

M'NUTT NEAR 'SHOWDOWN' IN WAR ON BOARD

Agriculture Chiefs Prepare for Clash at Meeting Here June 29.

Long brewing conflict between Governor Paul V. McNutt and the state board of agriculture is scheduled for a showdown at a full meeting of the board, to be held June 29.

The board was the one state department which caused the Governor to compromise during the 1933 legislature. It has a semi-official standing and controls its own funds. Effort was made by McNutt to put complete control into his hands, as was done with all other departments.

But the board emerged with its funds still intact and E. J. Barker remaining as secretary until Jan. 1, 1934.

The Governor announced then that he "never enters a fight to lose."

This week the board headquarters, which is Barker's office and handles all the state fair business, is scheduled to be moved out of the statehouse. It will be housed in the administration building at the fair-ground.

In addition to this move, the Governor has appointed J. D. Hull, Jumbus, as assistant to Barker. Hull was in charge of the agricultural division of the Democratic state committee in the McNutt campaign.

Barker was informed that Hull will be his successor.

So the point to be settled at the board meeting is whether it will pay Hull from board of agriculture funds until Barker leaves. The Governor is paying him from his emergency fund now.

FEDERAL PARK CHIEF MAY QUIT POSITION

Horace M. Albright Is Considering Private Enterprise.

By Scripps-Howard Newspaper Alliance

WASHINGTON, Jan. 20.—Horace M. Albright, director of national parks, seriously is considering resigning from the federal service to enter private employment. He is expected to announce his decision this week.

Friends of Albright, who has been with the national parks service twenty years, believe he will accept the lucrative offer which has been tendered him. If he quits, it is believed Arno B. Cammerer, now assistant director, will succeed him.

Under the proposed reorganization program, the position becomes of added importance owing to the addition of public buildings, national cemeteries and District of Columbia parks to the jurisdiction of the parks service.

CUT INTRA-CITY POSTAL RATES TO TWO CENTS

Letters for Delivery in Same Town to Cost Old Figure.

By United Press

WASHINGTON, June 20.—A letter for delivery in the same city or town in which it is mailed will require only a 2-cent stamp on July 1 and after. The rate on mail for outside destinations will continue at 3 cents.

Postmaster-General Farley, announcing the reduction on local mail, said the postoffice department hoped to regain much business which was lost when the rate was increased to 3 cents last July.

Many concerns have been sending out bills and other local communications by messenger.

The reduction in local rates is being made under terms of an act passed at the recent session of congress. The act also permits the President to change the rates on other classes of mail, if this should be found advisable later.

Twenty-two postoffices will be promoted on July 1 to a higher class as a result of increased business during the last year.
