

MARION COUNTY 1934 TAX RATE BOOST BIG ONE

New Budget Requests Show
\$1,200,000 Increase
Over Last Year.

Bearing out repeated predictions of past months, the Marion county 1934 tax rate will show a tremendous increase over the levy assessed this year, according to figures announced today.

New budget requests, including general fund, sinking fund and expense of the tuberculosis hospital, total \$3,894,823.21, an increase of more than \$1,200,000 over appropriations for this year.

Faced with necessity of meeting nearly \$1,000,000 in mandatory expenses, the county council, in an official session, will analyze the budget, beginning Tuesday, in preparation for formal adoption Sept. 5.

\$400,000 for Pensions

County officials point out that the increased expense includes approximately \$400,000 for old age pensions, \$102,000 for establishment of a record system for permanent registration of voters, and \$120,000 for expenses of primary and general election.

In addition, a \$300,000 deficit exists this year, due to the 16 per cent delinquencies in tax collections this spring. Expectation is that the delinquency will be even greater in November, if history of past years is followed.

Fabian Biemer, deputy county auditor, declined to estimate the probable tax rate to meet 1934 expenses, pointing out that fixing of the rate was a duty of the council.

Put at 64 Cents

Unofficially, the rate has been estimated at approximately 64 cents, an increase of 23 cents over the 1933 levy. If provision is made for making up the deficit, an additional 5-cent levy will be necessary.

Announcement also was made today by Miss Hannah Noone, trustee, of the Center township levy for next year. The new rate is \$1.507, compared with the 1933 total of 57 cents, despite a reduction of \$14,405 in expenses, Miss Noone said.

The budget estimate prepared by her does not include poor relief expense, and is confined only to general fund, school tuition, and special school expense.

Poor relief levy will be set by County Auditor Charles A. Grossman and will be added to the \$1.507 prepared by Miss Noone.

Below Average Expense

Miss Noone explained that the 57-cent rate this year was far below the average expense, but was set because it was felt that 1933 was a year in which taxpayers should benefit from all possible savings.

An operating margin of approximately \$50,000 was used to accomplish the levy reduction, but in 1934 it will be necessary to raise by levy practically all money spent. Total amount to be raised is \$74,490.

Henry Van Cleave, Lawrence township trustee, announced a budget of \$84,669.13, exclusive of poor relief, which will require a levy of \$1.43, a reduction of 5 1/2 cents from the 1933 levy.

The Washington township rate has been estimated at 77 cents, an increase of 21 1/2 cents, and that for Pike is \$1.05, a 6-cent raise.

City and state authorities today took action against beer distributors whose alleged violations have resulted in complaints.

Chief Mike Morrissey announced that he ordered a beer place at Ninth and New Jersey streets to

WITH VICTOR FURNITURE CO.

Frank W. Sims

Frank W. Sims for many years prominent in furniture sales in Indianapolis has just been added to the sales force of the Victor Furniture Co., one of the city's oldest furniture and home furnishing establishments.

Mr. Sims has been a life-long resident of the south side and is well known in business and civic circles. He has been associated with Fountain Square furniture stores for the past 12 years.

Mr. Leonard Solomon, manager of the Victor store, says "we feel that Mr. Sims is a valuable addition to our present sales force."

"Many old customers and friends of Mr. Sims have called to wish him continued and greater success."

"With our large stock of home furnishings and fine quality of Victor merchandise it will be possible for Mr. Sims to give his old customers a much greater service now."

close early today when he found customers in the place and music blaring after midnight. He said he previously had ordered the place closed at midnight, after complaints from neighbors.

Named as operators of the place are William Crossman, Earl Sells, Sam Koby and Jimmy Grady.

Paul P. Fry, state excise director, said he had warned about a dozen distributors, half of whom are in Indianapolis, against drinking of beer on the premises when the dealers

had licenses only to sell bottled beer for home consumption. He said he intended to give the operators an opportunity to clean up before revoking licenses.

Fry said that daily average of five applications for restaurant beer permits has been received since inauguration of draught beer.

Rids pores of curdled soap -ends body odor instantly!

It isn't just the dirt, it's the curdled soap that gets into the pores in this hard water territory...

You think you're clean—but you're not. You think you can't offend with body odor—but you do!

The reason is very simple. Ordinary toilet soaps combine with the minerals

in hard water to form "bath tub ring." It gets all over your body. It works into the pores. And it dams up stale perspiration!

Some people try to smother one bad odor with another. Others—wiser in the ways of hard water—employ deep-pore cleansing with free-lathering, odorless Kirk's Castile.

Kirk's Castile, being a 100% pure vegetable oil soap, lathers abundantly, even in hardest water. It goes deep into the pores, mixes with the stale perspiration curds and sets them free. In a twinkling your body is as fresh and clean-smelling as a woodland breeze!

"A Hard Water Miracle"—says Gallon, Ohio, citizen. Gallon water is hardest in the state!

Try Kirk's Coco Castile today. It's half again larger, half again heavier than average toilet soaps—an exceptional bargain. Be sure to ask for Kirk's by name.

Pay \$350 for Wife, Suit Filed Against Hammond Greek Demands.

By United Press

HAMMOND, Ind., Aug. 24.—Alexander Harris claimed today that John Christakos owes him a \$350 bill for obtaining a wife for John.

In a suit Harris filed, he alleged he and Christakos entered a contract whereby Harris would get John dates with single women of Greek nationality and of marriage inclinations.

If John married one of them, Harris was to get a \$200 fee and \$150 for expenses.

John had eight dates arranged by Harris and married one of them, but didn't pay the \$350, Harris' suit for judgment alleged.
