## ROOSEVELT TO BE SECLUDED IN NEW NRA STUDY

President Goes to New York to Map 'Over the Top' Effort.

By United Press  
WASHINGTON, Sept. 26.—Complex administration problems were shifted to New York today as President Roosevelt sought the seclusion of Hyde Park to work out a program to put the recovery drive over the top.

Indications pointed to an unusually busy week free from interruptions as the chief executive turned northward for his final 1933 stay at the summer White House. Friends looked for him to complete plans to bolster commodity prices by expanding credit and releasing billions of dollars in bank deposits to increase purchasing power for a wave of buying.

### Bids Son Good-By

The President's first stop was to be New York tonight, where he planned to bid farewell to his son James, who, with his wife, is sailing for a European vacation. After a night in his east Sixty-fifth street home he will motor to Krum Elbow on the banks of the Hudson.

Observers believed he would work first of all on the banking situation, with emphasis on the steps he has in mind for further strengthening the financial structure. Mr. Roosevelt feels that frozen assets in solvent banks should be released as soon as possible.

### Considers "Little Fellow"

The determination to make cash available to the "little fellow" was regarded here as just one of the cogs in a wheel of credit expansion which is looked upon as the administration's reply to the demands for outright currency inflation.

It was insisted that there was no change in the President's policy so far as actual inflation was concerned. He was interested primarily, it was said, in seeing a steady rise in commodity prices to serve as a basis for a return to normal.

## LEGAL TEST IS SLATED FOR TAX

Oil Company Is Plaintiff in Supreme Court Litigation.

A declaratory judgment and interpretation of the state gross income tax law is sought by the Wadham Oil Company, Milwaukee, in a suit in which state officials are named defendants.

Constitutionality of the law is attacked in the complaint, which is against William Storen, state treasurer; the state treasury department, and Philip Lutz Jr., attorney-general.

According to the complaint, filed in superior court five days ago, the Wadham company owns a refinery at East Chicago, but does the majority of its business outside the state. The declaratory judgment is sought to prevent collection of the gross income tax on receipts of the company on out-of-state business.

The suit also alleges that state officials are attempting to collect tax on funds received in collection of federal and state gasoline taxes, and on transportation costs prepaid by the company and collected from customers.

## Bouncing Knife

Court Does Not Believe Cutting Story.

ECHOES of a tomato battle resulting from a family row were heard in municipal court 3 today when Mrs. Eva Ford, 945 Chadwick street, was convicted of cutting her father, Robert Whitlow, on the leg with a butcher knife.

The battle, in which tomatoes were used as missiles, occurred in the Ford kitchen last week, witnesses said.

Whitlow charges his daughter was intoxicated and cut him with the knife when he remonstrated with her for scolding Mrs. Whitlow.

Mrs. Ford said she was sober, but her father was intoxicated. Her story that her father knocked her down and then threw the knife at her, the knife hitting the wall and bouncing back to cut Whitlow's leg, failed to impress Judge Dewey Myers.

Mrs. Ford was fined \$1 and costs and sentenced to serve thirty days, all suspended.

## Cut Rate

Extortionist Asks Only \$10 of City Man.

INDIANAPOLIS extortion note writers evidently believe in being reasonable in their demands. Police today were investigating a note received by Paul Rich, proprietor of Rich & Co. plumbing and radio shop, 1524 North Illinois street, reading: "At 9 p. m. Monday if I hear 10 bucks under the plumbing tank with the sign, or else."

Rich said evidently the tank referred to was one outside the shop bearing an advertisement.

2 TO 21 FOR SLAYER

Killer of Brother Sent to State Prison by Baker.

On a plea of guilty, Crawford Wilson, Negro, 31, of 1120 East Twenty-second street, was sentenced today by Criminal Judge Frank P. Baker to two to twenty-one years in Indiana state prison for manslaughter. Wilson shot and killed his brother, Edward Wilson, Nov. 21 of last year, following a quarrel, during which both men were said to have been intoxicated.

## MEDAL OF SOCK GOES TO UNKNOWN

After all, they couldn't let a perfectly good decoration go to waste. So here you see the solemn presentation—over an empty chair—of the medal struck as a tribute to the so-far-unknown man (or men) who hit Senator Huey Long in the washroom of the Sands Hotel Club on Long Island.

Shown during the ceremony are, left to right, Owen P. White, principal donor of the medal; Edward Newell, president of the American Numismatic Society, and George De Zayas, designer of the award.

## 'Stop and Go' as Only Reading Is Poor Alibi

Truck Driver's Story Fails to Impress Court in Traffic Case.

"Judge, I couldn't pay the bill because I lost my job as truck driver and couldn't get any other job because I can't write and all I can read are the words 'stop and go' on traffic signals."

This was the alibi presented to Charles Karabell, municipal judge pro tem, today by Grant Wilson, 1324 Lee street, for failure to pay for damages to an automobile struck last May.

He said his truck driver's license was revoked in August by another municipal judge, following a collision with a street car, in which he was injured seriously and the automobile demolished.

He was fined \$25 and costs and sentenced to sixty days in jail, all suspended, when he promised again to pay for the damages to the car, which was owned by Mrs. Helen G. Lee, 227 West McCarty street.

## NRA BOARDS IN STATE ASSAILED

Complaints on Hammond, Ft. Wayne Bodies May Go to Capital.

Complaints of dissatisfaction with both the makeup and the methods of the NRA compliance board at Hammond, has been received from that city by Francis Wells, Indiana representative of the United States department of commerce. These may be sent to Washington, it was said.

Wells also announced that complaints against the personnel of the board appointed at Ft. Wayne has been received.

The complaints have been given to the district board for action before the matters are taken up with the national recovery administrator.

## CUBAN CAUCUS FAILS; CHIEF IS WITHOUT HELP

Political Agreement Still Remote; Government Not Threatened.

By United Press  
HAVANA, Sept. 26.—President Ramon Grau San Martin's newest conference with political leaders broke up in complete failure early today. He still was without political support, but there was no real threat against his government.

Grau, gaining moral strength in the minds of the people as he continued in office, embarked on a campaign against Communist agitators trying to foment discontent in mines and on sugar plantations, including some owned by Americans.

With no political party aligned behind him, Grau faced the problem put before him by the federation, which seeks concessions which would strengthen it and weaken the system of clinics built up in the country by Spain.

## CITY MEN GET LIFE IN GIRL'S ABDUCTION

Jury Deliberates Only Nine Minutes to Convict.

By United Press  
TERRE HAUTE, Sept. 26.—Garfield Kelly, 27, and Elmer Davis, 22, both of Indianapolis, were sentenced to life imprisonment today on charges of kidnapping Miss Evelyn Hyslop, 17, Terre Haute waitress.

A jury in Vigo circuit court found them guilty after only nine minutes of deliberation.

## SLAYER FOUND INSANE

Woman, 27, Killer of Mate, 80, Is Mad, Rules State Jury.

PETERSBURG, Ind., Sept. 26.—Mrs. Maude Price, 27, confessed slayer of her 80-year-old husband, Thomas Price, was found insane Monday night by a jury in Pike circuit court.

The slaying followed an argument over a 10-cent bag of cookies. "He was starving me to death," Mrs. Price cried when questioned about the shooting.

## LONG NAMED TREASURER

Elected to H. A. C. Post Succeeding A. F. Westlund.

John J. Long, member of the Hoosier Athletic Club for more than ten years, has been elected treasurer of the club to succeed A. F. Westlund, who held the position for three years.
