CANNED FOODS

From the Shelves At

REGAL STORES

Every day and every week the canned foods buyer of Regal Stores opens can after can of foods before finally selecting those that have stood the rigid examination required for foods that are put under the Regal label.

Drop into a Regal store, buy a can of Regal foods—you'll be surprised at the low price—and when you open it at home you'll find that this canned foods buyer knew exactly the quality you wanted.

CANNED GOODS FROM
REGAL STORES USED

TIMES COOKING SCHOOL

Did You Know

THAT Regal Stores all over Indiana, Ohio and Kentucky, buy collectively through Regal Stores Warehouses to bring about lower money-saving prices for you on the finest foods obtainable.

Besides lower prices on better foods, you are assured of intelligent, courteous service at your favorite Regal Store because each Regal Store is owned and operated by a home-town individual owner.

For The TIMES
Cooking School

Mrs. Loudon
has selected

**KO-WE-BA
COFFEE,**

Of Course!

"I'm always very particular about the coffee used in my cooking school demonstrations, because really good coffee is so essential to the success of any meal—whether it's a family breakfast or a formal dinner. "In Indianapolis I find so many lovers of fine coffee always use KO-WE-BA Blend, that I have chosen it for all my demonstrations this week. I want you to see how I prepare this fine coffee and then you'll want to enjoy its wonderfully rich, delicious flavor in your home every day."

Who Eats at the Russet?

The busy business man who knows he will find quickly just the food of his choice—all temptingly prepared and at the most economical prices.

The fastidious business woman who recognizes the necessity of keeping fit, yet insists upon daintiness and moderate cost.

The weary shopper—and the leisurely woman who enjoys a little visit with a friend over a delightful well cooked meal.

Elevator Service

Every good cook knows that to prepare a palate pleasing dish you must not only have quality ingredients, but expert knowledge.

In tires you get no more out of a tire than the manufacturer puts into it in the form of quality cotton, rubber and compounds, and skilled, careful workmanship.

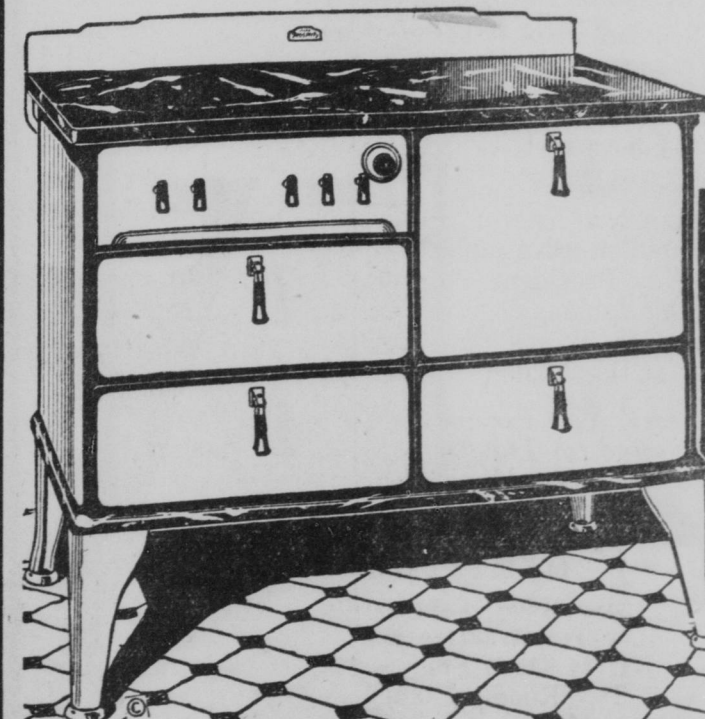

Miller Geared-to-the-Road tires are better; that is why both the factory and we guarantee them in WRITING to outwear any other tire made.
