farm trucks. A strong west wind was piling up drifts in places which already had been cleared by snowplows. All dairies there reported milk trucks were stalled throughout the county.

Dashing into his flaming home to obtain water to fight the fire, cost the life of William Morris, 65, Nashville school bus driver, Thursday afternoon. Morris, who lived alone, is survived by a brother, Ed Morris of Indianapolis.

Man Frozen to Death

Richard Green, 56, Negro, of Marion, was found frozen to death on porch of his home after temperatures dropped to 15 degrees below.

At Evansville, Max Pemberton, 24, lies near death in a hospital from injuries incurred when his truck skidded on ice and crashed into a freight train at a crossing in Haubstadt.

Two sisters, Mrs. Ed Hartway and Mrs. Esie Fox of Wabash, are in a county hospital suffering from injuries incurred in an auto crash on an ice-coated highway south of there.

Report Numerous Fires

In 10 below weather at Tipton, firemen rescued a small daughter of the Rev. S. A. Gordon from the family's burning home as she lay ill.

Numerous fires were reported throughout the state.

Slack pavement was blamed for traffic accidents here Thursday night resulting in injury of the following:

Miss Lottie Hulse, 40, of 1338 Commerce avenue, four teeth broken and leg cuts; Robert Parrish, 48, living near Rural and Washington streets, leg bruises, and William Moore, 60, of 1821 North Pennsylvania street, cuts and bruises on the head.

Unusual Bargain In Antiseptics At Local Druggists

Local druggists are introducing a new oral antiseptic made by the makers of Vicks VapoRub. It is called Vicks Vortone Antiseptic.

Of course, the only real proof of its quality and economy is actual use. To make this proof possible, a special trial size has been prepared. It contains 2½ ounces—a 25c value. Its price, while the limited supply lasts, is only 10c.

You can use Vicks Antiseptic, in your customary way, for bad breath; as a gargle, mouth-wash, or antiseptic lotion; and for all the other customary antiseptic uses.

Born in a depression year, Vicks Antiseptic is priced accordingly. The regular size, large 10-ounce bottle, a usual 75c value—is only 35c.—Advertisement.

Wrinkles, age lines, deformed nose, moles, warts, pimples, superfluous hair and skin diseases corrected. Booklet free.

"Regarding the merits of Kolo-kol Iron Tablets, after taking only two boxes, I can only speak the very highest of them; they not only quiet the nerves, but give peaceful night's rest and sleep and filled with new life.
