

## RAIL CHIEFS DROP PLAN TO SLASH WAGES

Agreement With Unions Is  
Signed: No Pay Change  
Before 1934.

By United Press  
WASHINGTON, June 22.—The railroads were linked in the national recovery drive today under a formal agreement abandoning their effort to clip millions of dollars from the paychecks of railroad workers.

The major compact between the railroads and the labor brotherhoods continues present wages until June 34.

The agreement was signed Wednesday night after Joseph Eastman, federal transportation co-ordinator, had intervened in the wage dispute and pointed out that any wage reduction would be wholly out of line with the government's effort to increase purchasing power throughout the country as a basis for revived production.

**Cancel Slash Plan**

As forecast by the United Press, the railroads canceled their notice of intention to seek a permanent 22½ per cent reduction in wages. The brotherhoods on their part surrendered their opportunity to seek restoration of the existing 10 per cent "deduction."

The time for filing notice by either party of intention to seek a change is advanced to Feb. 15, 1934.

Announcing the agreement, Eastman said both parties "have been reasonable and amicable and they merit the commendation of the country."

### Help the Administration

"This agreement," he said, "has been reached because both the railroads and the employees wish to do nothing which would in any way embarrass or threaten the present policy of the administration. They realize that the government now has embarked upon a wholly new policy designed to promote business and industrial activity and to further the general welfare."

They appreciate that until the results of this policy can be determined more clearly, it will be difficult to deal wisely with this wage controversy, and that active prosecution of such controversy at the present time might have a most disturbing and unsettling effect."

### WOMAN IS SET FREE IN MUNICIPAL COURT

Charge of Operating Disorderly  
House Is Discontinued.

Charges of operating a disorderly house were dismissed Wednesday for lack of evidence when Myrtle Brathauer, 43, East Market street, better known as Myrtle Burkhardt, appeared before Paul Rochford, judge pro tem.

Arrest of the Burkhardt woman followed a raid by Sergeant Kent Yoh, patrolman Orville Quinnette and Russell Dean, deputy prosecutor, shortly before the Speedway race.

Charges of visiting a disorderly house filed against a prominent Indianapolis real estate man and a race driver, were dismissed recently.

Rochford continued to July 29 the case of Marie White, alleged inmate.

### Returns For Car; Arrested

Raymond Jackson, 19, New Palestine, was arrested Wednesday night in the 500 block, Birch avenue, when he is alleged to have returned for a stolen car he had abandoned there when it ran out of gas. Jackson said he intended to return the car to Wanamaker, Ind., where he had stolen it, according to police.

### FACTORY WORKER ILL SIX WEEKS

Able to Work Again After  
Taking Lydia E. Pinkham's  
Vegetable Compound

"I work hard in a factory. At one time I was home for six weeks, too weak and run-down to work. I tried different medicines and I was all discouraged but after I started taking Lydia E. Pinkham's Vegetable Compound I could feel myself gaining strength. It built me up so I can work." —H. L. Satter, 97 Norfolk St., Cambridge, Mass.

If you are weak, nervous and run down, give this medicine a fair trial. Remember that half a million women say, "It helps me."

## Mabel Willebrandt Wins Verdict in Libel Battle

Mrs. Mabel W. Willebrandt

By Times Special

NEW YORK, June 22.—A legal conflict which has raged for almost four years ended in federal court here Wednesday, when a jury returned a verdict in favor of Mabel Walker Willebrandt in the libel case filed by Guy O. Nations of St. Louis. Nations was an Anti-Saloon league official and former prohibition ad-

ministrator in St. Louis. He demanded \$200,000 damages, charging that in a syndicated article published in August, 1929, Mrs. Willebrandt falsely accused him of attempting to obstruct justice in the prosecution of his brother, Heber Nations, for conspiracy to violate the Volstead act.

The jury was out twenty-six minutes. The trial began Monday.

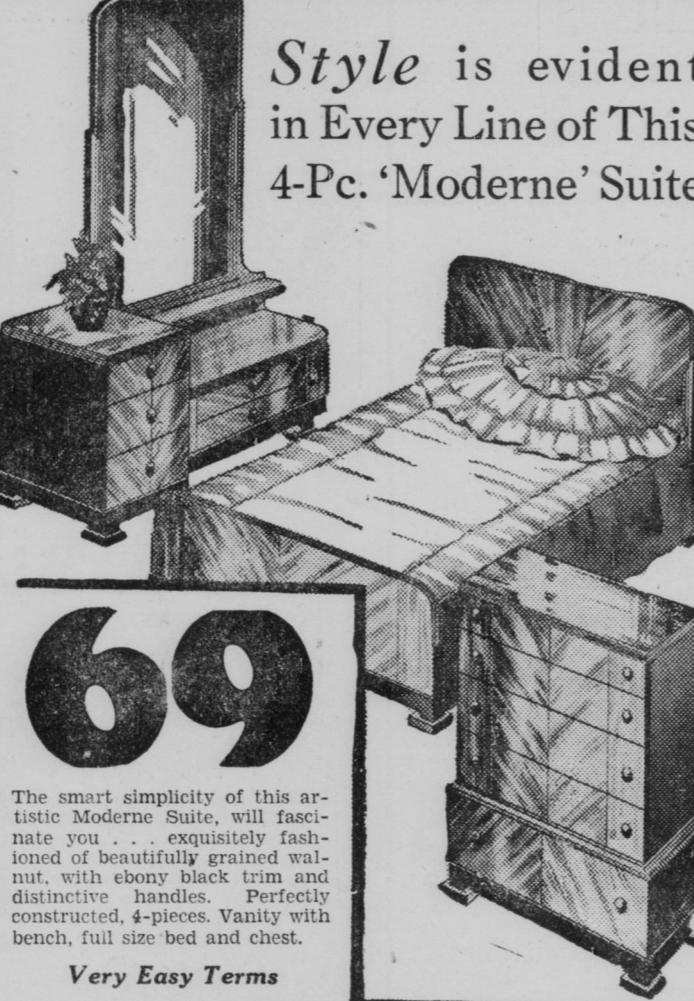

It is estimated that 73 out of every 100 men who enter a store to buy a suit of clothes actually buy a suit. Women customers shop with less directness.

## PARTY LEADER MAY QUIT POST, OPPOSE HITLER

Cabinet Break Expected to  
Block Nazi Chief's  
Program.

By PAUL KECKSKEMETI  
United Press Staff Correspondent

BERLIN, June 22.—Chancellor Adolf Hitler faced his first formidable opposition in his "harmonization" of the Fatherland today.

Dr. Alfred Hugenberg, leader of the powerful Nationalist party and influential industrialist, almost was certain to resign as minister of commerce and agriculture in Hitler's cabinet and to protest dissolution of the Nationalists' "fighting squads" to President Paul von Hindenburg, circles close to the government believed.

President Hindenburg, although he has co-operated fully in the Nazification of Germany, has the power to dissolve any cabinet at any time and enforce his commands with the might of the army. Such a possibility was believed unlikely, however.

Hindenburg, at present, is away from Berlin and will not return for several days.

Hugenberg's resignation would force Hitler to recall the Reichstag to extend the terms of the authorization by which cabinet decrees have replaced legislative functions in ruling Germany. Hitler's authorization is for a cabinet of the "present composition."

It is estimated that 73 out of every 100 men who enter a store to buy a suit of clothes actually buy a suit. Women customers shop with less directness.
