By LEFTY LEE
Times Fishing Editor.

Fishing conditions for the angler who really goes to get the fish should be fine over the week-end, as reports from virtually all streams and lakes in the state tell of the fish biting in the early morning hours and late at night. During the heat of the day the finny tribe is quiet. Here are conditions as reported by wardens:

Harry Walker, La Porte—Lakes and rivers very low. No rain for thirty-five days. Fish biting good early morning and late at night.

Warden Downey, Elkhart and St. Joe—Good fishing early and late. Water low.

Noah Eaton, Warsaw—Good early and late. Water low. Eaton also reports seeing small stream on Dr. Long's farm, which was drying up and taking ten pike, forty crappie, and five redeye, which he placed in Barbee lake.

Warden Havel, Jasper and New-ton—Good early and late. Hot and dry. Rivers low. Fine catches of bass reported, mostly in river beds. Fly fishing good.

Good Catches of Bass

Warden Perley, Fulton and Pusaski, crappie and bass being caught in all lakes. Some nice catches of bass and redeye reported near Talmia, in Tippecanoe river.

Warden Marrs, Whitley and Allen—Good fishing early and late. Fine catches of bluegill on catalpa worms and crickets. The gills are partial to the catalpa worms.

Fish crews from Sylvan lake report the lakes and rivers in fine shape for fishing.

Wardens Roth and McLean, Lake Shafer and Freeman—Blue gill biting on both lakes. Silver bass biting early and late. Small mouth bass hitting in Tippecanoe. River clear and low. A six-pound black bass was taken at Oakdale dam Sunday.

It was the second largest peace-time deficit on record and amounted to \$4,800,000 for each day of the year.

Expenditures for the year approximated \$3,950,000,000. Income from taxes, customs and other sources will be in charge of the Sunday school superintendent, David H. Whitham, and the minister, Dr. Edward Haines Kistler. Sermons for the Sundays in July will be fifteen minutes in length.

At the same time, ordinary expenses were being slashed \$846,000,000 through reductions in veterans' benefits and pay roll clashes and dismissals.
