BEER, W. C. T. U. MADE 'NEIGHBORS' AT FAIR
And Harmony Reigns. Is Report From Kansas Exhibit.

By United Press
TOPEKA, Kan., Oct. 6.—For the first time in the history of the Kansas Free Fair here, a real beer garden was operated this year, and the establishment was right next to W. C. T. U. headquarters.

Beer drinkers who thronged the garden seemed to get along well with W. C. T. U. members. Bar maids even visited the dry organization's booth, but so far as could be learned, no W. C. T. U. members returned the compliment.
