

# TOWNS TO VOTE NEXT TUESDAY; FEELING STRONG

Hotly Contested Elections  
Predicted at Polls in  
Beech Grove.

With balloting in towns offered as the only election day fare Tuesday in the state this year following the action of the 1933 legislature in postponing all elections until 1934, political interest today centered in ten of seventeen incorporated towns in Marion county.

These towns which will elect trustees and clerk-treasurers Tuesday are Beech Grove, Woodruff Place, Shooters Hill, Rocky Ripple, Lawrence, Crow's Nest, Warren Park, Clermont, Ravenswood and Woodstock.

Towns which will continue incumbents in office include Speedway, Williams Creek, Spring Hill, High Woods, Southport and Lynhurst. Castleton, last night, still was undecided whether it would go to the polls.

## Democrats File Suit

A hotly contested election was looked for in Beech Grove, where a Democratic and Progressive ticket are in the field. The Beech Grove Democratic ticket filed suit in circuit court yesterday to mandate their board of election commissioners to place Democrat candidates on the ballots. Burton for trustee of the Third ward. Democratic ticket—Edgar Mann for clerk, James Whitaker for treasurer, Hale Fahler for trustee of the First ward and Edward F. Dux for trustee of the Third ward. ### Solution to Previous Contract Problem

BY WILLIAM E. M'KENNEY  
Secretary American Bridge League

THE most difficult hand to play is that in which a player holds four trumps and partner only three. In other words, you have only seven trumps between you, leaving six for the opponents.

If these outstanding trump are divided 3-3, you probably will not have much trouble handling the situation. But with the trump divided 4-2 and this is the way they generally are, you are confronted with a real problem, especially if you are short in one suit and the opponents give you opportunity to ruff that suit.

Several days ago I told you that Ward, generally and you are confronted with a real problem, especially if you are short in one suit and the opponents give you opportunity to ruff that suit.

Here is an example of it: North opens the bidding with a diamond. South says two diamonds and West over calls with two hearts.

North says two spades, and South three spades. North goes to four diamonds and South closes it with a four-spade bid.

THE ace and king of clubs were cashed by East, who followed with the seven of clubs. West playing the queen.

If the declarer trumps this trick, the timing factor then will be in favor of the opponents as West still will have four trumps remaining.

However, North has a losing heart, so why not throw a loser on

# THREATEN SUIT IF \$1.50 LAW IS NOT HEEDDED

Taxpayer Group Warns of  
Appeal to Enforce  
Levy Limit.

Unless the state board of tax commissioners sets a property tax rate for Indianapolis within the \$1.50 limit prescribed by law an appeal to the "highest courts in the land" will be taken.

This warning was issued yesterday following a meeting of the resolutions committee of the property owners' division of the Indianapolis Real Estate Board, and was discussed in a radio address last night by Walter L. Stace, Indianapolis Home Builders' Association president.

The committee, headed by J. C. Moore, Columbia School Supply Company, drafted resolutions to be presented at a special meeting of property owners tomorrow night at the English theater under auspices of the property owners' division.

The meeting has been set on the eve of hearings before the state tax board on appeals taken from the Marion county tax adjustment board in the tax rate for next year. The group charges that the rate is too high and is illegal because it is in excess of the \$1.50 rate.

THAN IS POSSIBLE  
ANY OTHER WAY

DON'T be fooled into believing that your teeth are naturally dull, off-color, or susceptible to decay simply because brushing fails to make them white or keep them sound. Remember this: Any preparation that polishes teeth and fails to kill germs—millions of germs that cause so many tooth and gum troubles—ONLY HALF-CLEANS TEETH.

One dental cream in the world that kills troublesome germs as it cleans the teeth is KOLYNOS. Try it—a half-inch on a dry brush, morning and night. Soon your teeth will look cleaner than ever before.
