PIERROT COSTUME

"Gentlemen prefer Pierrot," because his costume has all the comfort of a favorite pair of pajamas—no lights, no armor, no Colonial knee breeches! Yet Pierrot's dashing costume makes a colorful addition to any Halloween party, and a perfect foil for a dainty Pierrotette.

This suit was made of dark red satin and trimmed with white pompons, but black or any dark shade of satin, sateen or cabric is equally effective. Striking contrasts which complement Pierrot's outfit, such as a dark purple hat and trousers, and a gold coat, are sure to win the prize for the most attractive costume.

Turn-back cuffs and a rug are easy-to-make details of the coat, while the trousers are of simple regulation cut. The pointed hat is included. Size 40 requires 6 1/2 yards 36-inch material, 3/4 yard 36-inch extra for ruching.

Pattern No. 5193 is designed for sizes 32, 36, 40 and 44.

SOCIETY WOMEN DELIGHTED WITH ABSOLUTELY HARMLESS TREATMENT....NO THYROID, NO LAXATIVE SALTS...NO DIET

A NATIONALLY KNOWN writer has lost 55 pounds of fat in three months, a prominent doctor's wife lost 14 pounds in 30 days. Many prominent society women are reducing easily and safely by the scientific Vannay treatment.

Vannay is an absolutely harmless tablet that contains no Thyroid extract, Iodine or laxative drugs of any kind. It was developed by a great physician who has specialized in research with the Pasteur Institute of Paris and famous clinics of America.

Now it is absurd for anyone to take dangerous drugs, or a daily dose of laxative salts that rushes food through the body half digested, and leads to chronic constipation. Vannay is a safe, natural regulator of the digestive ferments (Lipases) which control the production of fat in all human bodies.

You don't have to starve yourself or go through painful exercises. You simply take the tablets each day and continue to eat three hearty meals. The fat disappears at just the places where you want to lose it.

Start the treatment at once and all your fondest dreams of health and slim loveliness should come true.

LYNN FRANCIS
Famous for her acting in "Passing Present" writes:
"I want to acknowledge my gratitude to you for the help I have received from Vannay reducing tablets. I have taken them daily for three months, and I have lost in weight and especially in measurements. I only needed to lose ten pounds, which I did within the first nine weeks. But where Vannay helped me most was in losing several inches off my thighs—and an inch and a half off my hips.
"I have tried thyroid, exercise, and heavy massages unsuccessfully—as well as strenuous dieting. So I can recommend Vannay tablets wholeheartedly. They are the only means of reducing that I have found successful as well as harmless; in fact, since I have been taking Vannay, I have felt infinitely more alive."
