

MILLION TO GET JOBS IN PUBLIC WORK PROGRAM

Federal and City Projects Approved as Step in Campaign.

WASHINGTON, July 14.—Approval of federal and municipal works projects involving expenditure of \$115,513,610, was announced today by Interior Secretary Harold I. Ickes as the first step in a campaign to put 1,000,000 men to work by Oct. 1.

The program included \$46,561,342 for federal projects; \$552,068 for municipal construction; and \$50,000,000 which had been set aside in the industrial recovery act for road building in national parks, national forests, Indian reservations and on public lands.

As administrator of the \$3,300,000,000 building program, Ickes issued a statement declaring that the projects approved had qualified "within the intent of congress and the policy of the administration that only work of permanent and real social value shall be embarked upon."

The board now has before it a vast number of additional projects which may or may not meet with their requirements," he said. "Absence of these projects from the first list does not of necessity disqualify them."

The approved federal and municipal program raised to \$733,513,610 the total allocated thus far from the public works building fund.

President Roosevelt previously had allotted \$400,000,000 to the agriculture department for distribution to the states for highway construction, and \$238,000,000 to the navy department for ship building.

FOUR FLEE AMID SHOTS

Leave Auto After Colliding With Police Radio Cruiser.

Four men riding in an automobile which collided with a police radio car at Brook and Drake streets, Thursday night escaped on foot despite a fusillade of shots fired by police.

Radio patrolmen Nelson Granderson and Jesse Hadley said the collision occurred as they drove out of an alley north of Drake street. The other car was wrecked as it struck a curb.

Fun Nights at Riverside Sponsored by The Times

Coupon and Nickel Entitle You to Ride on Parks' Many Thrillers.

Just for fun! For more than a quarter century "Just for Fun" has been the motto of Riverside amusement park, and the slogan aptly will describe the motives of The Indianapolis Times in arranging for a series of Times Nights at the park.

The Times will bear half the cost of your evening of fun on the big rides and other concessions. The Times wants you to have a lot of fun. Prices of everything are going up. That's not much fun for the fellow who pays the bills.

But it will be a lot of fun to spend an evening in the big Riverside amusement park, with somebody else paying half the cost. And that is just what The Times has arranged to do.

Starting on Saturday night, July 22, one "Just for Fun" coupon, Times Fun Nights will be observed each Saturday night at Riverside, when it will cost but 5 cents to ride on any of the "Just for Fun" concessions: The Thriller, Flash Mill Chutes, Motor Boats, Dodgem, Aerial Swing, Canals of Venice, Merry-Go-Round, Pretzel, Whip, Motor Speedway, Fun Castle and Topsy Town.

PROTESTS HALT OF LABOR TALK

Prevented From Explaining Recovery Act, Says Galloway.

Representative Fred Galloway (Dem., Indianapolis) Thursday sent a letter of protest to Hugh Johnson, administrator of the national industrial recovery act, regarding alleged treatment he received when trying to unionize workers at the

American Foundry Company, 1300 Naomi street.

The letter set out that he sought to make a speech explaining the right to organize under the recovery act during the noon hour Monday.

About twenty employees were listening when ordered within the gate and the gate closed under directions of the foreman, the letter charges.

"This gate is open at all times during working hours and during the noon hour," Galloway said in the letter, and continued:

"Our purpose in writing this to you is that we believe the action on the part of these officers of this plant is a direct and willful violation of the national industrial recovery act."

"Will you please advise if the action of this company, as indicated, is a violation of the law?"

Copies of the letter also were sent to Miss Frances Perkins, secretary of labor, and Donald Richberg, general counsel for the recovery act.

Park Swimming Pool Closed
The Ellenberger park swimming pool today was ordered closed temporarily by W. H. Middlesworth, city recreation director. Middlesworth said repairs in the filtration system necessitated the closing.

INVALID TRIES SUICIDE
Young Woman Takes Poison in Death Attempt.
Miss Geneva McClain, 21, an invalid who rooms at 731 Fletcher

avenue, is in city hospital suffering effects of poison she swallowed Thursday night in a suicide attempt at her home.

The recent flight over Mount Everest has shown the existence of two unknown glaciers.
