

NATIONAL GUARD STAFF CHANGES ARE ANNOUNCED

Promote Gary Man to Rank of Captain, 113th Engineers.

More Indiana national guard changes in officer personnel were announced today by Adjutant-General Elmer F. Straub. First Lieutenant Harold T. Lentz, Gary, was promoted to captain in the One hundred and thirteen engineers. He takes place of former Captain Nelson D. Lambert at regimental headquarters. Captain Lambert having been promoted to the rank of major.

Captain Verne W. Schuessler, Lafayette, has been raised to the rank of major and placed in command of the second battalion of the One hundred fiftieth field artillery. This command has been held by Major Guy I. Hagerty, Muncie, retired because of physical disability.

Resignations of Lieutenants Edward A. Kaege, Anderson, and George F. Amick, Madison, were accepted. The first resigned for business reasons and the latter because he moved to Washington, General Straub said.

Second Lieutenant Frank N. Logan, Frankfort, was promoted to first lieutenant in the service company of the One hundred fifty-first infantry.

Captain Paul V. Harter, Terre Haute, was relieved of duty in command of troops at Shakamak park, the command being turned over to Major Earl E. Weimer, Shelbyville. These troops have been quartered there since the coal field riots of more than a year ago.

PRUSSIAN PRINCE LIKES JAZZ—IN IT'S PLACE

Louis Ferdinand Says Symphonic Arrangements Absurd.

MILWAUKEE, Wis., Oct. 3.—Louis Ferdinand, prince of Prussia and grandson of the former kaiser, likes American jazz—if it is not too symphonic.

"As dance music there is nothing to compare with it," he declared here recently. "But when it attempts to enter the field of symphony it is so far overshadowed by our truly great compositions that it meets the fate of everything which pretends, or assumes, to be what it is not; it becomes ridiculous."

The prince was here on an inspection trip for the Ford Motor Company.

SEPTEMBER IS 'MODEL' MONTH, BUREAU SAYS

Moderate Temperatures Prevail in City During Entire Period.

September, 1933, will go down in weather history as a nice, well-behaved month, according to records of the local United States weather bureau.

Highest temperature for the month was 95 on Sept. 8. The record is 98 on Sept. 6, 1909. Lowest temperature was 50 on Sept. 21, as compared with a record of 30 on Sept. 30, 1899.

UTILITY MAY CUT RATE

Veedsburg Plant Asks State O. K. on New Schedule.

Veedsburg Electric Company, a municipal plant, today asked the public service commission to reduce its rates and write a new schedule more advantageous to the rate payers.

Indiana in Brief

Lively Spots in the State's Happenings Put Together 'Short and Sweet.'

By Times Special
PENDLETON, Ind., Oct. 3.—Decision is pending on charges of pernicious political activity filed against Miss Nellie Gray Hallowell, Pendleton postmaster.

Investigation has been made by A. S. Kelley of Muncie, postal inspector, who interviewed persons who signed an affidavit making the charge. Ruling on the case by the postoffice department at Washington is awaited.

It is alleged that Miss Hallowell was "unduly active" during the presidential election campaign in November, 1932. She was appointed April 1, 1931, by former President Hoover and has a commission to serve until Jan. 9, 1936.

Spradling Is Recovered
By Times Special
FRANKFORT, Ind., Oct. 3.—Fully recovered from loss of an arm in an automobile accident, Carroll Spradling, former Purdue university basketball player, has been discharged from a hospital here.

Surgeons attributed Spradling's speedy recovery from the accident, which occurred less than a month ago, to his splendid physical condition.

The accident happened west of Tipton when a car in which Spradling was riding was sideswiped by a truck driven by H. R. Pauley of Indianapolis. Pauley is awaiting trial in Tipton circuit court on a charge of failing to stop after an accident.

Chief's Sister Buried
By Times Special
SHELBYVILLE, Ind., Oct. 3.—Funeral services were held here yesterday for Mrs. Nettie Hendrickson, 2, former resident here, at her home in Summitville, Ind. She was a sister of John B. Thompson, Shelbyville police chief.

They Do It Right
By Times Special
LEBANON, Oct. 3.—Sheriffs of Boone, Tipton and Clinton counties are on the lookout for thieves who stole a \$75 gasoline engine from the Ralph Shor farm, on the Hamilton-Tipton county line.

In order to reach the engine, which was being used to pump water for livestock, the thieves cut a wire fence and drove a truck or automobile across a field.

Wheat Board Formed
By Times Special
GREENFIELD, Ind., Oct. 3.—The Hancock wheat committee has been formed under the federal crop control act with Harvey Cushman of Vernon township as president.

