## TWO CITY MEN NABBED IN GIRL KIDNAPING CASE

Pair Sought by Terre Haute  
Cops Are Held at  
Union, Mo.

Terre Haute police today were in touch with Union (Mo.) authorities holding two Indianapolis men, one an ex-convict, who are said to have confessed the kidnaping of 17-year-old Evelyn Hyslop at Terre Haute late last week.

The men held, Garfield Kelly, 26, ex-convict, and Elmer Davis, 23, both giving Indianapolis as their home, confessed Monday, reported Union authorities, after their capture resulting from the kidnaping of a motorist, who is said to have escaped them and called police.

Miss Hyslop was kidnaped and her escort, Frank Whalen, 18, robbed and tied to a tree last Thursday night. Taken from Whalen was his automobile and \$186 in cash and checks. Miss Hyslop was given \$5 and released in East St. Louis, Ill., early Friday.

Early reports that she had been attacked were denied by Miss Hyslop who said the men "did not lay a finger on me."

Terre Haute officials asked immediately for the custody of Kelly and Davis, but were informed the matter would have to rest until Wednesday, when the Union prosecutor returns to his office.

Police here were unable to find any criminal activity on the part of Davis, but learned that Kelly had a long record here, and had served two terms, once escaping from the state reformatory.

## "All my friends notice that the last pimple is gone

—naturally, I am proud of  
my clear skin"

WHY shouldn't she be happy... it is every-  
one's right to have a clear skin... often it  
helps to hold old friends and make new ones.

What causes pimples and boils? Usually it is due to an abnormal condition of the system. What will correct this trouble? More red-blood-cells filled with that vital substance called hemoglobin (skin and tissue purifier) is what is usually required.

What does hemoglobin in the blood do? It carries the purifying oxygen—so essential to the system's proper functioning—from the lungs to all parts of the body—even to the skin. Also, it throws off the poisonous carbon dioxide.

And S.S.S. restores red-cells and hemoglobin to the blood. Besides, it tones up the system... gives you an appetite... improves the digestion. Thousands have proven it... modern medical research has proven it... you can prove it, too.

Take S.S.S. just before meals. No need to change your diet... S.S.S. will not interfere with any other medicine you may be taking. You will be happy with the beneficial results obtained. Start taking it today. At all drug stores in two convenient sizes. The larger size is more economical.

# NOTICE TO THE PUBLIC

## A razor blade shortage —and its cause

AMAZING public response—far  
exceeding our most optimistic  
estimates—greeted Gillette's drastic  
price reduction.

At this writing many wholesalers  
and retail dealers  
are out of stock.  
The factory can-  
not keep pace with  
demand. The rea-  
son for this is very  
simple. Quality  
must be main-  
tained at any cost.  
This instruction is  
law in our factory.

In fact—today  
inspection is even  
more rigid than  
ever. Each opera-

tion is supervised with extreme care.  
We are pledged to a continuance of  
the highest standards of excellence.

Expansion to meet present de-  
mand without lessening quality now  
is being attained.  
If your dealer is  
out of blades his  
stock should be  
replenished within  
a few days.

In the mean-  
time we ask your  
indulgence and  
trust you will have  
no difficulty in  
finding a store  
which has Gillette,  
Probak and Valet  
AutoStrop blades.

## STOP GETTING UP NIGHTS

Physic the Bladder With  
Juniper Oil

Drive out the impurities and excess  
acids that cause irritation and irregu-  
larity. Juniper oil is pleasant to take  
in the form of BUKETS, the bladder  
physic, also containing buchu leaves,  
etc. Works on the bladder similar to  
cascara oil on the bowels. Get a 25c  
box from any drug store. After four  
days if not relieved of "getting up  
nights" go back and get your money.  
If you are bothered with backache or  
leg pains caused from bladder disorders  
you are bound to feel better after this  
cleansing and you get your regular  
sleep. Hook Drug Store says BUKETS  
is a best seller—advertisement.
