

HEALTH CHIEFS FIGHT STEPS TO SLASH BUDGET

Department Officials Object
to Efforts to Cut 1934
Funds.

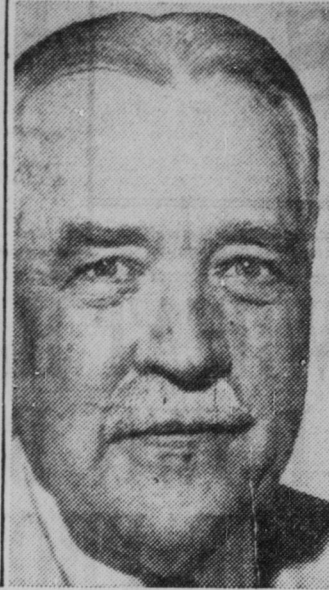

Health department officials objected to efforts to cut their budget for next year at a conference today with Mayor Reginald H. Sullivan.

The department may be asked to take a \$42,000 cut, in the face of assertions by its officials that the depression greatly has increased its work.

Number of patients at city hospital and persons treated in their homes by hospital staff members, has doubled, department officials declare, and six doctors have been added to the staff in an effort to cope with the situation.

"Everybody in the department has assumed twice the amount of work they had formerly and have also accepted a 15 per cent salary cut," is the situation as seen by officials.

LOSES \$3,158,855

Kenyon V. Painter (above), Cleveland capitalist, has accepted judgment against him for \$3,158,855 in a suit brought by the conservator of the defunct Union Trust Co. of Cleveland. A director of the bank, Mr. Painter, was revealed as a borrower of this amount from it. He said he had borrowed to buy more bank stock to uphold its price.

NORMAN DAVIS AND ROOSEVELT IN CONFERENCE

Roving Ambassador Dares
Seven Miles of Fog on
Trip to Schooner.

By United Press
LAKEMAN'S BAY, ROQUE ISLAND, Me., June 28.—A navy life boat today carried Norman Davis, America's roving ambassador, through seven miles of fog blanketed Atlantic to the side of President Roosevelt on his schooner Amberjack II.

Davis, summoned to present to the chief executive full details of the Geneva disarmament conference, was transferred at sea from the destroyer Bernadou to the small from the destroyer Ellis which had slowly picked its way through a wall of white mist.

Board the Amberjack the President lost no time in getting down to brass tacks with Davis, who also is chief of the American delegation to the Geneva conference.

O'NEILL SLATED TO GET STATE SECURITIES JOB

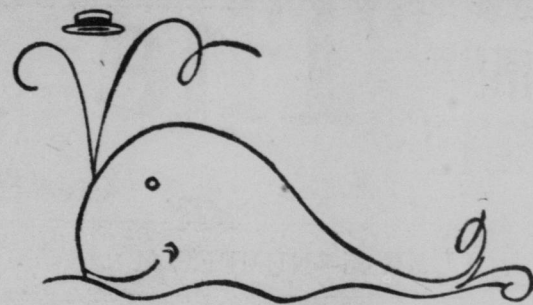

Former Lieutenant-Governor
Again Will Be Named
Department Chief.

William P. O'Neill, Mishawaka, former Lieutenant-Governor and one of the few old-time Democrats at the statehouse, will be reappointed state securities commissioner, it was announced today by Governor Paul V. McNutt.

O'Neill originally was appointed to the post when Frank Mayr Jr., South Bend, took office as secretary of state. Throughout the bitter battle between the Mayr and McNutt forces he avoided factionalism and remained an ardent Democrat.

The securities commission and corporations department remain in Mayr's office, but McNutt names the personnel.

Joseph Hoffman, Indianapolis attorney, will remain as corporations department head.