Other officers are W. Roy Hasler, secretary-treasurer and Gus Smith, vice-president.

Cushman, with William Oldham and W. F. Parnell, will form an allotment committee.

More than 50 per cent of Hancock county farmers have filed applications under the act.

Hiding Under Paints?
By Times Special
GREENFIELD, Ind., Oct. 3.—Just how "jumpy" Hoosier nerves have become during the manhunt for convicts who escaped a week ago from the Indiana state prison was illustrated here.

"Four of the convicts are right here in Greenfield," an excited man shouted as he came into police headquarters.

Police made an investigation. They found four men going from house to house selling cosmetics.

Squeeze! He's Out!
By Times Special
BLOOMINGTON, Ind., Oct. 3.—A "squeeze play" in which an automobile was damaged is the basis of a \$150 damage suit on file in Monroe circuit court.

Theodore Duvall, driver of the damaged car, says he was directly behind Paul Eyer while driving in Anderson and that without warning Eyer stopped. Duvall's car was caught between that of Eyer and a third automobile in the rear.

FEENEY SEEKS FUND TO EQUIP STATE POLICE

Armaments Held Woefully Deficient in Hunt for Escaped Convicts.

Declaring that search for ten convicts who escaped Sept. 26 from the Indiana prison showed the state police department to be "woefully deficient with regard to equipment vitally necessary," Al Feeney, state safety director, today asked that \$4,000 be made available for police use.

He directed letters regarding the situation to Governor Paul V. McNutt; Elmer F. Straub, adjutant-general; Floyd E. Williamson, auditor of state, and Philip Lutz, attorney-general.

Fund Transfer Possible
The director stated the \$4,000 would be spent half for equipment and half for operating expenses of the police, and suggested that the money be obtained by transfer from the state athletic fund. Mr. Feeney, who also is state boxing commissioner, said the fund now contains about \$16,000, and is increasing at the rate of about \$1,000 a month.

Mr. Feeney pointed out that an armored car used Saturday by state police in chasing four of the fugitive prisoners was borrowed from the Marion police department.

Urges Higher Speed Cars
He urged purchase of a high speed squad car; ten light automobiles to replace motorcycles, use of which is impracticable during the winter; ten shotguns of riot type; four automatic rifles; two gas guns; ten sirens and eight red lights.

In the letter to Straub, a request is made for gas masks and other equipment which may be in state armory and not being used by the national guard.

Clocks Jurists

Irate Taxpayer Assails Courtroom Hours.

JUSTA TAXPAYER called The Times by phone Monday, suggesting that judges in county courts be placed on an hourly pay basis.

He explained: "I was at the courthouse during the forenoon Monday to pay my taxes at a rate which is 21 cents higher than last year. I wandered through the building and found only one judge on his bench. I don't see why the courts need to be run differently from any other business."

"So why not put the judges on an hourly pay basis, so they will get paid only while working?"

LINDYS ARE IN NORWAY
By United Press
STAVANGER, Norway, Oct. 3.—Colonel and Mrs. Charles A. Lindbergh arrived here this afternoon in their seaplane, after a flight of two hours and forty minutes from Oslo. They intend to remain here only one day.

Kill Kidney Acid New Way Win Back Your Pep

French Doctor Tells About Successful Prescription That Is Helping Millions of Men and Women Win New Vitality and Energy.

It is no longer necessary for men and women to suffer from poorly functioning kidneys and bladder without the benefits of a remarkably successful prescription prepared specially for these troubles, and which is available at every drug store.

Because of modern foods and drinks, nervous strain, worry, overwork, weather changes, exposure and other causes, there are millions of men and women suffering from poorly functioning kidneys, and this is often the real cause of feeling old, tired out, run-down, nervous, Getting Up Nights, Rheumatic Pains and other trouble.

If poor kidney and bladder functions cause you to suffer from any symptom such as Loss of Vitality, Getting Up Nights, Backache, Leg Pains, Nervousness, Lumbago, Stiffness, Neuralgia or Rheumatic Pains, Dizziness, Dark Circles under Eyes, Headaches, Frequent Colds, Pain and Irritation, Acidity, you can't afford to waste a minute. You should start testing the Doctor's Prescription called Cystex (pronounced Siss-tex) at once.

