Bitter Battle Looming as  
Notice Is Served for  
New Wage Slash.

By United Press  
CHICAGO, June 15.—Railroads of the nation served formal notice upon their union employees today for a further 12 1/2 per cent reduction in wages.

The reduction would be effective next October and comes after a 10 per cent voluntary pay deduction had been operative for a year and a half. Approximately 1,000,000 railroad workers, their families and their mode of living would be affected by any change in the wage scale. Consequently, a bitter fight was forecast as union executives declared unalterable opposition to the proposed reduction.

It appeared likely the conflict between the giants of transportation

# ACCUSED MAN DIED IN FARM FIRE, IS CLAIM

Paul Brown Dead, Assert  
Attorneys in Indiana  
Mystery Case.

By United Press  
FRANKLIN, Ind., June 15.—A deposition covering an autopsy of two bodies found in fire ruins of the Lee Brown home near Nashville in 1930 was studied carefully in Johnson circuit court today during the \$10,000 damage suit against the Brown estate.

Defense attorneys introduced the deposition in an attempt to show that Paul Brown, son of Lee Brown, is dead. Paul is defendant in the \$10,000 damage action instituted by Chester Bunge, Brown farmhand.

Bunge alleges that when he arrived at the flaming house, Paul Brown shot and wounded him. Since Mr. and Mrs. Brown and Paul all disappeared at the time of the fire, doubt has arisen as to

identity of the two persons whose bodies were found in the ruins. At first, medical chemists believed the bodies to be those of a man and a woman, ostensibly those of Mr. and Mrs. Brown. But later another autopsy indicated that they were those of two men, presumably father and son.

Defense attorneys are attempting to prove that Paul's body was one of those in the fire.
