people.

"Herbert Hoover was correct when he stated during the campaign that it was a contest between different philosophies of government, and not between men," said Johnson.

"His philosophy of government overwhelmingly was repudiated by our people, and the other overwhelmingly was successful. We will have a new deal governmentally."

"Now there is a tremendous job ahead of progressive Republicans. First, we've got to do what we can, at this juncture, for the government."

New Deal is Mandate
"We've got to do what we can to make the administration of Roosevelt a success."

"And, we've got to make something of our party."

"I decline to admit that Harry Chandler and his friends own the Republican party, and I'm unwilling to have him control the organization in California."

"There has got to be a new deal in the Republican party, and, unless there is, the last election has its ominous warning. In that election we heard from the great mass of people, who believe government has been administered for the benefit of a special few, and fear that their government has forsaken them."

Grocery Is Robbed Fifth Time in Last Few Weeks.

The fifth burglary in the last few weeks was reported Tuesday night at the Kroger grocery at 1028 South East street, the loot averaging from \$100 to \$125 in merchandise each time.

Police were advised that the latest burglary probably required nearly two hours, as new locks placed on doors last week were of a type which would necessitate partly wrecking doors to effect entrance.

POOR FARM AID IS IMPOSSIBLE, BOARD REVEALS

County Council Has Blocked Relief Plans, Asserts Dow Vorhies.

The financial condition of Marion county has blocked plans for immediate relief from overcrowded conditions at the poor farm, county commissioner Dow Vorhies disclosed today.

Due to opposition of the county council to a plan to shift at least part of the inmates to the Indiana Christian hospital, and inability of the county to issue bonds for new building, the institution will be forced to accommodate its population in the present quarters, Vorhies said.

Only hope of solution of the problem lies with the legislature, which has placed a ban on issuing of bonds to finance the relief program, Vorhies stated.

List of inmates in the institution has grown to 750, largest in history.

Some of the public baths in Rome were lined throughout with sheets of lead.

When Your Cough Hangs On, Mix This at Home

Saves \$2. So Easy! No Cooking!

The best cough remedy that money could buy can easily be mixed at home. It costs very little, yet it's the most reliable, quick-acting medicine you ever used. The way it takes hold of stubborn coughs, giving immediate relief, is astonishing.

Any druggist can supply you with 2½ ounces of Pinex. Pour this into a pint bottle, and add granulated sugar syrup to make a full pint. To make syrup, use 2 cups of sugar and one cup of water, and stir a few moments until dissolved. No cooking needed. It's no trouble at all, and saves two-thirds of the money a family usually spends on cough medicine. Keeps perfectly and tastes fine.

It is surprising how quickly this loosens the germ-laden phlegm, soothes and heals the inflamed membrane, clears the air passages, and thus ends a severe cough in a hurry.

Pinex is a compound of Norway Pine, in concentrated form, the most reliable healing agent for severe coughs. It is guaranteed to give prompt relief or money refunded.
