

AYRES' DOWNSTAIRS STORE

Tomorrow at 9 A. M.—Our January Sale of
NEW SPRING WASH FROCKS

Just 3,000 of Them—NOT the Largest
 Quantity Ever Offered in the City—
 But the Most Outstanding QUALITY
 You'll Find in a "Blue Moon"—at

50c.

THIS is one of the most UNUSUAL house dress sales we know of! The dresses were not purchased from ONE manufacturer—instead the very "hottest numbers" were chosen from several better makers. Besides, we assure you that these are dresses of better QUALITY—offered at a real saving! Included is a great group of "Janalene" frocks—made right here in Indianapolis.

Beautiful new "missy" styles—styles for matrons—styles for older women. Short sleeves and long sleeves. Fine-woven prints—percales—plain color linene (cotton). Sizes 13 to 54—but not in all styles.

GUARANTEED NOT TO FADE!
