

FOILED IN ONE STORE, BANDITS RAID ANOTHER

Two Holdups Tried by Pair in 12 Minutes; Get \$80 Loot.

One robbery netting \$80 and an attempted holdup in twelve minutes was the record last night of two young bandits in north side stores. A few minutes after 9, the robber pair entered the city fruit store, 3522 College avenue, commanding the manager, Gerald Murray, 21, of 648 East Thirty-first street, to lie on the floor. At this juncture, Dr. T. F. Rodgers, 5841 Park avenue, entered the store. He recognized one of the bandits as an acquaintance, he told police, and spoke to him, not knowing a robbery was in progress. The bandits fled without loot. A few minutes later, the pair entered the drug store of J. W. Lee, 1048 Fairfield avenue. Mr. Lee and a customer, Herman Wagner, 3441 Guilford avenue, were forced into a back room. Cash registers containing the store's money and funds of a postal substation accounted for most of the \$80 loot, and Mr. Wagner was robbed of \$3. John Lee, son of the proprietor, and Wesley Swails, 3511 Birchwood avenue, entered the store during the looting and were forced into the back room. Young Lee was robbed of \$1.

MAN OVERCOME BY GAS

Falls Unconscious to Floor While Repairing Kitchen Stove.

Allen Bevel, 64, of 1454 Brookside avenue, today was recovering from being overcome by gas while repairing leaks in a stove at his home. His wife, Mrs. Rosa Bevel, and Mrs. Anna Hogan, 1448 Brookside avenue, found Bevel lying on the kitchen floor overcome by gas when they returned home. They summoned the fire department rescue squad, members of which used an inhalator for more than an hour before taking him to city hospital.

The New York priest who left his altar to save a tot trapped in a fire exemplifies real religion regardless of denomination. Saving a soul often gets no farther than painting Satan in his most lurid colors; saving a life requires the willingness to give up your own if necessary.

The Miller Geared-to-the-Road places a maximum area of tread rubber on the road so as to give you smooth-rolling action. No "jumping" from one non-skid block to the next; the gear design provides smooth flow of power from wheel to road, giving slow, even wear without cupping or chipping the tread rubber. One of the many reasons why Miller Geared-to-the-Road Tires are GUARANTEED IN WRITING to outwear any other tire built. Payments to fit your purse. THIS CURIOUS WORLD

The Siamese say that the first gibbon was a young Siamese woman who, with the assistance of her youthful lover, killed her aged and ugly husband, and then fled to the forest with the young man. Avenging spirits caught them, however, slew the youth, and turned the woman into a gibbon.

Hemorrhoid Sufferers

End Your Pile Misery Quick. No Cutting—No Salves.

Thousands of Pile sufferers do not know that the cause of Piles is internal—bad circulation of blood in the lower bowel.

That is the scientific truth about Piles—the real reason why salves and suppositories do not give permanent relief, why cutting does not remove the cause.

Your Piles will only go when you actually remove the cause—and not one minute before. External treatments can't do this—an internal medicine should be used. HEM-ROID, the prescription of Dr. J. S. Leonardt, succeeds because it stimulates the circulation, drives out congested blood, heals and restores the almost dead parts.

HEM-ROID tablets have such a remarkable record of success in this city that Hook's Dependable Drug Stores and all good druggists urge every sufferer to try HEM-ROID and guarantee money-back if it does not end their Piles, no matter how stubborn the case. Advertisement.

GREYHOUND

IS THERE ANYTHING WORSE THAN A BACKACHE?

A continuous backache takes all the joy out of living. If accompanied by irregular urination and a tired, nervous feeling, backache may be caused by kidney or bladder trouble.

Durex Pills will help you as they helped Mrs. Lillian Noble, Greenock, Pa. She says: "Durex will help any one suffering from a backache caused by kidney trouble. I have taken two boxes of Durex and my backache is almost gone. I would pay, gladly, twice as much as you ask for Durex, if necessary, because it is a wonderful medicine."

HEARING'S SET ON BELT TRACK ELEVATION PLAN

Civic Clubs to Meet With Railroad, City and County Officials.

Officials of the city and county, the railroads, and south side civic associations will meet Nov. 8 in city hall to discuss plans for completion of the Belt railroad elevation through a federal loan.

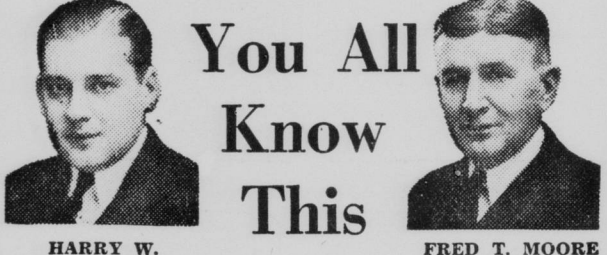

The date was set following a visit of south side leaders yesterday to Mayor Reginald H. Sullivan.

The civic heads complained of delay by the city administration in urging action on the project.

It is proposed that the city borrow its share of the elevation cost from the government. The cost has been estimated at approximately \$3,000,000.

City officials contend that they can not proceed until the railroads are prepared to assume their share of the financial responsibility.
