

A Successful Voyage, Governor!

ONWARD, through stormy waters and through placid seas, the ship of state must ride. A new captain, a new pilot, guides her course. The cargo is precious, with him rides the hopes of every citizen, the fate of all the precious institutions builded through the years. Back of him is the faith of those who chose him for the magnificent task. In him is the loyalty, not only of the crew who must work under his direction, but the loyalty of men and women of every class and creed, of every political faith. They trust that the skies will be brighter, the going smooth. They turn to him with every trust that should danger menace, he will guide us safely to port. To you, Gov. McNutt, a successful voyage.
