

GIANTS, BUCS IN 'MAKE-BREAK' TILT

Hubbell, French Are Likely Mound Rivals

Loser of Today's Game Will Slip Into Disastrous Tail-spin, Experts Predict: Pirates Hammer Out Third Triumph, 14 to 2: Cubs Rap Braves.

BY JACK CUDDY.

NEW YORK, Sept. 8.—This may be the big day in the National League pennant race, according to those experts who appreciate the importance of psychology in baseball.

They figure that the winner of today's final encounter between New York and Pittsburgh will receive sufficient mental impetus to race on to the pennant.

With both outfits trotting out their best hurlers for the supreme test, defeat is expected to crack the morale of the losing club and shoot it into a tail spin like that of the Boston Braves.

So today, mighty Carl Hubbell of the Giants and Larry French of the Pirates, both masters of the screwball, were slated for a mound duel. It's up to Hubbell to put sand on the Giants' skids because they've already lost three out of four in the current five-game series.

The Pirates whittled the Giants' lead to five and a half games Thursday by crushing them, 14 to 2, at Pittsburgh's twelfth victory in fourteenth starts. Young Bud Parmelee, one of New York's "big four" pitchers, was blasted off the mound in the first frame by a five-hit, five-run attack. Old Adolfo Luque, Lefty Clark and Johnny Salveson followed Parmelee to the box. The four of them allowed the Pirates fourteen hits, including homers by Gus Suhr and Earl Grace in the sixth. Grace accounted for five runs with his homer and two singles. Heinie Meine yielded ten scattered hits to the Giants, including a homer by Phil Weintraub, rookie outfielder.

St. Louis replaced Boston at fourth position by crushing the Phillies, 10 to 1. The Cardinals collected fourteen hits off Ragland and Berly while Dizzy Dean registered his nineteenth win by allowing only seven safeties.

Warneke Beats Brandt
The Braves dropped into second division after bowing to Chicago, 2 to 1, when Gabby Hartnett's second inning homer accounted for the winning tally, giving Lou Warneke a mound victory over Ed Brandt.

Brooklyn blanked Cincinnati, 2 to 0, behind Walter Beck's five-hit pitching. The Dodgers bunched some of their eleven safeties off Red Lucas for two runs in the eighth. Frey doubled, Frederick tripled and Hack Wilson hit a scoring fly.

Meanwhile, the second-place New York Yankees paled Washington's American League lead to eight and a half games by downing St. Louis, 12 to 8, at Lou Gehrig's head. The Yanks' fifteen-hit attack with his twenty-fifth home, a double and single, which accounted for seven runs.

Wiz vs Three Hitters
Chicago blanked Washington, 1 to 0, although Monte Weaver held the Chicks to three hits. A single walk and Ralph Kree's single in the ninth accounted for the winning tally. Sad Sam Jones allowed the Senators eight hits.

In his major league debut, Rookie Johnny Marcum of Philadelphia blanked Cleveland, 6 to 0, holding the Indians to five scattered hits, while Roger Cramer led the Athletics' nine-hit attack on Pearson and Connally with a homer and single, accounting for four runs.

Grid Tribe Signs Eight New Stars

Eight new faces, most of them back field men and all stars in college football, were added to the roster of the Indianapolis Indians today by Manager C. A. Sumner in an effort to have a powerful lineup on the field at Perry stadium next Wednesday when Patsy Clark and his Portsmouth Spartans appear to open the local gridiron season.

Clark will have his Purple herd in top shape, as they have been working out since last Monday and with a roster of forty-eight, he has reserve power galore for the opening tilt.

Coach Joe Dienhart of the local club is jubilant over the acquisition of the men. Cogan, former Clinton high school all-state half back who gained nation-wide attention the last three years at Detroit university, will fill a big hole in the ball-toting division. Piper of Manchester, said by many to have been a better ball totter than Wheaton of De Pauw and equal to any of the players on Indiana's Big Ten eleven, and Chapman, his triple threat team mate at Manchester, will add considerable power.

Chambers, who had ability he was unable to show at Indiana State, is working in great at quarter back. Diener states, and Jennicks, all-state end at Indiana State, has been showing his oldtime pass catching form.

Two new linemen, Miller, formerly a star end at James Millikin, and Goodwin, a tackle at Iowa State, arrived Thursday night for tryouts. Dale Miller of Perry stadium, where all games will be played, placed tickets on sale today at his office and Spalding's sporting goods store.
