

TRACK FINALS TO BE HELD AT WILLARD PARK

Annual Playlot Meet to Draw Talent From Entire City.

Finals in the annual track meet for city playground athletes, sponsored by the city recreation department, will be held Friday afternoon at 1, at the Willard park track, State avenue and East Washington street.

The south side sectional track meet, to determine south side representatives in the finals will be held at 1 today at Delevan Smith field.

First, second and third place winners in all events in the sectionals will appear at the finals. Third place winners will not be allowed to run, except in case of either a first or second place winners absence. All contestants must appear in track suits. Eight contestants will take part in each event, with exception of field events where a tie took place in the sectionals, both contestants will take part.

Events Are Listed

Events for the finals are as follows:
Juniors—50-yard dash; 100-yard dash; broad jump; high jump; and 220-yard relay.

Seniors—50-yard dash; 100-yard dash; 220-yard dash; high jump; broad jump; shot put, and 440-yard relay.

Finals in the junior and senior girls' events will be held at the same time under the direction of Miss Alma Tiefert, supervisor of girls' games and athletics for the recreation department.

Girls' events will include:
Juniors and Seniors—50-yard dash; 75-yard dash; broad jump; high jump, and shuttle relay.

Athletes Are Discovered

Three sectional meets, those of north, east and west sides, were held early this week, and a number of real athletes were discovered by Clifford Courtney, director of the meet.

Only a few contestants from the north side made an appearance Monday morning at the Butler university track, where the meet was held, and the result was that Orville Higgins of Fall Creek grounds won first place in the 50-yard dash, 100-yard dash and broad jump for juniors.

Wayne Brown of Fall Creek placed second in the 50-yard dash and third in the 100-yard dash. Francis Holsapple of Golden Hill grounds was second in the 100-yard dash and high jump. Bradford Holscher, Fall Creek, placed third in both the 50-yard dash and broad jump.

Single Girl Entrant

Only three senior boys made an appearance, and all were listed as eligibles for any senior event in the finals. They are: Ralph Williams, Harry Adkins and Don Brown.

Peggy Rand of Fall Creek, was the only girl to appear and was listed as eligible for all senior girls' events in the finals.

In the east side meet held Monday afternoon at Willard park there was a large turnout, and several of the athletes showed form in going through the events.

Sanford Bennett of Willard, last year's high point man of the finals, showed the way to all other senior contestants, gaining five firsts in the senior meet.

James Sullivan, also of Willard did the same in the junior events, taking three firsts.

East Winners Named

First, second and third place winners in the east side sectional were as follows:

JUNIORS

50-Yard Dash—James Sullivan, Tom Griffin and Bob Parley, all of Willard. Time, 11.2-5.

One Hundred-Yard Dash—James Sullivan, Tom Griffin and Bob Parley, all of Willard. Time, 11.2-5.

Broad Jump—James Sullivan, Bob Parley and Tom Griffin, all of Willard. Distance, 14 feet, 2 inches.

High Jump—Bob Parley and Tom Griffin, both of Willard, first and second respectively. James Sullivan, Paul Lawhorn, Dick Chatterbox and Jack Booth, all of Willard, tied for third. Height, 4 feet, 6 inches.

220-Yard Relay—Won by Willard team composed of James Sullivan, Bob Parley, Dick Chatterbox and Tom Griffin. Time, 25.2-5.

SENIORS

50-Yard Dash—Sanford Bennett, Bob Donnelly and Bob Lengenfelder, all of Willard. Time, 10.2-5.

One Hundred-Yard Dash—Sanford Bennett, Bob Donnelly and James Sullivan, all of Willard. Time, 11.2-5.

220-Yard Dash—Sanford Bennett, Bob Donnelly and Bob Lengenfelder, all of Willard. Time, 25.2-5.

High Jump—Bob Donnelly and Sanford Bennett, both of Willard, and Mack Jones, Hubbard, Heights, tied for first. Height, 4 feet, 6 inches.

Broad Jump—Sanford Bennett and Bob Donnelly, both of Willard, and Mack Jones, Hubbard, Heights, tied for first. Distance, 14 feet, 2 inches.

Shot Put (12 lb.)—Sanford Bennett, Willard, 22 feet, 6 inches.

440-Yard Relay—Won by Willard team composed of James Sullivan, Bob Donnelly, Bob Lengenfelder and Sanford Bennett. Time, 25.2-5.

Results of the west side sectional held Tuesday morning at the Washington high school athletic field are as follows:

JUNIORS

50-Yard Dash—Melvin Ollman, Lantz, Rager, Hoffa, Riley and Bob Kerrey, Hawthorne. Time, 11.2-5.

Volley Ball Teams Open Play for Championships

Upper—No. 1 volleyball team of Indianola park closing in on the No. 2 team after having served.

Lower—No. 1 team has batted ball over net to right sideline to gain a point. No. 2 team player is shown attempting to return the ball and save the point.

City playground volleyball championship contests will get under way at many of the local play spots next week, Bob Nipper, supervisor of boys' games and athletics for the city recreation department, has announced.