Cystex is not an experiment—it is quick and sure in action—it has been tested and proved in millions of cases and doctors and druggists approve of its pure ingredients which do not contain any dope, narcotics, or habit-forming drugs. Dr. C. J. Roberts, Graduate of the University of Pennsylvania, and formerly of the Philadelphia General Hospital, recently wrote: "In my years of practice I have employed many medicines and prescriptions to improve the functional action of the kidneys, but in my opinion there is no preparation that excels the prescription known as Cystex."

The formula is in every package. It starts work in 15 minutes and is a gentle aid to the kidneys in their work of cleaning out Acids and Poisonous waste matter. It soothes, tones and cleans raw, sore, irritated bladder and urinary membranes.

Because of its amazing and almost world-wide success, the Doctor's Prescription known as Cystex (pronounced Siss-tex) is offered to sufferers of poor kidney and bladder functions under the fair-play guarantee complete satisfaction or money back on return of empty package. It's only 3c a dose. Ask your druggist for Cystex today and see for yourself how much younger, stronger and better you can feel by simply clean.

Mr. Holt was not retired due to reaching the age limit, but under terms of the national economy act. As a result, Greenfield will have three instead of four carriers.

DR. L. C. CHARLAND
MONTREAL SURGEON
French Doctor Praises Cystex
Doctors and druggists everywhere approve of the prescription Cystex because of its splendid ingredients and quick action. For instance, Dr. L. C. Charland, Graduate of the University of Montreal, recently wrote the following letter:
"In the treatment of patients, both men and women, showing symptoms of insufficient kidney and bladder excretion, I have had excellent results by prescribing hexamethylenamine, extract from yucca, atropine sulphate, benzoic acid, extr.uchu, extr. corn silk, extr. titticum, potassium bicarbonate, sod. borate and caffeine—which I find is the same formula used for Cystex and which is available at any drug store. The principal advantages of this fine combination lies in its acid-neutralizing qualities hence bringing relief to many patients, indicating a rheumatic pain tendency in joints, muscles or limbs. The action of this formula in hastening the flow of waste products unquestionably relieves a frequent cause of night rising, irregularity, headache, indigestion, backache and even high blood pressure. Women especially are benefited through relief of pain and irritation. As a hygienic aid to the treatment of many kidney and bladder ailments, I consider Cystex a national prescription of merit, and I freely give my permission to use any or all of the above analysis."
Signed, L. C. Charland, M. D.

Consider the Railroads —as Developers
In the United States more than 100 million people live and work within ten miles of the nearest railroad.
"This does not just happen to be true. It is true because most of this country has grown up along its railroads. They have been the great developers.
As the early railroads were built, settlers came in, farms were placed in cultivation, towns sprang up, and business began to be carried on. Ever since then the dependable transportation provided by the railroads has been an influential factor in the continued development of the country.
Today the railroads carry the nation's business. Because business has been dull, the railroads have had less to do, but as business revives the rail network of the country again will hum with activity.
Constructive criticism and suggestions are invited.

Torture Death Suspect Dies, Victim of Cop's Fire

Victor Wright Succumbs to Wound After Threat on Policeman.

By Times Special
ROBINSON, Ill., Oct. 3.—Victor Wright, 35, who had been held with Harold L. Peck of Indianapolis and three other men in the torture murder of an 82-year-old woman, is dead, the first person slain by an Illinois state policeman since organization of the force.

Wright, a resident of Robinson, succumbed in a hospital here Monday night as a result of a shotgun wound inflicted a month ago by a state policeman at the jail here.

Incensed because he was questioned regarding a criminal attack on and murder of Mrs. Mary Schneider at a farm home near Newton, Wright, on his release is said to have armed himself and announced, "I'll get me a state policeman."

He encountered Don Clark, a state patrolman. Clark is said to have fired once in the air, but Wright continued to advance, and the officer fired a second time, the shotgun charge striking Wright in the abdomen.

The murder case will be considered by a grand jury to convene at Newton on Oct. 9. The following day an inquest will be held in the death of Wright.

Time Flies

Absence of Two Minutes Costs \$25 in Robbery.

TIME was paid for at the rate of \$12.50 a minute Monday night by Charles Haynes of the Haynes Pump Company, 810 North Illinois street.

During an absence of two minutes from the company office, a thief removed \$25 from a safe. Haynes reported to police.

Tired .. Nervous Wife Wins Back Pep!

HER raw nerves were soothed. She banished that "dead tired" feeling. Won new youthfulness (Nature's Remedy)—the mild, safe, all-vegetable laxative worked the transformation. Aches, dizzy spells, sick, see how refreshed you feel. At all druggists—25 cents.

NR TO-NIGHT
Quick relief for acid indigestion, heartburn. Only 10c.
