

# CREDITOR SUES CLOSED BANK'S STOCKHOLDERS

Double Liability Judgment  
Asked in Meyer-Kiser  
Court Action.

Suit to collect from sixty-five stockholders of the defunct Meyer-Kiser bank on a double liability basis, was filed today in circuit court by Charles D. Babcock, an attorney, who avers he is a general creditor with a claim of \$150.

Babcock, member of a depositors committee, states in the suit that he is acting for himself and more than 1,000 other creditors of the bank.

Among the defendants are stockholders who served until a week ago as liquidating agents, having been displaced by Thomas E. Garvin, receiver, appointed by Circuit Judge Earl R. Cox. These stockholders are Ferd S. Meyer, from whom the suit demands \$66,640; J. J. Kiser, \$66,000, and M. S. Cohen, \$66,500.

May Pay Well, is Claim  
From Sol Meyer the suit asks \$66,500. Amounts of \$6,000 or less are sought from remaining defendants.

Order for discharge of all former employees of the bank and cessation of operation of all departments was given Garvin by Cox today. Last Saturday Garvin discharged fourteen of the fifteen employees of the liquidating agents.

Depositor creditors of the defunct State Savings and Trust Company plan to continue their search for assets of the receivership, it was revealed today when petition was filed with Cox asking for a further investigation.

## Examination Is Sought

The petition, signed by K. I. Hamilton, J. S. Siskoff, R. D. Evans and S. Pat Solomon, asked the court to "arrange for an examination of the records and activities of the officers of the bank and its subsidiary, the State Property Company."

Meyer-Kiser bank depositors could be paid in full, if total assets of the bank can be liquidated at an average of 70 per cent of their book value. Kiser said today, adding that only time and general business conditions govern this possibility. Garvin Thursday said the bank may pay depositors 25 cents on the dollar.

Kiser said that income from all sources during the twenty-three months of liquidation of \$262,545.75. Expense for the same period, he said, was \$232,125.27, leaving a net operations profit of \$30,420.48.

## Cites Examination Results

Examination by the state banking department showed approximately the following, Kiser said:

Total liabilities, exclusive of \$614,000, in capital surplus and undivided profits, \$1,878,000; total book value of assets, \$2,492,000, valued by banking department at \$1,373,000.

If the assets are liquidated at the value placed on them by the banking department on the basis of the recent examination, depositors and creditors would receive approximately 70 per cent, Kiser said.

Receivers for the Belmont State bank and Virginia Avenue State bank, closed recently on order of the state banking department, were appointed today by Judge John Kern in superior court one.

Frank B. Ross, attorney and former probate judge, was named the Belmont receiver with bond of \$15,000. Edward A. Olier, attorney, was appointed the Virginia Avenue receiver at \$10,000 bond.

# Hemorrhoids Go Quick

All Pile Misery Ended Without Cutting or Salves.

Thousands who have piles have not yet learned that quick and lasting relief can only be accomplished with an internal medicine. Neither salves nor suppositories remove the cause.

Bad circulation of blood in the lower bowel causes piles. The hemorrhoidal veins are flabby, the bowel walls weak—the parts almost dead. To get rid of Piles an internal medicine must be used to stimulate the circulation, drive out the thick impure blood, heal and restore the affected parts.

Dr. J. S. Leonhardt, after years of study, found a real internal Pile remedy. He called his discovery HEM-ROID, and prescribed it for 1000 patients with success in over 900 cases, and then decided every Pile sufferer, no matter how stubborn their case, might try his prescription with a money back guarantee.

HEM-ROID tablets have such a wonderful record of success that HOOK'S Dependable Drug Stores and all good druggists invite you to try HEM-ROID and guarantee money refunded if it does not end your Pile misery.—Advertisement.
