Savings of \$77,400 on Printing Purchase of Drivers' Licenses Reported.

Robert Mythen, clerk of the state printing board, today pointed out an administration saving of \$77,400 for 1,000,000 new drivers' licenses as compared with the purchase of the same amount under the Republican administration of former Secretary of State Otto G. Ffield.

Ffield and his cohorts paid \$80,000 for the first drivers' licenses, which were replenished by the McNutt administration today for \$2,600.