Only a few contestants from the north side made an appearance Monday morning at the Butler university track, where the meet was held, and the result was that Orville Higgins of Fall Creek grounds won first place in the 50-yard dash, 100-yard dash and broad jump for juniors.

Wayne Brown of Fall Creek placed second in the 50-yard dash and third in the 100-yard dash. Francis Holsapple of Golden Hill grounds was second in the 100-yard dash and high jump. Bradford Holscher, Fall Creek, placed third in both the 50-yard dash and broad jump.

FOUR TEAMS TO BEGIN PLAY FOR DIAMOND TITLE

Winners in Leagues in Different Sections of City to Compete.

The regular season over, four teams, the best of their respective sections of the city, settle down to real championship play this afternoon at 2 at the Rhodius park diamond, for semi-final play in the city playground softball championship.

Much warfare is expected to flare when the four teams get into action, three of the teams having completed their regular nine-game schedules without defeat, while the other suffered only one loss.

Unbeaten teams of the city include Greer street playground team of the south side league; Riley playground team of the west side league, and Fall Creek playground team of the north side league. Ellenberger playground team of the east side league is the other semi-finalist.

South Side Team Favored

As in seasons past, the play will get under way with east battling west, and north testing the south. For the first time in many years, a south side team is favored to win the championship, the Greer street team having shown great power throughout the season.

Riley players, however, are determined to retain the championship for the west side, won by American Settlement team last year, and the two teams are likely to be the ones to square off for the championship round next Wednesday afternoon at the same time at the Ellenberger park diamond.

Ellenberger team has stated its desire to play one more game this season on its home ground, and this may prove an upset for the strong Riley team. Fall Creek, regarded by Greer street performers all year as a "weak sister," despite its clear record, is not to be overlooked, and may be in on the finals.

Week of Rest Taken

Twenty-four teams in all started the season seven weeks ago, under direction of Bob Nipper, supervisor of boys' games and athletics for the city recreation department, and at the close of the nine-game schedule, last Wednesday, players on all teams were fatigued.

A week's rest, however, has put players of the four top teams in great shape. Last year's winner made the point, showing this year that any city champion has ever made, playing the entire season without gaining a victory over any of their rivals.

The finals in the championship chase, previously were planned to be held at Willard park, but because of the roughness of the diamond there, it was decided by Nipper to hold the play-off at the Smooth Ellenberger park diamond.

Scores of last week's games in the four leagues were as follows:

League	W.	L.	Pct.
Greer	9	0	1.000
Kansas	7	2	.778
Orange	6	3	.667
Greer	6	3	.667
Rhodes	5	4	.556
Willard	4	5	.444
Ellenberger	3	6	.333
Greer	3	6	.333

Final standings, games won and lost, and percentage of the four leagues is as follows:

Water in Garfield Swimming Pool Cleaned in Parks Filtration Plant

General view of the Garfield park swimming pool with several hundred swimmers taking their daily cool-off.

Drinking Fountains Also Are Supplied From Deep Driven Wells.

Swimmers at the Garfield park swimming pool are accorded one of the greatest treats of any pool in the world, that of swimming in drinking water.

The Garfield pool is one of the five municipal pools in the city, maintained by the city recreation department.

The large filtering plant, located at the east end of the pool, is one of the finest and makes a complete change of water in the pool every ten hours.

Driven wells, 350 feet deep, supply all water at the park and the water is filtered in two large pressure filters before being forced into the pool.

The system, according to Bob Goodwin, supervisor of swimming for the recreation department, will save the department approximately \$500 this year on water bills.

"Water bill for the pool cost \$900 last year, according to Goodwin, whereas water for the pool and all other city pools cost only \$400 this year, that cost being for the upkeep of the filters."

Through the system the water from the deep wells is pumped into the filters where it is forced through several layers of sand, removing all dirt and germs.

Golden Hill playground, south of thirty-eighth street, near North-western avenue, was awarded the title of cleanest grounds in the city for the week ended Aug. 5, city recreation department officials announced.

The grounds are comparatively new, having been opened this year. Miss Ruth Agan, 1205 West Thirty-sixth street, is instructor.

Life Saving Tests Passed by 57 at Pools, Beaches

Red Cross Leaders Instruct Swimmers: Classes to Start Monday.

Thirty-five junior and twenty-two senior boys and girls from Rhodius park and Ellenberger park pools and McClure beach passed life saving examinations last month, James Clark, director of life saving, Indianapolis chapter, American Red Cross, announced today.

Those who passed the tests were: Rhodius Park, Juniors—Virginia Skufka, Carl Corbin, Virginia De Prez and Daniel Stephenson.

New classes at all city pools and beaches will begin Monday, Clark announced.

Classes this week are being held at Longacre pool and Ravenswood beach.

McClure beach players tied last week with Rhodius park pool team with three won and one lost, gained a tie with the Willard park pool team when they won three games during the week.

Only a few more games remain to be played in the city championship, and the McClure team is an even bet to take their one remaining game with the Willard team.

Standings of the six city teams at present are as follows:

Team	W.	L.	Pct.
McClure	6	1	.857
Willard	6	1	.857
Ellenberger	4	4	.500
Rhodius	2	4	.333
Garfield	2	6	.250
Warleigh	1	5	.167
